Godly Wisdom For Prosperity:

Godly Wisdom for Prosperity Jerry Savelle, 1981-07 *Biblical Faith Meets Financial Strategy, 2nd ed.* Johnny McWilliams, 2022-09-20 Prosperity resides where prayerful planning financial freedom and radical relationships intersect Do you have a healthy connection with all financial matters Have you ever wondered what the Bible has to say about money Do you want to know the best way to build wealth Would you like to have contentment in every aspect of life at work and home with family and friends at church and in your community Do you want to know how to better manage money The scriptures teach us to be in a relationship with God Your Heavenly Father wants you to live a prosperous life and build wealth The Bible teaches you the proper way to handle those finances The final four chapters of this book will show you how financial prosperity and the fruit of the Spirit intersect Once you understand and begin living by these foundational truths your heart will overflow with love joy and peace Your actions will be purposeful with patience kindness and goodness And your thoughts will be faithful and meek with self control These are not only Christian financial concepts and principles these are financial truths It s time for you to RECOVER GROW and ZERO IN on your financial target Here are some of the faith strategy intersections you will read about and be able to apply immediately Your dreams Your life Prayer Patience Your destiny God s will King Jesus Servant Jesus Your Purpose Your Position The INTERSECTION series includes the titles below *Biblical Faith Meets Financial Strategy 2nd ed* *How to Lay a Solid Foundation for Prosperity* *God s Ownership Meets Money Management* *How to Be a Good and Faithful Steward* *Divine Provision Meets Generosity Planning* *How to Live Life to the Fullest While Richly Giving* and the following companion for a deeper study *Setting Your Sights on the Intersection 90 Day Devotional Journal* About the book series INTERSECTION Where God s Wealth Meets God s Wisdom Imagine yourself at the shooting range aiming at a target To ensure your aim is accurate you look for a calibrated point of reference There are two engraved lines to give you a single place to focus on when aiming at a target The two lines cross at this spot and create what is known as crosshairs Crosshairs are composed of two wires or lines one parallel and the other perpendicular to the horizon The area that you are focused on is where the two lines intersect The objective is to align the crosshairs with the bullseye Aiming to hit the bullseye requires precision and using the simple principle of intersecting lines you can easily pinpoint that target When peering through the scope of your financial future the strategy is the same The two dimensions are God s Wealth vertical and God s Wisdom horizontal Once you have these two crosshairs in focus and zeroed in you can aim right at the center of your target and hit it consistently If you want to pinpoint your financial destiny you need to zero in on your target not someone else s mark The simple tool needed for pinpoint accuracy is the crosshairs and one of the most critical steps is knowing where you are aiming The blessings come where the two lines meet Get ready to manage money according to the Word of God and live a prosperous life **Prosperity Is the Whole Gospel** Blessing Okechukwu Ezema, 2013-10-18 The word prosperity has been misunderstood by many to mean only increase in material possessions However both the dictionary
