Gods Seeking Love:

Seeking God Trevor Hudson, 2023-02-06 Jesus promised Seek and you will find Do you long for a transforming encounter with the living God Jesus assures us that those willing to become seekers will find what their hearts most deeply desire The promise is clear Those who seek God consistently faithfully and passionately will not be disappointed They will find God and all those good things that accompany God's Kingdom Profoundly influenced by his long friendship with Dallas Willard and his experience guiding people through the Spiritual Exercises of St Ignatius for the last thirty years Trevor Hudson offers you a practical tool kit for your seeking journey You search for God does not have to take you to a remote mountain top as God wants to meet us right where we are in our everyday lives Reading the wisdom contained within the pages of Seeking God will help you to move beyond insight and knowledge and encounter the presence of the living God as a reality in your daily life

Seeking the God Beyond J. P. Williams, 2019-07-29 Apophatic theology or negative theology attempts to describe God the Divine Good by negation to speak only in terms of what may not be said about the perfect goodness that is God It is a way of coming to an understanding of who God is which has played a significant role across centuries of Christian tradition but is very often treated with suspicion by those engaging in theological study today This book seeks to introduce students to this oft misunderstood form of spirituality Beginning by placing apophatic spirituality within its biblical roots the book later considers the key pioneers of apophatic faith and a diverse range of thinkers including C S Lewis and Keats to inform us in our negative theological journey A final section explores what difference a negative theological approach might make to our practice and our liturgy

Notes on the Parables of Our Lord Richard Chenevix TRENCH (Archbishop of Dublin.), 1857

Living Waters from Difficult Passages Thomas Moore, 2019-11-14 This book is an unforgettable journey that is a must read for every believer As the days grow darker it is essential everyone who desires to live for Jesus understand the difference between Churchianity and Christianity This book clears a path through the religious jungle and clearly identifies the Way of Salvation This necessarily involves the full extraction of the common religious practice of tithing from Christian doctrine What is this book about It is about everything that pertains to Godliness and everything that frustrates Godliness It is about growing in Christ and blossoming in faith as well as dying to pride and rejecting the world We are shown the difference between the treasures of Grace and the treasures of the world as we learn a new appreciation for our Lord Jesus Christ and all He won on the cross for us This book is a guide to spiritual maturity where we learn to say along with John the Baptist He must increase but I must decrease John 3 30 KJV Something involved in these issues is dealing with questions that have plagued many believers about how Malachi 3 8 11 has been taught to them Am I really cursed as a robber of God for failing to pay my tithes Will I really open up new Heavenly windows of blessing by faithfully paying my tithes The answers to these questions involve all the schools of systematic theology which requires a deep thorough inspection into the contents of the Gospel of Grace the plan of salvation and the Priesthood of Christ

Divine Holiness and Divine Action Mark C.

Murphy,2021-02-18 Holiness is the attribute most emphatically ascribed to God in Scripture but there has been little attention devoted to characterizing and considering the entailments of divine holiness In Divine Holiness and Divine Action Mark C Murphy defends an account of holiness indebted to Rudolf Otto s description of the experience of the holy as that of a mysterium tremendum et fascinans God s being holy consists in God s being someone with whom intimate union is both extremely desirable for us and yet something for which we and indeed any limited beings are unfit This notion of divine holiness is useful for addressing disputed theological questions regarding divine action In contrast to standard accounts of divine action that begin with assumptions regarding God s moral perfection or God s maximal love the appeal to divine holiness supports a rival framework for explaining and predicting divine action the holiness framework according to which God is motivated to act in ways that are a response to God s own value by keeping distance from that which is deficient defective or in any way limited in goodness This study exhibits the fruitfulness of a reorientation from the morality and love frameworks to the holiness framework by showing how such a reorientation suggests distinct approaches to perennial problems of divine action regarding creation incarnation atonement and salvation From the treatment of these perennial problems a general theme regarding divine action emerges that God s interaction with the world exhibits a radical sort of humility

The Analogy of Love Gary Chartier,2015-11-09 This book offers an overview of Christian theology organized around the twin themes of divine and human love The book covers the traditional theological topics as well as basic questions of theological method It seeks to integrate a focus on love throughout While love is regularly canvassed as a dominant theme in Christian thought it has rarely been the focus of Christian theological construction or a constraint on theological formulation The book seeks to suggest chapter by chapter how a given topic relates to the broad theme of love The book is written in a way designed to make it accessible to university students and educated laypersons At the same time it takes positions on controverted scholarly issues and the methodological approach outlined at the beginning will be of interest to academic theologians
