Gods Final Envoy Early Christianity And Jesus Own View Of His Mission:

God's Final Envoy Marinus de Jonge,1998 In this intriguing study Dutch scholar Marinus de Jonge examines Scripture in an attempt to discover Jesus own understanding of himself and his mission **The Pseudepigrapha and Christian Origins** Gerbern S. Oegema,James H. Charlesworth,2011-12-22 In the Seminar The Pseudepigrapha and Christian Origins of the Studiorum Novi Testamenti Societas chaired from 2000 to 2006 by Professors James H Charlesworth Princeton and Gerbern S Oegema McGill the relation between the Pseudepigrapha and the New Testament has been discussed systematically and intensively in a way never seen before The Pseudepigrapha investigated included the Old Testament ones and those found in the Qumran as well as the Pseudepigrapha of the New Testament and the ones used in the Early Church The seminar and its participants who were all internally renowned experts from around the world have focused on the use adaptation reinterpretation and further development of non canonical traditions except for Philo Josephus the Essene and early Rabbinic writings in the canonical writings of Early Christianity The seminar has met in total five times in various locations while systematically being arranged around the following topics The Pseudepigrapha and the Synoptic Gospels the Gospel of John the Epistles of Paul the Other New Testament Writings and the Revelation of John **Jesus and Paul in the Context of Judaism and Early Christianity** Donald A. Hagner,2025-03-27 In the late nineteenth century Jewish scholars began to be interested in Jesus and eventually Paul as important figures in the history of the Jewish people Rightly understood they argued Jesus and Paul belonged more to Judaism than to Christianity as even radical critical Christian scholars were concluding The earliest believers in Jesus were exclusively Jews forming something like a new sect within Judaism The emergence of the Christianity of the New Testament soon became a focus of attention for Jewish scholars and with this a host of questions arose such as about the influence of Hellenism the parting of the ways the widespread Christian misperception of Judaism the tragedy of anti Semitism and the identity of Jesus as Messiah and Lord The present essays address these and other issues maintaining throughout the tension of continuity and discontinuity and stressing the underappreciated radical newness of the New Testament Jesus and His Promised Second Coming Tucker S. Ferda,2024-09-12 In this pioneering study of Scripture and reception history Tucker S Ferda shows that the hope for Jesus s second coming originated in his own message about the coming of the kingdom after a time of distress Most historical Jesus scholars take for granted that Jesus s second coming was invented by his zealous early followers In Jesus and His Promised Second Coming Tucker S Ferda challenges this critical consensus Using innovative methodology Ferda works backward through reception history to Paul and the Gospels to argue that the hope for the second coming originated in Jesus s own grappling with the prospect of death and his conviction that the kingdom was near he expected a return that would coincide with the final judgment and the end of the age within the space of a generation Ferda also makes a major contribution to the reception history of the Bible shedding light on how Christians distinguished their faith from Judaism by deriding Jewish

messianism as earthly minded and militaristic In the early modern period critics found an expedient way to distance Jesus from this caricature of Jewish messianism they pinned the expectation for the second coming on Jesus s early followers A new appreciation for the diversity of Judaism and messianism in the Second Temple period makes possible a fresh reconstruction of Jesus Bold and historically astute Jesus and His Promised Second Coming breathes new life into a long stagnant conversation It also offers readers fresh insight into the history of Jewish Christian relations Students and scholars of the New Testament will need to read and engage with Ferda s provocative argument

Early Jewish Messianism in the New Testament Serge Ruzer,2020-07-13 In Early Jewish Messianism in the New Testament Serge Ruzer takes a new tack on the investigation of early Christian polemical strategies against the backdrop of Second Temple Judaism Complementing traditional inquiry on the subject Ruzer focuses on those elements of Messiah and Christ centered ideas that bear witness to patterns of broader circulation namely the Jewish messianic ideas that provided the underpinning for the identity making moves of Jesus early followers The volume suggests that such attempts can be expected to reflect eschatological ideas of the Jewish Other Exploring cases where the New Testament shows itself an early witness for belief patterns found in contemporaneous or only later rabbinic sources this volume reveals a fuller picture of Second Temple Jewish messianism

