Gods Last And Only Hope The Fragmentation Of The Southern Baptist Convention

Fisher Humphreys

Gods Last And Only Hope The Fragmentation Of The Southern Baptist Convention:

God's Last and Only Hope Bill J. Leonard, 1990 *In the Name of the Father* Carl L. Kell, L. Raymond Camp, 1999 In the Name of the Father The Rhetoric of the New Southern Baptist Convention begins with an analysis of the 1979 Southern Baptist Convention the watershed convention where moderate forces fell before the powerful oratory of the ultraconservative faction which has remained in power ever since Communication professors Carl L Kell and L Raymond Camp investigate the rhetorical shift from moderate to ultraconservative in the Southern Baptist Convention the largest denomination in the South and the largest Protestant denomination in the United States Drawing on sermons delivered at national conventions from 1979 to the present Kell and Camp outline the discourses of fundamentalism inerrancy and exclusion These discourses the authors assert point to the SBC leaders call for a return to times before feminism and tolerance of varying sexual orientations allegedly brought chaos to society and shook believers from their theological foundations The SBC and the 21st Century Jason K. Allen, 2019-05-15 This volume not only promotes meaningful dialogue it calls leaders throughout the SBC into action Extensive thought research assessment and wisdom from some of the SBC s brightest minds have been poured into this volume with the intent of rendering a helpful contribution to SBC life that will propel forward the collective work of Southern Baptists well into the 21st century Southern Baptists Observed Nancy Tatom Ammerman, 1993 **The Enduring Lost Cause** Edward R. Crowther, 2023-08-18 Marking the fortieth anniversary of Charles Reagan Wilson s classic *Baptized in Blood The Religion of the Lost Cause 1865 1920* this volume collects essays by such scholars as Carolyn Rene Dupont Sandy Dwayne Martin Keith Harper and Wilson himself to show how various aspects of the Lost Cause ideology persist into the present The Enduring Lost Cause examines the lasting legacy of a belief system that sought to vindicate the antebellum South and the Confederate fight to preserve it Contributors treat such topics as symbolism the perpetuation of the Lost Cause in education and the effects of the Lost Cause on gender and religion as well as examining ways the ideology has changed over time The twelve essays gathered here help the reader understand the development of a cultural phenomenon that affected generations of southerners and northerners alike arising out of the efforts of former Confederates to make sense of their defeat even at the expense of often mythologizing it From fresh looks at towering figures of the Lost Cause to reexamining the role of African Americans in disseminating the ideology in the form of a religious explanation for suffering the essayists carefully analyze the tensions between the past and the present true belief and commercialization continuity and change Ultimately the narrative of the Lost Cause persists worldwide merging with American exceptionalism to become a pillar of the conservative wing of US politics as well as a lasting cultural legacy The Enduring Lost Cause provides a window into this world helping us to understand the present in the context of the past *The Baptist River* William Glenn Jonas, 2008 This Baptist history textbook highlights the diversity of the Baptist movement in North America as it has developed over the past few centuries Under the Baptist tent are such diverse groups as Primitive Baptists Freewill Baptists

Seventh Day Baptists American Baptists Southern Baptists North American Baptists and Independent Baptists Each of these Baptists groups shares some basic Baptist principles However there are significant theological and social differences between them This book is the ideal survey for undergraduate level students

