Anthony Sheffield,2017-03-09 Every concerned citizen will enjoy and be very encouraged by the good and accurate historical records of the United States of America Lies have infiltrated so vastly and so deeply into the society that even the educational institutions have become deceived and warped so that the students are then receiving passed down versions that are as said lies Some folk are deceived innocently some willingly some know it and want it Many folk are so busy with all the cares of life that they passively accept it A false peace has set in and yet it is not peace as we are so alertly observing Values of the heart need care as to whether they are right values and those values are then displayed by posts of the government Every citizen needs to know what the true historical experience and record is what governmental structure was established in the USA what it is all about and how it really is and operates Because we are all interested in the spiritual activity of life then we will be so inspired therein This is a very different and correct account of the real USA Government its history and its establishment *The Existence and Attributes of God Vol. 1* Stephen Charnock,2023-12-01 The Existence and Attributes of God is a significant theological book written in the 17th century by Stephen Charnock a Puritan preacher and theologian This edition of The Existence and Attributes of God Vol 1 is both current and legible with an eye catching new cover and professionally typeset manuscript Some stories are gruesome and bizarre while others softly creep up on you and pull you in This massive dissertation is divided into two parts with each volume delving into essential aspects of God s nature and qualities In the first volume Charnock conducts a thorough analysis of God s existence To establish the existence of an all powerful everlasting and transcendent Creator he digs into philosophical arguments historical viewpoints and scripture allusions The thorough examination of Charnock addresses problems about the origin of the universe and the requirement of a divine person Throughout the book Charnock s language is distinguished by a great reverence for God and a commitment to logical religion investigation He provides theological arguments in a systematic and logical manner that is understandable to both intellectuals and laypeople *The Ministry of the Word, Vol. 24, No. 01* Various Authors,2020-01-01 This issue of The Ministry of the Word contains a complete record of the twelve messages given during the semiannual training held December 23 28 2019 in Anaheim California on the crystallization study of Deuteronomy The key statements in the following section embody and summarize the crucial truths and main burdens in these twelve messages These training messages are being published immediately following the training in order that they might benefit the saints participating in the many video trainings that are held throughout the earth The Reports and Announcements section contains An Update concern ing Europe and Announcing a New Website ShepherdingWords.com Also included is information concerning upcoming conferences and train ings hosted by Living

Various Authors,2008-01-01 This issue of The Ministry contains a complete record of the twelve messages given during the 2007 winter training on the Crystallization study of 1 and 2 Peter and Jude held December 24 29 in Anaheim California The crucial truth and burden embodied in these twelve messages may be summarized in four statements 1 In Christ s death we have been separated from sins and in His resurrection we have been enlivened so that we might live to righteousness under the government of God 2 We must redeem the time to enjoy Christ as the supreme preciousness of God so that He can build Himself into us to make us His spiritual house and His holy and royal priesthood for the accomplishment of His heart s desire 3 We should be diligent to pursue the growth and development of the divine life and divine nature for a rich entrance into the eternal kingdom 4 As we are contending for the faith enjoying the Blessed Trinity and taking the way of rapture by giving heed to the prophetic word our trust is in our precious Lord and God as the One who is able to guard us from stumbling and to set us before His glory without blemish in exultation These messages are being published immediately following the training in order that they might benefit the saints participating in the many video trainings that are held throughout the earth The Reports and Announcements section includes two reports related to the Lord s move to Europe and an announcement related to upcoming conferences and trainings **The Holy Word for Morning Revival - The Will of God**

Witness Lee,2020-04-06 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the International Training for Elders and Responsible Ones held in Anaheim California on March 27 29 2020 The general subject of the training was The Will of God Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ *The Millennial Harbinger Abridged* ,1902 **Deep Spiritual Science** Richard L. Life-study of James and the Epistles of Peter Witness Lee,2023-09-27 In Life study of James Witness Lee emphasizes two key points related to the Epistle of James first that the believers must progress in practical Christian perfection and second that the believers must be careful not to cultivate such perfection without a clear vision concerning the law and grace of God in God s New Testament economy In Life study of First Peter he describes the Christian life under the government of God with its high demand and in Life study of Second Peter he details the divine provision that supplies the believers with all that they need to meet that high demand The Ministry of the Word, Vol. 24, No. 05 Various Authors,2020-06-01 This issue of The Ministry of the Word contains the eight messages of the international training for elders and responsible ones hosted by Living Stream Ministry on March 27 29 2020 The messages were provided via webcast from Anaheim California and the mutual fellowship prophesy ing and studying by groups were practiced locally in the various churches that participated The general subject of this series of messages is The Will of God God created the universe to fulfill His eternal purpose based on

