God should be bigger than we are Dreams change us Our dreams will cause us to stay focused against the odds We need to take notice of our dreams and visions if we belong to God The Word of God teaches us that God speaks to us through visions and dreams but we need to test them to see if they are of God 1 John 4 1 *Thus Saith the Lord* Min. Emmanuel Ramsey Buabeng,2022-08-05 Thus Saith the Lord By Min Emmanuel Ramsey Buabeng Thus Saith the Lord was birthed through the inspiration of the Holy Spirit In this book the author talks about the reasons why God speaks to his children the channels through which God uses to communicate to his people and finally how believers can fight the good fight of faith to bring into fulfillment those prophetic words they have received from the Lord This book is quite interesting and unique because there are a lot of books out there that only talks about how people can receive from the Lord but have never taken time through the inspiration of the Lord to highlight the importance of waging good warfare to bring those prophetic words into fulfillment There are a lot of believers out there who think God does not speak to his children They believe God only speaks to special people like pastors prophets apostles and others They have disqualified themselves from those people God speaks to and they even doubt a prophetic word they have received because they have not seen the fulfillment of those words Some even believe that they don t have to do anything about a prophetic word They think so far as God has spoken it it will surely come to pass It is therefore of prime importance to let believers know that things don t just happen You need to rise up and stand on the battlefield to wage the good warfare Believers will get to know that prophetic words never come into fulfillment until someone engages in intense prayers Visions in the Night Ruth McMillan Mayfield,2008-08 We hear every day of supernatural manifestations God is speaking to His people Are we listening Visions in the Night reveals a unique glimpse at how our loving God speaks to us through dreams and visions to teach encourage and bless Author Ruth Mayfield shares dreams she received from God over thirty five years along with scripturally sound interpretations which accompany each dream From apparent nightmares to visions of heaven the reader is taken on journey showing Ruth s progressive maturity in the Lord God s love grace and mercy shine through these pages Transparency and unwavering faith enable her to pass on to the reader her passionate desire to know God in more intimate ways The godly wisdom shared will bless you with insight of your own and cause greater awareness in you that our Heavenly Father is speaking to you everyday perhaps in Visions in the Night When God Speaks Chuck D. Pierce,Rebecca Wagner Sytsema,2011-08-31 Hearing the voice of God is not as difficult as some might think It may even happen without our realization As God has spoken throughout the ages He continues to speak today in many different ways including through an impression in a person s spirit or through a passage of Scripture or via a prophetic dream Since we were created to commune with God He longs for us to draw near to Him so that we can know His heart and understand His will for our lives **Dreams and Visions** Jennifer Truesdale,2023-07-27 Many people who read this book may think that it contains dreams that have no meaning They may even say to themselves God doesn t speak that way today They may even try to explain them away by saying When the Bible was finished God didn t need
