the Lord! Louise Woodard,2002-03 *I AM with You* Karen Chisholm,2014-09-10 These poems are God's gift to me in my morning quiet time and I make of them a gift to you I am so often amazed at the words that appear on the page as I write I know these thoughts are not the ones I am used to living with day to day and I worship God for His words revealed through me a simple seeker who loves Him In these pages you will hear God speaking to you You will also hear me whining at God seems like when my writing is all about me and my shortcomings I must be whining and there follows a section that is perhaps rhetorical perhaps not We can all gain from the words written here May these simple and sometimes inconsistent thoughts bless you and draw you closer to Him *An Endless Perspective of Life* Eric Visconti,2011-05 As I taste your joy through the life of your eyes May I also taste your deepest pain Your priceless eyes mean everything to me Your smile is the sweetest Your laughter riches without measure Yet just one of your precious tears My soul values infinitely Soft diamond falling down your cheek Sweet symbol without one word Saying your whole heart is given to me In this collection of inspiring poems Eric Visconti explores the themes of love and faith that are at the center of all of our lives His engaging imagery will draw you in and his thoughtful consideration of life's complexities will allow you a glimpse of *An Endless Perspective of Life*

Seeking the Hidden God Jane Kopas,2005 *The Structure of Desire* by W F Lantry is a wonderful book of poetry for all those who have loved someone But it is infinitely more than just a book of love poems The author places his reader at a privileged crossroad of his poetic landscape that reveals the sanctum sanctorum of the multi faceted magic that results from loving another In this case Miranda who he describes as A miraculous being whose existence could be neither imagined nor predicted who insists she's just a mortal woman A protean changeling whose transformations if revealed would mystify the most jaded skeptic The center of a whirlwind A coloratura soprano Also by the grace of providence my wife Lovers of good poetry will find in Lantry a master craftsman of what can make the genre so powerful At such times as when this world obeys its own internal physical logic A world to which readers have traditionally escaped to read verses such as this where as in Plato's cave we are indirectly shown the emotional reality in the author's heart In this collection his reader will have models of the pre eminence of inspiration and talent Lantry had his formal curriculum well in hand and his technical tools sharpened but nothing could surpass or replace the immediacy of the authenticity of finding his ultimate muse Miranda She is the id e fixe that powers his drive to capture her presence Such as the de incarnate wind or the fleeting spark of a lover's glance Moments such as these permeate the best poems of this collection Great loves and talent have always found echoes and correspondences of each other in other art forms and other artists This book is an excellent example of this landscape

Sandra C. Hall, 2013-06 This book is about relationship and the joy of loving our Lord because He loves us for who we are not for who we think we should be This book is inviting you to set aside your bucket lists The poetry encourages you to slow down and to view God through the eyes of a child To remember when your only goal in life was to please Him and not the world Read the poems and lose yourself in the artwork that will take you to heaven and back This book is meant to be enjoyed by the whole spectrum of life from the very young right through to the old I should know I'm 61 as you share it with your loved ones It's about embracing the little child in us that God so fearfully and wonderfully made One look at the dynamic illustrations drawn by my niece Danielle Marie Robinson and you will feel inspired to sing praises to the Lord The poems were written as celebrations of key moments in the author's life that touched her very soul God never said keep his blessings to yourself so she shares her vision of being God's little instrument with you Enjoy and be blessed
