God In The Constitution:

God and the Constitution Paul Marshall, 2002-08-13 This book is an indispensable guide for Christians interested in exploring how they can interject their religious convictions into their political actions Christianity and the Constitution John Eidsmoe, 1995-08-01 Using the writings of the founders and records of their conversations and activities John Eidsmoe demonstrates the influence of Christianity on the political convictions of the founding fathers **Civil Government and Religion** Alonzo Trévier Jones, 1889 **Understanding Your Place in God's Kingdom** Myles Munroe, 2011-11-28 This book is about your original purpose for existence and the source of meaning behind your life In these pages you will discover the Creator's divine motivation design and mandate for His creation and your role in that creation After reading this book you will be equipped with the knowledge to answer some of the questions addressing the heart cries of humanity in our search for a better world I am convinced also that you will come to believe as I do that there is hope for mankind but only as we reconnect to the source of creation and our Creator's original concepts for life on planet earth It is this concern that this book will attempt to address The goal of this book is to reintroduce the concepts principles and nature of true authentic kingdoms as presented by the Creator and show the superior and advantageous nature of kingdom as compared to any religion political ideology government system or social program Join me as we explore and understand the precepts and principles of the Kingdom **Constitution is Born, A** Swanson, Norma, Aud, Barbara, 2016-09-22 Now as never before basic knowledge of our governmental heritage is essential if we want to be empowered to keep elected officials accountable and defeat the forces that would destroy our freedoms The truths of the Constitution must be embedded in our hearts not blocked out by social media or minds captured by electronic devices as it is the only way to a guarantee of freedom Since the celebration of the 200th anniversary of our Constitution all three departments of government have to a large degree ignored the Constitution Neglect of the principles contained in our Constitution has been responsible for the loss of many of the freedoms it guaranteed A Constitution is Born was written to be a clarion call loud and clear for renewed patriotism a love for country and above all a realization that our direction comes from God not from man and we are responsible to Him our Maker This brief history of the U S Constitution with relevant information is to be a sword of the Lord piercing the heart and soul invoking action to carry out His plan as He makes it known to us Our continuing prayer is that this book will find a special place in the hearts of Americans and that they will read it to their children to provide insight and understanding as to what it means to be a free courageous American with increased faith in our God who has brought us this far The importance of educating our youth about the principles set forth in our Constitution has always been high on my list of priorities I am pleased and excited to recommend the work of Barbara Aud and Norma Swanson through A Constitution is Born The book provides a brief history of the Constitution and what it means in layman's terms Ronald M Mann Former Director and Deputy Director of the Commission of the Bi Centennial of the Constitution Special Advisor to President Ronald Reagan Norma

Swanson and Barbara Aud's new book *A Constitution is Born* is a must read for every American citizen. In this fascinating book they trace the invisible hand of God in formulating the foundational guiding document for our nation. This book is essential reading for everyone who wants to know the truth of the founding of our country. Dr. Robert Jeffress, Senior Pastor, First Baptist Church, Dallas, Texas, and Fox News Contributor, says, "Our children must understand the freedoms that the Declaration of Independence and the United States Constitution guarantees for all Americans if our republic is to survive. *A Constitution is Born* is a vital tool available to all parents, teachers, and all who love liberty. Read this book, teach it to your children, share it with your students, tell your neighbors about it. This is something you can do to light freedom's way for generations to come." Dr. Robert Sweet, Jr., Professional Staff Member, Committee on Education and the Workforce, United States House of Representatives, says, "As you become aware of today's political and social climate and the attack on our freedoms, you can't help but think *A Constitution is Born* could not have been published in a timelier manner. Citizens, both young and old, now more than ever need to understand the sacrifice and principles that were so thoughtfully crafted in the Constitution by its designers. Every household, school, and church should have this book and integrate the principles and truths into their lives." Rose Gamblen, Ph.D., Educational Specialist and Published Author, Professor, Penn State, Producer and Co-Host of My Home School Companion radio network, I APPLAUD Barbara Aud and Norma Swanson for their many hours of research and labor in producing this very timely book *A Constitution is Born*. "Never before have we needed to provide for our youth a basic understanding of how they received the freedom by which they live and how the hand of God moved in the forming of the nation as we know it today. As an educator, I highly recommend that every home and parent make this book a must in the education of their children." Dr. Arthur Nazigian, Board Chairman Emeritus, Association of Christian Schools International, Published Author, Charter member, ACSI Board.

In God We Trusted Jeff Wallace, 2019-10-17. America's state and national constitutions are virtually ignored in today's society and government. One group says one thing while the other is 180 degrees opposite. No society can exist for very long being so polarized with no set in stone standard for government and societal norms. By reintroducing exactly how American government and society were developed, we will be able to follow the already proven path that made The United States of America the shining city on a hill. American Liberty is at stake. Once Liberty is lost, it is lost forever. It is time our generation took a stand to insure future generations have the religious and civil liberty established in our constitutions of government for 400 years.

The Ministry of God's Word Watchman Nee, 1994-09-01. The most important work of God on earth is the speaking out of His word through man. In the Old Testament, God's word was released through the ministry of the prophets, and in the New Testament, it was released through the ministry of the Lord Jesus and later through the apostles. Even though God is pleased to allow us to speak His word, the greatest measure of our usefulness as a minister of the Word is not the amount of our Bible knowledge or even the ability to eloquently present the truth, rather

it is the degree to which our inward parts have been molded and shaped by the Holy Spirit The Ministry of God's Word contains a series of messages given by Watchman Nee in 1948 and 1949 after nearly thirty years of ministry These messages are deep profound subjective and full of light revealing both the depth of his experience and extent of our need to open to the Holy Spirit's inward operation *America's Destiny: Choosing God's Will or Ours (A Historical & Latter-day Saint Perspective)* Tad R. Callister, 2023-07-10 America's Destiny sets forth compelling evidence of America's divine origin and destiny that it was a nation founded upon divine providence not coincidence as testified repeatedly by the Founding Fathers respected historians and statesmen This revised edition also adds numerous scriptures and statements from prophets of God attesting to this truth With that perspective America's Destiny asks the question that should be on all of our minds What is the greatest challenge facing our nation today and how should we confront it in a way that pleases God The economy national security immigration gun control poverty racism crime national pandemics climate change While each of these is a valid concern and deserves attention none of them strikes at the heart of our greatest challenge namely finding a way to build stronger homes and bring about a return to family God and moral values To put our prime focus on challenges other than these is to strike at the leaves not the root of the problem It is now our choice and America's choice to place our trust in the wisdom of God or the wisdom of the world to be a nation under God or without God If we become a nation under God then we become eligible to receive the promise Blessed is the nation whose God is the Lord Psalm 33 12 *The Works of Robert G. beginning minister Finally in the section entitled Systemic Povertilization McNeil deals with social issues that all should be aware of and have knowledge about Jesus dealt with such issues and so should we This book has something for everybody