Constructing Jesus Dale C. Allison, Jr.,2010-11-01 Best Book Relating to the New Testament 2011 Biblical Archaeology Society BAS Publication Award What did Jesus think of himself How did he face death What were his expectations of the future In this volume now in paperback internationally renowned Jesus scholar Dale Allison Jr addresses such perennially fascinating questions about Jesus The acclaimed hardcover edition received the Biblical Archaeology Society s Best Book Relating to the New Testament award in 2011 Representing the fruit of several decades of research this major work questions standard approaches to Jesus studies and rethinks our knowledge of the historical Jesus in light of recent progress in the scientific study of memory Allison s groundbreaking alternative strategy calls for applying what we know about the function of human memory to our reading of the Gospels in order to construct Jesus more soundly

Jesus and the Gospels, Third Edition Craig L. Blomberg,2022-11-15 In Jesus and the Gospels New Testament scholar Craig Blomberg immerses the reader in the historical and cultural world of Gospel narratives for them to better understand and appreciate their focal point Jesus of Nazareth

The Boundaries of Monotheism Anne-Marie Korte,Maaïke De Haardt,2009 What is the significance of monotheism in modern western culture taking into account both its problematic and promising aspects Biblical texts and the biblical faith traditions bear a continuous polemical tension between exclusive and inclusive perceptions and interpretations of monotheism Western monotheism proves itself to be multi significant and heterogeneous producing boundary setting as well as boundary crossing tendencies is the common thesis of the authors of this book who have been collectively debating this theme for two years in an interdisciplinary scholarly setting Their contributions range from the fields of biblical and religious studies history and philosophy of religion systematic theology to gender studies in theology and

religion The authors also explain the particular contribution of their own theological discipline to these debates *The New Mormon Challenge* Francis Beckwith, Carl Mosser, Paul Owen, 2002 Written by an international team of respected Christian scholars this freshly researched rebuttal of Mormon doctrine will aid those sharing the gospel with Mormons and those investigating Mormonism on their own Jesus Christ in World History Jan A. B. Jongeneel, 2009 Based on the author's thesis Th D Leiden University 1971 **Mapping the New Testament** Serge Ruzer, 2007 This volume consists of eight chapters dealing with a selected topic in New Testament biblical interpretation its inherited elements and its relevance for better understanding of wider Jewish exegetical trends *Jesus and Israel's Traditions of Judgement and Restoration* Steven M. Bryan, 2002-05-02 Jesus and Israel's Traditions of Judgement and Restoration examines the eschatology of Jesus by evaluating his appropriation of sacred traditions related to Israel's restoration It addresses the way in which Jesus' future expectations impinged upon his understanding of key features of Jewish society Scholars have long debated the degree to which Jesus' eschatology can be said to have been realized This 2002 book considers Jesus' expectations regarding key constitutional features of the eschaton the shape of the people of God purity Land and Temple Bryan shows that Jesus' anticipation of coming national judgement led him to use Israel's sacred traditions in ways that differed significantly from their use by his contemporaries This did not lead Jesus to the conviction that Israel's restoration had been delayed Instead he employed Israel's traditions to support a different understanding of restoration and a belief that the time of restoration had arrived **Handbook for the Study of the Historical Jesus (4 Vols)** Tom Holmén, Stanley E. Porter, 2011 V 1 How to study the historical Jesus v 2 The study of Jesus v 3 The historical Jesus v 4 Individual studies Jewish Ways of Following Jesus Edwin Keith Broadhead, 2010 In this study Edwin K Broadhead's purpose is to gather the ancient evidence of Jewish Christianity and to reconsider its impact He begins his investigation with the hypothesis that groups in antiquity who were characterized by Jewish ways of following Jesus may be vastly underrepresented misrepresented and undervalued in the ancient sources and in modern scholarship Giving a critical analysis of the evidence the author suggests that Jewish Christianity endured as an historical entity in a variety of places in different times and in diverse modes If this is true a new religious map of antiquity is required Moreover the author offers a revised context for the history of development of both Judaism and Christianity and for their relationship Subversive Meals Streett R Alan, 2016-11-24 In *Subversive Meals* Alan Streett follows on from James C Scott's idea of a hidden transcript to argue that the Lord's Supper was a subversive non-violent act against the Roman Empire Primarily through exegesis of the writings of Luke and Paul Streett examines the political nature of the meal in the context of first century Roman domination In his widely researched argument Streett illuminates for the reader why understanding the Lord's Supper as a purely symbolic act overlooks the political significance it would have had in the first century CE *Subversive Meals* analyses how the structure of the Lord's Supper followed that of a Roman banquet by having a *deipnon* and a *symposium* the latter being the time when anti-resistance discussions would take