A Marginal Majority Elizabeth Flowers, Karen K. Seat, 2023-08-18 In step with the MeToo movement and third wave feminism women's roles provoke lively debate in today's evangelical sphere The Southern Baptist Convention SBC has a complicated past regarding this issue and determining what exactly women's roles in home church and society should be or even what these roles should be called has been a contentious subject In *A Marginal Majority Women Gender and a Reimagining of Southern Baptists* editors Elizabeth H Flowers and Karen K Seat and eight other contributors examine the SBC's complex history regarding women and how that history reshapes our understanding of the denomination and its contemporary debates This comprehensive volume starts with women as SBC fundraisers moves to the ways they served Southern Baptist missions and considers their struggles to find a place at Southern Baptist seminaries as well as their launching of teaching or women's ministries Along the way it introduces new personalities offers fresh considerations of familiar figures and examines the power dynamics of race and class in a denomination that dominated the South and grew into a national behemoth Additionally the essay collection provides insights into why the SBC has often politically aligned with the right Not only did the denomination become increasingly oriented toward authoritarianism as it clamped down on evangelical feminism but as several contributors reveal even as Southern Baptist women sought agency they often took it from others Read together the chapters strike a somber tone challenging any triumphal historiography of the past By providing a history of contentious issues from the nineteenth century to the present day *A Marginal Majority* provides invaluable context for the recurrent struggles women have faced within the United States largest Protestant denomination Moreover it points to new directions in the study of American denominational life and culture

Denomination Paul M. Collins, Barry A. Ensign-George, 2011-06-16 The term denomination is now widely used to describe a Christian community or church But what is a denomination In this highly creative collection of essays representatives of all major Christian traditions give an answer to this question What does the term mean in their own tradition And does that tradition understand itself to be a denomination If so what is that understanding of denomination and if not how does the tradition understand itself vis vis those churches which do and those churches which do not understand themselves as denominations In dialogue with the argument and ideas set forth in Barry Ensign George's essay each contributor offers a response from the perspective of a particular church tradition Each essay also considers questions concerning the current landscape of ecumenical dialogue ecumenical method and the goals of the ecumenical movement as well as questions of Christian identity and belonging

Towards Baptist Catholicity Steven R. Harmon, 2006-08-01 *Towards Baptist Catholicity Essays on Tradition and the Baptist Vision* contends that the reconstruction of the Baptist vision in the wake of modernity's dissolution requires a retrieval of the ancient ecumenical tradition that forms

Christian identity through liturgical rehearsal and ecclesial practice Themes explored include catholic identity as an emerging trend in Baptist theology tradition as a theological category in Baptist perspective the relationship between Baptist confessions of faith and the patristic tradition the importance of Trinitarian catholicity for Baptist faith and practice catholicity in biblical interpretation Karl Barth as a paradigm for a Baptist and evangelical retrieval of the patristic theological tradition worship as a principal bearer of tradition and the role of Baptist higher education in shaping the Christian vision This book submits that the proposed movement towards catholicity is neither a betrayal of cherished Baptist principles nor the introduction of alien elements into the Baptist tradition Rather the envisioned retrieval of catholicity in the liturgy theology and catechesis of Baptist churches is rooted in a recovery of the surprisingly catholic ecclesial outlook of the earliest Baptists an outlook that has become obscured by more recent modern reinterpretations of the Baptist vision and that provides Baptist precedent of a more intentional movement towards Baptist catholicity today The Oxford Handbook of Christian Fundamentalism Andrew Atherstone, David Ceri Jones, 2024-01-18 This authoritative volume offers the fullest account to date of Christian fundamentalism its origins in the nineteenth century and its development up to the present day It looks at the movement in global terms and through a number of key subjects and debates in which it is actively engaged

Going for the Jugular Walter B. Shurden, Randy Shepley, 1996 There is however no lack of documentation for the ongoing Fundamentalist Moderate Controversy in the Southern Baptist Convention In fact disciplined selection is necessary to keep this collection within manageable limits **Rise of Baptist Republicanism** Oran P. Smith, 2000-05 In its emerging Republicanism the SBC has taken on characteristics of its more active fellow travelers in the Christian Right forging alliances with former enemies African Americans and Roman Catholics playing presidential politics establishing a Washington lobbying presence working the political grassroots and declaring war on Walt Disney Each of these missions has been accomplished with calculating political precision **Mississippi Praying** Carolyn Renée Dupont, 2015-09 Winner of the 2013 Frank S and Elizabeth D Brewer Prize presented by the American Society of Church History Mississippi Praying examines the faith communities at ground zero of the racial revolution that rocked America This religious history of white Mississippians in the civil rights era shows how Mississippians intense religious commitments played critical rather than incidental roles in their response to the movement for black equality During the civil rights movement and since it has perplexed many Americans that unabashedly Christian Mississippi could also unapologetically oppress its black population Yet as Carolyn Ren e Dupont richly details white southerners evangelical religion gave them no conceptual tools for understanding segregation as a moral evil and many believed that God had ordained the racial hierarchy Challenging previous scholarship that depicts southern religious support for segregation as weak Dupont shows how people of faith in Mississippi rejected the religious argument for black equality and actively supported the effort to thwart the civil rights movement At the same time faith motivated a small number of white Mississippians to challenge the methods and tactics of do or die segregationists Racial turmoil

