Discourse on the State and Grandeurs of Jesus Pierre de Bérulle, 2023-11-30 Pierre de Bérulle 1575-1629 is one of the foremost personalities of early modern Catholicism As the founder of the French school of spirituality he has exercised a profound influence on the Church from the seventeenth century to the present day Until now however very little of Bérulle's writings have been available in English This volume provides the first complete English translation of his best known work first printed in Paris in 1623 and titled Discourses on the State and Grandeurs of Jesus by the Ineffable Union of the Deity with Humanity and the Submission and Servitude that Is Due Him and His Most Holy Mother in Response to This Wondrous State Composed in his maturity this work expresses Bérulle's theology of the Man-God whose self-emptying has enabled us to become capable of God In contrast to other spiritual writers who taught that mystical union with God follows the extinction of all sensory and conceptual awareness and all activity of willing Bérulle's focus is on the faithful soul's participation in what he calls Jesus states or inner dispositions The state that Bérulle describes and honors supremely in this text is Jesus' state of self-emptying in the mystery of the Incarnation In the hypostatic union our humanity in Christ is lifted up to heaven and Christ is the first fruit of humanity made divine the firstborn among many brothers Through him we become children of God by adoption participants in God's divine being This is an outstanding translation conveying not only the meaning but also the beauty and rhetorical features of the original The Discourses will repay reading as a poignant source of personal devotion a primary text of the Catholic Reformation and a classic of spiritual theology

Illegal Alien Robert J. Sawyer, 2011-12-27 When a disabled spaceship enters Earth's atmosphere seven members of the advanced Tosok race are welcomed by the world Then a popular scientist is murdered and all evidence points to one of the Tosoks Now an alien is tried in a court of law and there may be far more at stake than accounting for one human life

Serpent in the Garden James A. Cates, 2020-09-01 The first book to examine the complexity of sexual identity philosophy and behavior in Amish culture The Amish offer a startling contrast to the postmodern view of sexuality and gender roles After the sexual revolution of the 1960s mainstream American culture never looked back Meanwhile the Amish never looked forward In twenty first century Amish

communities heteronormative sexuality is still based on a unifying principle an understanding of sexuality as emerging from a divine plan In the eyes of the Amish sex is squandered by those who embrace it as hedonistic or who carve out a sexual identity that moves them away from that singular God given purpose But this communal emphasis on sex for procreation does not mean that the Amish do not possess a complex range of sexual identities and opinions In *Serpent in the Garden* clinical psychologist James A Cates breaks new ground in the study of Amish sexuality by examining this shrouded rarely discussed subject The first book to bring Amish sexuality into primary focus this volume argues that because the Amish are a sexual minority queer theory is the ideal framework from which to observe their views on sex sexuality and gender The book offers a broad view of sexuality in Amish culture that includes the challenges that gays and lesbians face in the community as well as an exploration of Amish gender roles their views toward intimacy their responses to cases of child sexual abuse and the role of fetishes among the Amish Cates draws from multiple perspectives and years of research on the Amish themselves He also looks at pushback against alternative behaviors or identities as well as Amish success in keeping mainstream values at bay With this book Cates establishes Amish sexuality as a topic worthy of professional attention Offering readers a more sophisticated understanding of the Amish and of sexual expression among cultures *Serpent in the Garden* will appeal to scholars working on gender and sexuality the Amish and social service professionals who serve the Amish community

Tale of a Devil Jason Robles,2017-09-21 *Tale of a Devil* By Jason Robles As a mercenary in the thriving port city of Cape Torgin Baalzazel Khormyr stumbles onto a sentient artifact that leads him astray from a self rewarding existence The half fiend is thrown into the middle of a long standing war between gods that forces him to confront his inescapable past The artifact strikes a deal with Baal offering great power in exchange for revenge against the evil forces of the god Malakan *Tale of a Devil* is a mature medieval dark fantasy a fast paced action thriller that takes place among the five dominions of Vhoth Read on as Baal s malicious devil father watches from the Nine Hells overseeing a scheme that originated more than three decades prior As the tale unfolds events threaten to shake the very foundation of the world Journey through the Hells and back to witness a devil lord s bastard walk the path of light for the right and wrong reasons *Daily Grace for Daily Life*

