God, the Invisible King (Classic Reprint) H. G. Wells, 2017-09-16 Excerpt from *God the Invisible King*. His matter is modern religion as he sees it. It is only incidentally and because it is unavoidable that he attacks doctrinal Christianity. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. God the Invisible King Herbert George Wells, 2020-05-30 Perhaps all religions, unless the flaming onset of Mohammedanism be an exception, have dawned imperceptibly upon the world. A little while ago, and the thing was not, and then suddenly it has been found in existence and already in a state of diffusion. People have begun to hear of the new belief first here and then there. It is interesting, for example, to trace how Christianity drifted into the consciousness of the Roman world. But when a religion has been interrogated, it has always had hitherto a tale of beginnings, the name and story of a founder. The nascent religion that is now taking shape, it seems, had no founder; it points to no origins. It is the Truth, its believers declare, it has always been here; it has always been visible to those who had eyes to see. It is perhaps plainer than it was, and to more people, that is all. It is as if it still did not realise its own difference. Many of those who hold it still think of it as if it were a kind of Christianity. Some, catching at a phrase of Huxley's, speak of it as Christianity without Theology. They do not know the creed they are carrying. It has, as a matter of fact, a very fine and subtle theology, flatly opposed to any belief that could except by great stretching of charity and the imagination be called Christianity.

This book covers the author's conception of God aside from any religion. He does not come from a religious view in order to transmit the truest conception of God that he is capable of because any religion whatever it might be always claims God for itself in an exclusionary fashion. In other words, you must be a follower of the chosen faith before God will accept you into his kingdom. Wells rejects this view. Any man or woman who accepts God's love as one person connecting to their own creator is fine. An intermediary despite what they might crow from whatever pulpits they use is not necessary. We are all God's children. We are all seeking the same God, so to be dogmatic within a certain exclusionary faith is small minded and petty. If you want to grow up spiritually then this book is for you. This book sets out as forcibly and exactly as possible the religious belief of the writer. That belief is not orthodox Christianity; it is not indeed Christianity at all. Its core nevertheless is a profound belief in a personal and intimate God. There is nothing in its statements that need shock or offend anyone who is prepared for the expression of a faith different from and perhaps in several particulars opposed to his own.