place Streett examines several aspects of the history context and theological significance of the Lord's Supper. He discusses such topics as the identification of Passover as an anti-imperial meal against the Pharaoh's rule, the Roman domination system, the meal practices of Jesus, the eschatological meaning of the Last Supper, the practice of this anti-imperial work ethic in the early church, and the gift of prophecy as a symposium activity. By seeing the Lord's Supper as a political act, readers will be able to study Scriptural passages more closely and precisely.

Opening the Scriptures Bringing the Gospel of Matthew to Life George Martin, 2014-08-20. Ask and it will be given to you; seek and you will find; knock and the door will be opened to you. Matthew 7:7. Asking, seeking, and knocking are three imperatives Jesus gave his disciples and us in order to grow fully in our Faith and be true disciples of Jesus. Scripture reading and study is an important part of that path to discipleship and offers us opportunities to ask for clarity, to seek the truths of the Bible, to knock, asking Christ to come into our hearts. George Martin, prolific writer on Scripture and author of *Bringing the Gospel of Luke to Life* and *Bringing the Gospel of Mark to Life*, now brings Matthew's Gospel into sharp focus in a verse-by-verse commentary. Martin gives readers the context of the first-century meaning and what it means to us today. Reflection questions help us to apply the biblical texts to our own lives. This book is perfect for anyone who wants to learn more about the Gospel of Matthew as well as priests, deacons, catechetical leaders, Bible study leaders, Scripture teachers, or seminarians. Let George Martin bring the Gospel of Matthew to Life for you today.

God's Kingdom and God's Son Robert Rowe, 2018-12-10. How is the kingdom of God related to Messianic kingship or divine sonship? Starting from what he terms a two-tier kingship in the Psalms, Robert Rowe explores the linkage of these terms in Mark's Gospel. The linked concepts, God's kingship and Davidic Messianic kingship, are traced from the Psalms and Isaiah 40:66 through the Dead Sea Scrolls and other inter-testamental documents into Mark's Gospel. Mark's characterization of Jesus as Messiah is shown to centre around four royal Psalms: 2, 22, 110, 118. Contributing to the continuing study of the Old Testament in the New, Rowe argues that the concepts of God's kingdom and the Messiah are inherently closely related. This has importance both for the study of the historical Jesus and for Mark's presentation of God and Jesus in his Gospel.

Introducing Paul Michael F. Bird, 2014-06-18. Michael F. Bird suggests that if the Paul we claim to know looks and sounds a lot like us, it's probably a sign that we don't know him as well as we think. In this book, Bird offers an animated and penetrating survey of Paul's life and teaching, including the principal issues and themes in Paul's theology.

The Nonviolent Messiah Simon J. Joseph, 2014. When scholars have set Jesus against various conceptions of the messiah and other reemptive figures in early Jewish expectation, those questions have been bound up with the problem of violence: whether the political violence of a militant messiah or the divine violence carried out by a heavenly or angelic figure. Simon J. Joseph enters the wide-ranging discussion of violence in the Bible, taking up questions of Jesus of Nazareth's relationship to the violence of revolutionary militancy and apocalyptic fantasy alike, and proposes an innovative new approach. Missing from past discussions, Joseph contends, is the unique conception of an Adamic redeemer figure in the Enochic material, a

conception that informed the Q tradition and he argues Jesus own self understanding Christian Eschatology and the Physical Universe David Wilkinson, 2010-05-27 Does matter matter The scientific picture of the end of the physical Universe has undergone dramatic changes since the turn of the 21st century with its future characterized by accelerated expansion and futility Yet Christian theology has been largely silent on this despite the interest in eschatology in popular culture and in theology itself What can Christian theology learn from and contribute to the scientific picture of the future of the Universe Can the biblical narratives of creation and new creation have a fruitful dialogue with scientific discoveries David Wilkinson shows what a fruitful dialogue this can be Critiquing the folk eschatology of the Left Behind series the misguided faith of the scientific optimists and the lack of scientific engagement of the theologians of hope Wilkinson argues for a rediscovery of the theological theme of new creation and the centrality of bodily resurrection
