## **God Provides Victory Through G:**

*Seventh-Day Adventists, Ellen G. White, and Salvation* R. Van Orden, 2018-06-11 This book started out as an intense personal study by the author to evaluate and confirm his beliefs about God and salvation in regard to the teaching of the Seventh Day Adventist Church Why is it that so many Seventh Day Adventists do not have the assurance of salvation What criteria in the Bible and what specifically in Ellen G White s writings might lead someone to believe they were not fit for heaven that they did not qualify to be there that God would not forgive them and there was more required than just relying on Jesus s sacrifice to cover their sins If they did not meet a strict set of rules would God cast them aside in the end In this book you will find out just who are the saved who are the lost and what happens to them in the end and what end times will look like according to Ellen G White and the SDA Church The author estimates he has spent well in excess of ten thousand hours and has read over fifteen thousand pages of material over a seven year period in the preparation of this book It is the author s hope and prayer that this book will make the reader question not their belief in the saving grace of God and the loving sacrifice of Jesus but rather question anything that might have come between them and that grace

Grace Small, 2013-01-14 Gods Chosen Understanding Spiritual Warfare is a book that inspires encourages and teaches Christians to effectively manage warfare and live victoriously for Christ It offers Christians a fresh look at the basis of putting on God s full armor and learning to use the means God affords namely His strength and mighty power As Believers prepare to fight triumphantly against evil and wicked forces we come to an understanding of the challenge purpose and outcome of spiritual warfare Putting on God s armor and standing firm in Him amply equips us to fight offensively and defensively Knowing Jesus fixed the fight in our favor produces confidence to oppose the enemy and remain faithful to God Through conscious engagement in this fight we win against all odds In 2005 during prayer the Holy Spirit inspired me to write this book on spiritual warfare I was going through a precarious time and as usual I sought God in prayer and study of the Word The Holy Spirit led me to Ephesians 6 10 18 As I studied and meditated God moved me to begin writing on the subject of warfare During research and study I discovered there are not enough books addressing this phase of our journey Therefore I saw the need to press through varied attacks to produce this important work
