

The background of the image is a landscape photograph. It shows a series of dark, silhouetted mountain ranges in the foreground and middle ground. The sky above is filled with soft, white and grey clouds, and the light from the sun, which is not visible, creates a warm, golden glow across the entire scene, particularly near the horizon.

Lawson, Joel Beeke, Richard D. Phillips, Phil Johnson, Jim Elliff, Kenneth Talbot, Bruce Bickel, 2015-03-16

The authors in this compilation address the issue of legalism from a variety of angles John MacArthur shows first that obedience to God is not an issue of legalism but an issue of love In his second chapter he deals with the inevitable response of people who are confronted with Biblical standards Judge not that ye be not judged Here MacArthur shows what our Lord meant when He said that and shows what biblical discernment really is that there is a vast difference between judgmental and holding people accountable to God s standards Phil Johnson in his first chapter deals with Christian liberty In his second chapter he takes a critical look at two kinds of legalism then explores the relationship of Christian love and Christian liberty Joel Beeke shows that enthusiasm for God s law is not necessarily legalism One can be zealous without being legalistic As David wrote Oh how I love Thy Law Bruce Bickel explains that legalism is due to a weak understanding of what Christ accomplished on the cross Jim Elliff makes clear that legalism is an attack on unity within the Body of Christ particularly local congregations Ken Talbot helps us to see that legalism is inconsistent with and incompatible with the doctrine of justification by faith alone He points out that the doctrine of free will leads to this dangerous position Rick Phillips explores the relationship to loving God and obeying His law Some today believe that love is all that matters and that the law as a guideline to love is extinct Then this author shows that Biblical sanctification is the antidote to and the opposite of legalism Steven J Lawson shows that legalism is the result of holding to man made traditions over the truth of God s Word Second he points out how dangerous and deadly a thing legalism is and why Table of Contents 1 Introduction What Legalism Is What Legalism Does Don Kistler 2 Truth Vs Tradition Stephen J Lawson 3 Love and God s Law Richard D Philips 4 The Cross Is Enough Bruce Bickel 5 The Danger of Legalism Steven J Lawson 6 Obedience Love or Legalism John MacArthur 7 Zealous But not Legalistic Joel Beeke 8 The Plague of Free Will Moralism Kenneth Talbot 9 Judging Vs Biblical Discernment John MacArthur 10 Stand Fast in Liberty Phil Johnson 11 Real Love and Real Liberty Phil Johnson 12 What Freedom From the Law Accomplishes For the Local Church Jim Elliff 13 Biblical Sanctification The Antidote to Legalism Richard D Philips

First and Second Chronicles Andrew E. Hill, 2003 The Chronicles are more than a history of ancient Israel under the ascent and rule of the Davidic dynasty They are a story whose grand theme is hope Great battles are fought heroes and tyrants vie for power Israel splits into rival kingdoms and the soul of God's holy nation oscillates between faithlessness and revival Yet above this tossing sea of human events God's covenant promises reign untroubled and supreme First and Second Chronicles are a narrative steeped in the best and worst of the human heart but they are also a revelation of Yahweh at work forwarding his purposes in the midst of fallible people God has a plan to which he is committed Today as then God redirects our vision from our circumstances in this turbulent world to the surety of his kingdom and to himself as our source of confidence and peace Exploring the links between the Bible and our own times Andrew E Hill shares perspectives on 1 and 2 Chronicles that reveal ageless truths for our twenty first century lives Most Bible commentaries take us on a one way trip from our world to the world of the Bible But they leave us there assuming that we can somehow make the return journey on our own They focus on the original meaning of the passage but don't discuss its contemporary application The information they offer is valuable but the job is only half done The NIV Application Commentary Series helps bring both halves of the interpretive task together This unique award winning series shows readers how to bring an ancient message into our postmodern context It explains not only what the Bible meant but also how it speaks powerfully today
