Easiest Guide to Bible Study Manny Piedad Mullaneda, 2021-02-01 Of all the books ever written none contains lessons so instructive precepts so pure or promises so great as the Bible There is nothing that so convinces the mind of the inspiration of the Bible as does the reading of the Bible itself As guide the Bible is without a rival It gives a calm peace in believing and a firm hope of the future It solves the great problems of life and destiny and inspires to a life of purity patience and well doing It fills the heart with love for God and a desire to do good to others and thus prepares one for usefulness here and for the home in heaven It teaches the value of the soul by revealing the price that has been paid to redeem it It makes known the only antidote for sin and presents the only perfect code of morals ever given It tells of the future and the preparation necessary to meet it It makes us bold for the right

and sustains the soul in adversity and affliction It lights up the dark valley of death and points to a life unending The Bible was written by thirty five or forty men over a period of some fifteen hundred years The books are called word of God or the scriptures Luke 8 21 Matthew 21 42 Bible Study Made Easy consists of questions asked concerning some subjects and answers to them from the Bible It s a topical study of the Bible which will be found an excellent aid to private family and public study

The House That God Built Zebedee King,2016-02-27 By looking at the nightly news and simply observing for themselves the denigration of homes and communities across our country many would agree that family foundations are cracking and shifting out of place This has resulted in untold devastation within the home and our other social systems therefore many households and lives have simply given way and collapsed under the weight of a host of societal pressures Many believe that a generation of social experimentation along with our cultures fixation at redefining virtually every foundational institution especially the first human institution marriage are responsible for placing the family and society on very shaky ground indeed leaving a very dubious moral and economic legacy for successive generations When cracks begin to appear upon the walls of a house it may indicate a shifting or damaged foundation which may indicate poor foundation work As a result builders typically reexamine the blueprints the master plan to determine the manner and materials with which the house and foundations built in order to pinpoint and repair a weak or damaged foundation It is the authors conviction that in many households within society weak or faulty spiritual and moral foundations have been laid resulting in the cultural cataclysm we witness throughout our land In his book *The House that God Built Gods Master Plan for Marriage and His Blueprint for Blessing Book One of his Strong Foundation for Strong Families* series the author discusses the need for a RE Vision of marriage and the family but not by redefining replacing or removing these honorable foundations and pillars which have supported societies from the beginning of time Rather by employing the word RE Vision he calls for a refocus a fresh new look at Gods original design for the marriage and family This plan is found in Gods Holy Word specially the first two chapters of the Book of Genesis because this

he feels is where marriage family and social systems began Therefore the book is a thorough exposition of the first chapters of Genesis which explore the motivations and the methods through which God Himself built His house the heavens and the earth This study provides keen spiritual and practical insights as to how we can build our homes according to Gods plans so as to receive His best blessings upon our homes and upon our communities [DUNIA E-Magazine 10th Edition](#) ,