Anita Higman,2013-11-01 Here is a delightful women s devotional that reminds Christian women of all ages that God provides daily doses of grace to His beloved daughters Thoughtful readings will speak to your heart and lovely prayers memorable quotations and scripture passages add to the rich spiritual depth of the book Set in a charming 4 color design with a bonus removable bookmark *Daily Grace for Daily Life* is a celebration of God s gift of grace It s the perfect book to give as a gift or for personal quiet time **Fruits of the Spirit** Riaan Engelbrecht,2023-02-21 Galatians 5 makes it clear what are the fruits of the Spirit which include love joy peace and self control Take note we are dealing here with the fruits of the Spirit not our spirit So we can only develop and carry such fruit when we allow God to abide and work in us Therefore we have to live in the Spirit meaning walking in the Spirit who produces such fruit This volume of work has been prompted for

the simple reason that the church seems to be neglecting the need to equip disciples who reflect and manifest the character of God We have become too obsessed with creating a feel good Church gifts signs and wonders yet ignoring the importance of character It should be stressed we cannot generate such good fruits that produce moral and godly living on our own therefore we need to abide in God to bear much fruit We need to earnestly cultivate a character that glorifies and exalts God so that the world may know we are disciples of God because of the fruit we carry Hymn to Perpetual Light Don Beach,2006-03 Hymn to Perpetual Light A Transcendental Comedy in Six Cantos makes use of Spenserian Stanzas and free verse to describe God s salvation of a world gone astray through Primal Sin Beginning with theological and philosophical observations about God s relationship to his creation poet Don Beach compares enlightenment to a spiritual journey This would be from the darkness of a cave like existence ignorance and unawareness similar to Plato s Allegory of the Cave to the bright light of reality and redemption through God s divine love and compassion Fortunately some cave dwellers aren t incorrigible or sinful beyond redemption they are more likely to be confused and misguided This in turn causes them to be detached from truth beauty and God s redeeming love But the poet shows us that every person can be saved by traveling the challenging road to enlightenment and salvation that he describes in Hymn to Perpetual Light The Catholic Connections Handbook for Middle Schoolers Janet Claussen,2009 Whether middle schoolers encounter this book as part of the Catholic Connections program in faith formation or pick it up out of curiosity The Catholic Connections Handbook for Middle Schoolers offers great guidance and aims to help young teens learn about all the central aspects of the Catholic faith including God revelation faith Jesus the Christ the Holy Spirit the Church liturgy and sacraments Christian morality and justice and prayer The book contains many special features and sidebars including Live It suggestions for putting faith into action Pray It short inspiring prayers Did You Know additional information about selected topics Fun Facts brief notes designed to inform and amuse Illustrations 22 4 color illustrations of people of faith People of Faith profiles of inspiring faith filled people Think About It questions to ponder or discuss with friends and family Liturgy Connections articles that show the relationship between Catholic beliefs and worship Looking Back insights from history PLUS A collection of prayers A glossary of key words A handy brief summary of Catholic beliefs and practices The Catholic Connections Handbook for Middle Schoolers is a great tool for study but it is more than that It offers excellent guidance for praying and living the Catholic faith The Subcommittee on the Catechism formerly the Ad Hoc Committee to Oversee the Use of the Catechism United States Conference of Catholic Bishops has found this catechetical text copyright 2009 to be in conformity with the Catechism of the Catholic Church *Philosophy Begins in Wonder* Michael Funk Deckard,Peter Losonczi,2011-10-27 Philosophy begins with wonder according to Plato and Aristotle Yet Plato and Aristotle did not expand a great deal on what precisely wonder is Does this fact alone not raise curiosity in us as to why this passion or concept is important What is wonder s role in science philosophy or theology except to end thinking or theorizing as soon as one begins The primary purpose of this book is to

show how seventeenth and eighteenth century developments in natural theology metaphysics epistemology ethics aesthetics and the philosophy of science resulted in a complex history of the passion of wonder a history in which the elements of continuation criticism and reformulation are equally present *Philosophy Begins in Wonder* provides the first historical overview of wonder and changes the way we see early modern Europe It is intended for readers who are curious who wonder about how modern philosophy and science were born The book is for scholars and educated readers alike In The Beginning 2.0 (Distribution) Dee Dee Talbot,2018-05-22 This book is the first in a four part series of study guides focusing on The Daily Bible in Chronological Order with commentary by F LaGard Smith This guide covers a three month period of daily study from Genesis to Judges It can be used by itself as a period study or as part of a year long study involving all four books and can be utilized for group or personal study The foreword was thoughtfully provided by F LaGard Smith