profoundly destabilized Mississippi's religious communities and turned them into battlegrounds over the issue of black equality. Though Mississippi's evangelicals lost the battle to preserve segregation, they won important struggles to preserve the theology that had sustained the racial hierarchy. Ultimately, this history sheds light on the eventual rise of the religious right by elaborating the connections between the pre and post civil rights South.

Models for Christian Higher Education Richard Thomas Hughes, William B. Adrian, 1997. This is a print on demand book and is therefore non returnable. This timely look at the state of Christian higher education in America contains descriptive historical narratives that explore how fourteen Christian colleges and universities are successfully integrating faith and learning on their campuses despite the challenges posed by the increasingly pluralistic nature of modern culture. Written by respected representatives from seven major faith traditions: Roman Catholic, Lutheran, Reformed, Mennonite, Evangelical, Wesleyan, Holiness, and Baptist. Restorationist, these narratives are also preceded by introductory essays that define the worldview and theological heritage of each given tradition and ask what that tradition can contribute to the task of higher education.

Religion in the Contemporary South Corrie Norman (E.), Donald S. Armentrout, 2005. Religion has always been crucial to the cultural identity of the South. The field of southern religious studies is quite young, however, and most scholarship has focused on the kinds of evangelical fundamentalist activity for which the phrase Bible Belt was coined. Religion in the Contemporary South is the first book to fully address the emerging religious pluralism in the South today. Featuring an introduction by Samuel S. Hill, Religion in the Contemporary South brings together fourteen essays by both established and emerging scholars that deal with a spectrum of topics. These topics include religious identities in the South that weave in and out of the past, new religious expressions in the South, and the shifting position of old minority traditions, and a microcosmic look at the Episcopal Church. The collection comes at a time of sweeping change in the South as the 150 year stronghold of evangelical Protestantism, the Baptist Methodist hegemony, gives way to a more diverse religious tradition, one that includes leadership by women, decreasing marginalization for Roman Catholicism and Judaism, and the growing presence of so-called alien religious traditions: Buddhism, Hinduism, and Islam. In his essay, A Crumbling Empire, Bill J. Leonard talks about the future of the Baptist denomination, which grows more uncertain as moderates break ties with the fundamentalist leaders of the Southern Baptist Convention. In Our Lady of Guadeloupe Visits the Confederate Memorial, Thomas Tweed notes the growth of Hindu, Buddhist, and Muslim traditions in the South. Susan Ridgely Bales examines the state of southern Catholicism in Sweet Tea and Rosary Beads, and in Quiet Revolutionaries, D. Jonathan Grieser, Corrie E. Norman, and Don S. Armentrout discuss the ways in which women priests in the Southern Episcopal Church construct their lives and callings. These and other offerings are varied, comprehensive, and provocative. As the South changes and its religious life evolves, so must scholarship. Religion in the Contemporary South is a guide to the new southern religions, more diverse, sometimes controversial, but as vital to the region as ever.