His determined will Ultimately God's will in the universe is to head up all things in Christ through the church as the Body of Christ God's working throughout the ages according to His economy will issue in the heading up of all things in Christ in the new heaven and new earth for eternity We can know God's great and lofty will and participate in His economy to head up all things in Christ In order to be headed up in Christ we need to grow up into Christ the Head in all things in big things and small things both in our daily life and in our work The way we participate in God's will and work together with Him to carry out His will is by our prayer for God's will to be done on earth God's people must pray before God will move on earth to accomplish His will Whenever God's people place their will in harmony with God's will the will of God will be done on earth as in heaven Since God's great will is to head up all things through the church as the Body of Christ the believers in Christ need to practice the Body life that is to have the living of the Body of Christ We need to live a life according to God's heart and will by daily enjoying Christ as the reality of all the offerings for the divine goal of the Triune God The will of God is also our sanctification To be sanctified is to be made holy which is to be separated unto God and saturated with God as the Holy One Sanctification is for sonship actually sanctification is God's sonizing The divine sanctification is the holding line in the carrying out of the divine economy to divinely sonize us making us sons of God that we may become the same as God in His life and in His nature but not in His Godhead so that we may be God's expression We need to do the will of God in the realm that carries out His will the kingdom of God We do the will of God in the kingdom of God of which the central government is the enthroned Son of Man Jesus who is Lord of all When we do the will of God in the kingdom of God under the government of God the church becomes the Israel of God which fulfills God's commission to subdue the earth to exercise dominion and to represent God with His authority As the Israel of God we represent God exercise His authority and carry out His administration on earth for the fulfillment of His purpose If we take the Father's will upon us as a yoke and learn from Him we will find rest for our souls Hence in the church age we need to enjoy Christ as our rest our perfect peace and full satisfaction in order to be His expression and representation on earth When there is a situation on earth in which man expresses God and represents Him that situation is a Sabbath rest to God Everything of God's economy is not a heavy burden but an enjoyment The Lord's yoke the Father's will is easy and His burden the work to carry out the Father's will is light It is a divine principle that God does not ask us to work until we have had rest and enjoyment It is in a full enjoyment with Him and of Him that we can work together with Him A central aspect of God's will is the church which is the assembly of the called out ones As such the meetings of the church are crucial to the carrying out of God's will Our doing God's will depends on our knowing His will and it is in the meetings that God makes His will known to us Since the Christian life is a meeting life and much of the Lord's work is carried out in and through the meetings we should regard the meetings as being of great importance The goal of our meeting together is to exhibit Christ therefore our Christian meetings should be an exhibition of our experience of Christ in our daily life Since the Father's eternal will and the desire of His heart are to build up the church

as the Body of Christ we do His will by functioning in the meetings according to the scriptural way to meet for the building up of the Body The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe

The Existence and Attributes of God, Volume 7 of 50 Greatest Christian Classics, 2 Volumes in 1 Stephen Charnock, 2008-09 The Existence and Attributes of God comprises the first two volumes of the works of Stephen Charnock 1628-1680 an English puritan divine who was highly skilled in philosophy patristics Reformed theology and Biblical languages These volumes are his abiding monument They are worthy of being compared with the finest in theology When the existence and attributes of God are called into question to whom else can we better go than to Stephen Charnock those things revealed belong to us and to our children forever The material that Charnock discusses is firmly founded in the Word of God Both the Old Testament and the New emphasize these two things First we should study the whole revelation not just some easy or favorite parts of it secondly the study of God's attributes is not dry as dust theology but is practical that is it leads to righteousness Dr Gordon H Clark from a preface to this great work in a Sovereign Grace edition 1958 One of the greatest tragedies in these spiritually starved times is the sad fact that most Christians know so very little about their God It is often said that this is simply because these volumes are exhaustive on the subject Yet it is clearly filled with sublime expositions of the truth regarding God's existence and attributes Charnock displays God's attributes not as impersonal abstractions for the mind to juggle with but as qualities observable in the concrete actions of the living God of which the Bible speaks The technical terms and sometimes arguments of scholastic theology are employed but always with a Biblical orientation Charnock has no desire to speculate but only to declare the works and ways the nature and character of the God of the Bible The substance of his doctrine is characteristically Puritan and representatively Reformed Dr James I Packer in The Encyclopedia of Christianity Volume II p 410 The possessor of these rare volumes will be blessed by getting acquainted with the incomparable God and thereby will reach a higher plane of spiritual enjoyment never attained before To know Him better is to love Him more

