## God Is An Abstract Artist:

God Is an Abstract Artist John Colantonio, 2004-07 Dauntless heroic audacious an experiment in human dignity and divine intervention our nation has lost its sense of destiny The sheer weights of fear and terror have us reeling into depression Nevertheless God is alive and well shining through the ozone layer of despair with penetrating rays of redeeming light God is an Abstract Artist takes us to places in our hearts that need healing comfort and encouragement We all have many questions and here we find a few answers but mostly honest revealing conditions of the real world Life is a process a journey a story that looks like an abstract painting As long as God has the paint brush in His hand we can more than survive but actually soar like eagles in His vast kingdom of creativity Come with me laugh cry and feel the pain and joy of being alive Come with me and see God face to face and heart to heart Art and the Experience of the Divine Anne Searle Bent, Ian S. Markham, 2024-11-21

How do people find faith For centuries the focus of the church has been on providing arguments that might persuade a person rationally that faith is plausible This book invites people to find faith through experience By taking a great work of art the reader is invited to meditate and pray through that art to God Faith is primarily an experience of the heart not an argument that appeals to the head The book opens with a framing case for the centrality of the visual arts as a vehicle to experience the divine Engaging with the literature a distinctive case is made for a spiritual theory of art according to which art makes spiritual reality present to the seeker Then there are twenty two devotional reflections on art that show how properly reading a painting or a drawing can open up fresh ways of thinking about the divine that are compelling and powerful Thus we are guided towards seeing truly great art as a focus for prayer and meditation ThirdWay, 1992-04

Rediscovering God's Grand Story James M. Roseman, 2017-09-15 In the passage to modernity we in the West have lost the ability to see things whole We've closed our minds to all things transcendent and default to unbelief and can't make sense of the persistent echoes of the voice of God that reverberate in our souls In Rediscovering God's Grand Story James Roseman picks up the strands of science philosophy history the arts and theology and reweaves the tapestry to see a coherent story that makes the best sense of the world and provides real meaning and significance to our lives God's Grand Myth We see that the signals of transcendence that confound our culture of doubt are a universal language and vocabulary of the heart echoing the voice of God and in the very Judeo Christian story we so readily jettison is found the Author enabling us to see the world whole again This essay tells why the story and promise of Christianity is so hard to hear today but won't go away Could it be that as T S Eliot wrote in the mid twentieth century at the end of all our exploring will be to arrive where we started and know the place for the first time

**All God's Children and Blue Suede Shoes (With a New Introduction / Redesign)** Ken Myers, 2012-02-29 Every generation faces unique challenges The first century Church had Caesar's lions and the Colosseum And while it might seem like an unlikely comparison the challenge of living with popular culture may well be as serious as persecution was for the saints of old Today we witness the tremendous power of pop culture to set the pace and priorities of our lives We simply cannot afford to be indifferent about culture's influence nor can we escape it glibly condemn it or Christianize it Cultural expert Ken Myers helps us to engage pop culture from a historical and experiential perspective so that we can live in it with wisdom and discernment

**In the Beginning is the Icon** Sigurd Bergmann, 2016-04-08 Icons provide depictions of God or encounters with the divine that enable reflection and prayer In the Beginning is the Icon explores the value of these images for a theology of liberation Iconology art theory philosophical aesthetics art history and anthropology are integrated with rigorous theological reflection to argue that the creation and observation of pictures can have a liberating effect on humanity In presenting art from across the world In the Beginning is the Icon reflects the ethnocentricity of both art and

religious studies and offers a new cross cultural approach to the theology of art      **The Gospel According to Job** Mike Mason,2002-10-03 Anyone who has suffered knows that there is no such thing as getting a grip on oneself or pulling oneself up by the bootstraps The only bootstrap in the Christian life is the Cross says Mason Sometimes laying hold of the cross can be comforting but other times it is like picking up a snake Job knew this firsthand From him we learn that there are no easy answers to suffering That the mark of true faith is not happiness but rather having one s deepest passions be engaged by the enormity of God And through Job we learn the secret of the gospel that mercy is the permission to be human The Lord never gave Job an explanation for all he had been through His only answer was Himself But as Job discovered that was enough The Gospel According to Job sensitively brings the reader to this realization using a devotional commentary format that reminds them that it s all right to doubt to be confused to wonder in short to be completely human But what will heal us and help us endure is a direct transforming encounter with the living God      **The Modern Divine Comedy Book 6: Purgatorio 2**
