persistence and character are certainly still required and Embracing Failure Your Key to Success is explicit about these But like the golfer who changes his grip before winning a dearly sought after first Major championship sometimes you need to see things a little differently to finally make that yearned for breakthrough to your own success Herein lies the true value of the material contained in Embracing Failure Your Key to Success Supporting the empowering acronym failure as a Fruitful And Informative Lesson Urging Renewed Effort the author cleverly uses illustrations and his own poetry before each chapter These make for an enlightening preview of the coming chapter The effect on your attention is as much entertaining as it is illuminating ensuring you get the chapter s intended message *Coming Back to Life* Valencia Hardaway,2011-05 After thirteen surgeries life support and staring death in the face Valencia Hardaway was given another chance at life This is a great book about one woman s journey through adversity It is also a story about faith and a strong will to help and inspire others Latoya Lucas Author *The Immeasurable Spirit* *Standing in the Gap* Gladys Blews Wilson,2011-08-25 All my life God the Father was standing in the gap created when my biological father gave up his quest to be reconciled with my mother However I didnt realize God was there for me until I was almost forty years old At that time I discovered a new reality of His presence when cancer invaded our family a frenzied teenager tried to kill our daughter Val our best friend was brutally murdered and we discovered a psychopath stalking our daughter Robin I believe the key to this new reality was starting each day by reading the Bible and making notes about what I thought God was saying to me Through this process I worked through my rebellion against a God who wanted to start the on going process of transforming my life into the image of His son Jesus Christ He waited patiently for me to open the door of my heart to His Lordship Are you entirely satisfied with your life or do you question the reality of you faith in the crucible of trials Have you wondered if life is fair or questioned why a loving God would allow pain and suffering *Standing in the Gap* will show you that God the Father is standing at the door of your heart right now He will never force His way in My prayer is that this book may empower you to make the most important decision of your life a decision to open the door [www betweenthesacredandthecommon com](http://www.betweenthesacredandthecommon.com) **Confessions: The**
