Carter,2022-03-17 I will begin by stating that my life expectancy with experience taught me how important it is to practice self care while holding on to my exposure of God s Word For a long time while growing into the woman I am today I had to recognize the lessons of being discipled and accountable There was a point in my life when I had to pay attention to the errors of my ways I had to face several difficult challenges from early motherhood to the death of my closest loved ones I always knew I had a gift of voice People would question it simply because I was such a quiet child But it was that small still voice that equally led me to be open to myself and to my family Writing became my process an outlet of having peace of mind I never imagined the significance behind speaking my truths I today am my own testimony something that I love and appreciate within God s highest power It is my hope that my readers allow my words to be used as a tool and as their helpmate in their season of uncertainty **God's Welcome:** Amy Oden,2008-05-01 God s Welcome is a different kind of how to book on hospitality one that studies the stories of God s welcome and takes seriously the culture of hostility that sometimes masquerades as Christianity Gather your small group or leadership group discussion guide included in the book and dig into the important work of gospel hospitality **I Am Clay** Teresa Cartwright Baldwin,2005-10-03 When I was a little girl no one told me about God No one told me that God loved me No one told me anything of the Lord faith or belief Looking back now I realize how much I wish they had This is my story the story of my personal journey with God I came to a point in my life that I just could not go on with things the way they were Perhaps you have wanted to know God more closely I hope that in some small way a poem story thought or prayer of mine blesses you I pray that some part of my journey ministers to your soul **Something More** Siobhan

Curham,2019-02-28 Have you ever wondered if there might be something more to life When Siobhan Curham decided to write a book about happiness there was only one small problem which became a massive problem as soon as she sat down to write she wasn't truly happy Not wanting to be a fraud Siobhan set out to discover the secret to true and lasting happiness Her quest took her on an unexpected path deep into the heart of the world's spiritual traditions Something More is a funny and moving account of Siobhan's journey as she found religion and promptly lost it again then went on to develop her own spiritual pick and mix of practises from Buddhist chanting Irish yoga Jewish philosophy and Reiki healing to connecting with her inner goddess and finding her shamanic spirit animal who it turns out was a large black talking horse Full of brutally honest anecdotes and age old wisdom Something More is for anyone who has ever thought about exploring their spiritual side and those who might feel disillusioned by organised religion but still crave that elusive something more After all who wouldn't want to find inner peace and everlasting happiness Real Near Death Experience Stories Randy Kay,Shaun
