Solving Life's Problems Yong-gi Cho, 1980 **Devotionals to Reach Those Who Need a Reminder** Jo Ann Strobl, 2025-09-09 When God puts something on your heart to say or do something you never know how important it is for

you or for someone else Like this book the words He has given me over the years is now in your hands It took years to put what God has given to me into these pages I pray what was given will speak to you God uses me as He does anyone willing to do what He puts in them to do We might think we are one of the least but like in the Bible it s full of many who didn t think they could be used So how about letting this book inspire you in some way I hope you will come closer to God in whatever you are going through in your own life We all have things we need to let go of Journaling is one way to put your feelings on paper Who knows you might be writing more than you thought you would That is how this book started The Spiritual Battle With The Mind Paul R. Hillman,2013-07 The focus of the book is to let the readers know that the Devil s focus is to use the mind as a place of isolation He will try to bring back the past of fear to block one from reaching his or her own destiny This book tells you that only the word of God brings healing to the mind In addition only the word of God can bring restoration to a mind that is wrestling and a heart that is broken When you finish reading this book you will be able to get past your pass from the old you into a brand new you It all begins in the belief in your mind