Theology in the Service of the Church Timothy George, Eric Farrel Mason, 2008. This title bridges the chasm

between church and academy This volume celebrates the life and work of Fisher H Humphreys a noted Baptist theologian whose teachings and writings have shaped several generations of pastors missionaries and theological students Humphreys has said about his own life s work My theology is church theology I do thinking about God in the fellowship of the church Since 1990 Humphreys has taught systematic theology at Beeson Divinity School of Samford University following an even longer tenure on the faculty of New Orleans Baptist Theological Seminary Written by Humphreys colleagues and friends the essays here illuminate various aspects of the theologian s calling from the standpoint of specific theological disciplines and from the intersection of theology with other areas of Christian life and thought In this way Fisher Humphreys self understanding of his own vocation as a theologian of the church is commended and the importance of thinking clearly and faithfully about God in the fellowship of the church is seen to be a vital component in the life of the faith

Encyclopedia of Religious Controversies in the United States Bill J. Leonard, Jill Y. Crainshaw, 2012-12-05 This book provides a thorough introduction to historical and contemporary issues in American religion tackling controversial hot button topics such as abortion Intelligent Design and Scientology Surveying key aspects of the controversial issues persons and religious groups of today Encyclopedia of Religious Controversies in the United States Second Edition is a thorough update and expansion of the first edition of this book This two volume work contains many new entries that reflect current 21st century religious controversies Written by a variety of scholars with varying specializations the content covers major people ideas terms institutions groups books and events The A Z format allows for easy location of materials a chronology of developments and events enables readers to trace the development of contentious topics over time and a section of primary document excerpts gives readers further perspective on the issues

Between Dixie and Zion Walker Robins, 2020-03-17 Explores the roots of evangelical Christian support for Israel through an examination of the Southern Baptist Convention One week after the establishment of the State of Israel in 1948 delegates to the Southern Baptist Convention SBC repeatedly and overwhelmingly voted down resolutions congratulating fellow Southern Baptist Harry Truman on his role in Israel s creation From today s perspective this seems like a shocking result After all Christians particularly the white evangelical Protestants who populate the SBC are now the largest pro Israel constituency in the United States How could conservative evangelicals have been so hesitant in celebrating Israel s birth in 1948 How did they then come to be so supportive Between Dixie and Zion Southern Baptists and Palestine before Israel addresses these issues by exploring how Southern Baptists engaged what was called the Palestine question whether Jews or Arabs would or should control the Holy Land after World War I Walker Robins argues that in the decades leading up to the creation of Israel most Southern Baptists did not directly engage the Palestine question politically Rather they engaged it indirectly through a variety of encounters with the land the peoples and the politics of Palestine Among the instrumental figures featured by Robins are tourists foreign missionaries Arab pastors converts from Judaism biblical interpreters fundamentalist rebels editorialists and of course even a president While all

revered Palestine as the Holy Land each approached and encountered the region according to their own priorities Nevertheless Robins shows that Baptists consistently looked at the region through an Orientalist framework broadly associating the Zionist movement with Western civilization modernity and progress over and against the Arabs whom they viewed as uncivilized premodern and backward He argues that such impressions were not idle they suggested that the Zionists were bringing to fruition Baptists long expressed hopes that Israel would regain the prosperity it had held in the biblical era the Holy Land would one day be revived and biblical prophecies preceding the return of Christ would be fulfilled

The Way We Were Fisher Humphreys, 2002 *The Way We Were* is a book about the theological dimensions of the controversy that shook the foundations of the Southern Baptist Convention during the decades of the 80s and 90s That controversy began at the national level far from most Baptist laypeople trickled down to the state Baptist conventions where it included a much broader audience and now has moved into local churches from forward

The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume Five James Leo Garrett Jr., 2022-03-29 James Leo Garrett Jr has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians In *The Collected Writings of James Leo Garrett Jr 1950 2015* the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship the even handed treatment the biblical fidelity the wide historical breadth and the honest sincerity that have made the work and person of James Leo Garrett Jr so esteemed and revered among so many for so long Volume 5 contains general theological considerations as well as a number of Garrett s reflections on twentieth century Christian leaders Spanning sixty five years and touching on topics from Baptist history theology ecclesiology church history and biography religious liberty Roman Catholicism and the Christian life *The Collected Writings of James Leo Garrett Jr 1950 2015* will inform and inspire readers regardless of their religious or denominational affiliations
