*The Wisdom and Will of God* Riaan Engelbrecht, 2023-02-21 If we wish to walk in God s victory blessing love hope and glory we need to walk in His Wisdom and in His Will Regarding His Will there is no greater testimony of our desire to follow Him as His children than by the prayer of asking the Lord that His will be done and not ours And that will in the Greek language speaks of desire purpose and intent Therefore Jesus instructs us to pray that the will of the heavenly Father that same Sovereign Lord of Isaiah 61 be done and we are to seek pursue and desire that God s purpose desire intent and desire for us all in this world be done and not our own Regarding His Wisdom we live in a time where man s wisdom prevails to such an extent that the world has now determined what is good what is real and what truth is Where the truth and wisdom of man prevail at the expense of God s wisdom then corruption of mind and spirit follows We live in a time where often people have turned what was once evil into good This is why it says in the Scriptures to seek wisdom for it begins with the fear of the Lord for wisdom is to know what is good and what is evil and to know good from evil And once we know what is right and wrong we need to follow such a path That is wisdom The wisdom to know the way the will the path and the truth of God

**Nourished by God in the Womb of Time** Kris Doulos,2010-06-24 God placed many parallels to the spiritual realm in the physical universe so the human brain could get some idea of the world that exists beyond the capacity of the human brain One such parallel is the development of a baby in a mothers womb Just as God took particles of the earth and made a body for the spirit he created a woman takes the particles of her body and makes a body for a spirit that will live in that body That body is developed in her womb and at birth that body becomes a womb for a human spirit The author calls this newborn body The Womb of Time because it is the place where a human spirit is developed in time in preparation for an existence in a new world called Eternity An embryo in a mothers womb is surrounded by chemicals that can prevent it from developing to a point capable of living in the world outside its womb In the same way a human spirit in the womb of its body is surrounded by knowledge the curse from Eden that can prevent it from developing to a point capable of being a spirit with life when it enters eternity If a physical body is stillborn no matter how much it is loved it cannot exist with people who are alive A human spirit that is not alive when its body dies cannot exist with the living who reside in Heaven God is constantly trying to nourish people in their Womb of Time with the same Word of Life he used to create all things The human brain limited to the knowledge it contains often substitutes confidence for faith and religion for God causing many human spirits to be stillborn when they leave their body Man's battle is between knowledge and faith A quick look at the world will reveal the incompetence of knowledge
