Trauma and Recovery in Early North African Christianity Scott Harrower, 2024-04-22 Powerful religious elements for living in the aftermath of trauma are embedded within North African Christian hagiographies. The texts of 1. The Passion of Perpetua and Felicity, 2. The Account of Montanus, Lucius and their Companions, and 3. The Life of Cyprian of Carthage are stories that offered post-traumatic pathways to recovery for its historical readership. These recovery-oriented beliefs and behaviors promoted positive religious coping strategies that revolved around a sense of safety, re-establishing community relationships, an integrated sense of self, and a hopeful story beyond trauma. This book vividly demonstrates that hagiographies played a vital therapeutic role in helping early Christian trauma survivors recover and flourish in the aftermath of disastrous persecutions. personal initiative creating a life that is not just endured but lived fully and meaningfully in God's light *The Truth about the Tribulation* Jim Lewis, 2023-10-23 When I was in High School in the early 1960s I was taught there was nothing more that needed to happen before the rapture of the saints and that the tribulation could come at any time. If that was the case, what was God waiting for? So my wife and I have read many books on end-time events since we were married. But they all seemed to repeat what I learned in high school. So there is a great thing God does. He equips the called. That is what he did with me. God is the true author of this book. When I didn't know a word or have any idea how to proceed, I prayed and God allowed the words to flow and gave me understanding. That is how this book came to be. About ten years ago I started serious research on the subject. I found the answers were not as I was taught during my high school years. The more I studied, the more truth I found. I decided to put what I learned into a book to teach others the real truth about the tribulation and what will happen in the Last Days. They say what you don't know can't hurt you. I found out that's a lie. There are things you need to know before the tribulation starts. This book is about the Tribulation culminating in the Battle of Armageddon and the 1000 reign of Christ on Earth occurring in the near future.
