The First Edition of the Letters of Paul Charles Vergeer, 2022-01-18 We call them the Letters of Paul However who really wrote them and why The fascinating quest for an answer to this question takes us to Ephesus one of the most important harbour cities of the Roman Empire in order to get a clearer picture through him of the anonymous editors who edited the first edition of what would later so inappropriately be called the letters of Paul These first editors saved Paul from oblivion but often ignored what he had actually said What did they want to achieve with their publication Who added the anti Jewish and misogynistic texts and who added the beautiful song about the praise of love This book offers a spectacular reconstruction of the first edition of Paul's letters It removes two thousand years of Christian encrustation on the surviving texts and produces a unique reconstruction and critical translation from the Greek of the first edition of the first four letters of Paul The Master Letters Lucie Brock-Broido, 2010-02-24 The title of this richly textured book derives from two of the three mysterious letters left by Emily Dickinson the ones addressed to Dear Master Lucie Brock Boido has imagined a series of letters echoing devices found in Dickinson's own work We feel we are in the presence of something entirely new says Bonnie Costello in The Boston Review Not even Brock Broido s wonderful first book A Hunger prepares us for this bold Book Prices: Used and Rare, 1994 Edward N. Zempel, 1994 Norman Maclean's "A River Runs through It" encounter George H. Jensen, Heidi Skurat Harris, 2024-07-31 Norman Maclean's A River Runs through It The Search for Beauty is the first book length study of Norman Maclean or any of his works Since the publication of A River Runs through It in 1976

readers and critics have considered it to be one of the most carefully crafted stories in American literature in terms of both its structure and its style The beauty of the story came with much hard work This study traces Maclean's revisions through four handwritten drafts and three typescripts quoting extensively from previously unpublished material The analysis of Maclean's composition process lays the foundation for original and detailed discussions of other aspects of Maclean's craft such as his approach to genre and style The study publishes for the first time the complete text of the notes that Maclean wrote after the first draft of A River Runs through It The Friend, ed. by R. Smith, Vol. [1st and 2nd eds. of vol.1. **The 1st ed. of vol.1 wanting no.7, 14-17, 25, 26].** Robert Smith, 1829 The Athenaeum ,1897 Tracts for the Times: (for 1841) Tract no. 89 [1st ed.], 90 [3rd ed., 1868] The Athenœum James Silk Buckingham, John Sterling, Frederick Denison Maurice, Henry Stebbing, Charles Wentworth Dilke, Thomas Kibble Hervey, William Hepworth Dixon, Norman Maccoll, Vernon Horace Rendall, John Middleton Murry, 1897 Groundless Gods Eric Hall, Hartmut von Sass, 2014-08-01 Groundless Gods The Theological Prospects of Post Metaphysical Thought deals with possible interpretations of an emerging interest in contemporary theology postmetaphysical theology This book attempts to openly come to grips not only with what metaphysics and postmetaphysics imply but also with what it could mean to do or not do theology from the standpoint of the nonmetaphysician The book asks for instance whether this world has any singular definition and whether God is some being standing apart from the world or an experience within the world Jesus and **God in Paul's Eschatology** Larry Joseph Kreitzer, 2015-01-29 This probe into Paul's theology argues that in his eschatological thinking there is a conceptual overlap between Jesus and God As in several pseudepigraphical texts there is in Paul a certain identification of the roles of God and the messianic figure Especially in Paul's doctrines of the parousia and the final judgment this overlap features the Old Testament idea of the Day of the Lord Yahweh becoming transposed into the Day of the Lord Christ In examining Paul's teaching on the messiah and the Kingdom Kreitzer offers a penetrating analysis of how Paul balanced theocentricity and christocentricity within his eschatology and how the theme of Christ's subordination to God God as the Mystery of the World Eberhard Jungel, 2009-04-14 Ebehard Jungel is among the is interjected into his doctrine handful of top theologians teaching in Germany today Intelligent and orthodox subtle and strong God as the Mystery of the World is a masterpiece which should at last make its author as familiar in the English speaking world as he has long deserved to be Geoffrey Wainright Union Theological Seminary Jungel sets out in this work to establish a basis for a theology of God the crucified while avoiding the shoals of theism and atheism He warns of the danger rooted in the fact that modernity no longer dares to think God of talking God to death of silencing God with too much God talk He analyzes what our possibilities are of thinking and speaking God and concludes that theology has to become the narrative of God's humanity told like every love story This is a stimulating but demanding book It helps theology move forward again in its guest really to say what it talks about when it talks about God H M Rumscheidt Atlantic School of Theology The Critic Jeannette Leonard

The Beauty of the Triune God Kin Yip Louie,2013-07-29 The seventeenth century Puritan theologian Jonathan Edwards has become popular again in contemporary theological discussion Central to Edwards theology is his concept of beauty Delattre wrote the standard work on this topic half a century ago However Delattre approaches Edwards mainly as a philosopher and he does not address how Edwards employs the concept of beauty to explain and defend traditional Reformed doctrines Recent writings by McClymond Holmes and others have shown that defending the Reformed tradition is a fundamental concern of Edwards This work reveals how Edwards starting with the common notion that beauty means the appropriate proportional relationship develops a theological aesthetic that contributes to a rational understanding of major doctrines such as the Trinity Christology and eschatology It shows that Edwards is both an innovative speculative theologian and a staunch defender of Reformed orthodoxy