The Ministry of the Word, Vol. 23, No. 10 Various Authors, 2019-10-01 This issue of The Ministry of the Word contains the final nine messages given during the spring 2019 term of the full time training in Anaheim California The general subject of this series of messages is The Wonderful Christ in the Canon of the New Testament In these nine messages we continue to

consider aspects of the wonderful Christ in the New Testament In Message 9 we see that Christ is our new Husband Our old man has been crucified to the law through the body of Christ so that we might marry another husband Christ who has been raised from the dead This joining indicates that in our new status as a wife we have an organic union in person name life and existence with Christ in His resurrection now we are married to Christ our new Husband Since Christ is our Husband we must depend on Him and take Him as our Head our person and our life In Message 10 we see that the Man Savior s ascension was His inauguration into His heavenly office In His heavenly ministry in ascension Christ is serving us by dispensing Himself as the reality of the New Testament jubilee into us for our enjoyment In Message 11 we see that because Christ is the reality of God with the divine attributes the reality of humanity with all the human virtues and the reality of every positive thing in the universe God s intention in His economy is that this Christ would become everything to us The will of God is one person Christ one way the cross and one goal the church as the Body of Christ and the one new man The way we should take is the way of opening our being to the all inclusive extensive Christ and allowing Him to make His home in us saturate us permeate us reproduce Himself in us and fill us to overflowing until we put off our culture and every natural element so that Christ is all and in all In Message 12 we see that we need to know and experience Christ as our kingly and divine High Priest according to the order of Melchizedek As the King He has the scepter to rule over the earth and to manage our affairs and as the High Priest He is interceding for us and taking care of our case before God As the kingly High Priest according to the order of Melchizedek Christ ministers to us the Triune God who was processed through incarnation human living crucifixion and resurrection signified by the bread and the wine as our life supply so that we may be saved to the uttermost in order to fulfill God s eternal purpose In Message 13 we see that we should live a Christian life under the government of God It is Christ who enables us to take God s governmental dealings administered through sufferings As we live the Christian life under the government of God we experience the pneumatic Christ as the Shepherd of our souls who oversees our inward condition caring for the situation of our inner being our mind emotion and will and our problems needs and wounds restoring our soul and giving rest to our soul so that we may have the full enjoyment of Him In Message 14 we see that Christ as the faithful Witness of God the testimony and expression of God is for the testimony of Jesus the church as the corporate expression of the Triune God As such the church is the reproduction of the testimony and expression of God in Christ The testimony of Jesus is the seven golden lampstands The golden lampstand symbolizes the Triune God the Father as the substance is embodied in the Son the Son as the embodiment is expressed through the Spirit the Spirit is fully realized and expressed as the churches and the churches are the testimony of Jesus Hence the seven golden lampstands are the enlarged corporate expression of the Triune God In Message 15 we see that Christ is the Lamb whom the firstfruits the living overcomers follow The firstfruits are the earliest among God s crop to reach maturity and will be raptured to the house of God in Zion for God s satisfaction and enjoyment In order for us to follow the Lamb and go on to maturity to become the

firstfruits we must walk with God by faith to escape death and obtain the testimony of being well pleasing to God In Message 16 we see the Lamb God on the throne within the holy city The throne of God and of the Lamb is the center of the New Jerusalem Out of the throne of the Lamb God flows the river of water of life When we are under Christ s kingship headship lordship and authority we enjoy the river of water of life and the tree of life The highest point in our spiritual experience is having a clear sky with God s throne above it to reach this point means that we allow God to have the preeminence in everything and are completely submissive to His authority and administration In Message 17 we see the ultimate revelation of Jesus Christ and the vision of the enthroned Christ as the Administrator in God s universal government As those who seek to know Christ and experience Him we have not only Christ but also the revelation of Jesus Christ The book of Revelation unveils a vision of the enthroned Christ as the Administrator in God s universal government Christ is the center of God s administration according to God s eternal economy In His economy God administers the universe to fulfill His purpose The unveiling of God s universal administration shows that the will the purpose of God in His creation is to have an eternal habitation the New Jerusalem for His satisfaction and expression The Lord Jesus has been enthroned to execute God s governmental administration in the universe The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe

God s Grand Design is to restore mankind to its original state of sacred perfection after Adam and Eve fell and created the original sin of disobedience hiding and lying to the Lord When God cursed the serpent for tempting Adam and Eve to be like God he promised to send his only begotten Son to save humanity He did via the incarnate word in the womb of the immaculately conceived Virgin Mary God wants to be man and receive a new body to defeat death through Jesus Christ Man wants to become God to receive eternal life Man s journey to become God starts from being an ignorant baby gaining knowledge to a cowardly teenager obtaining courage to an adult converting greed to generosity to a wise man changing selfishness to unselfishness and at last to a free man able to think for himself in eternal service to God in his kingdom The journey requires him to know right from wrong good from evil and God s will from man s will and thus defeat evil worldly temptations and demonic possession Through Christ God and man are destined to become one through three advents making the God Man Christ into the new human spirit blessings Then the Man God Jesus becomes the new human flesh to make all things perfect in the sight of God Jesus Christ came as a priest on a donkey to decode the Torah bring knowledge and remove blindness to defeat sin By his death and resurrection he granted free redemption to man s flesh to give him a new body The second coming of Jesus Christ as thief in the night will bring awakening to remove deafness by teaching God s truths to defeat evil As a just judge on a cloud on his third advent the Lord will remove mankind s dumbness to defeat death And then
