## **Gods Cleansing Stream:**

God's Cleansing Stream Chris Hayward, 2004-12-29 God's Cleansing Stream reveals why every church needs a deliverance ministry and teaches pastors and counselors how they can put one to practical use Deliverance was originally part of every church but the rise of self help programs and the idea of an individual's ability to change without God's help edged the Church away from God's Word and power Instead deliverance came to be thought of as mere superstition Now Chris Hayward provides tools for churches to reestablish this effective proven ministry so that it can liberate captive souls and advance God's plans in the lives of individuals everywhere **GOD'S CLEANSING STREAM** CHRIS. I'M a Religious Wreck and You Can Find Me in the Desert* Tamara K. Kent,2011-02-25 Everyday countless numbers of believers experience crisis that tests their faith Once thrust into the storm the sifting begins and we must make a choice to stand on truth To complicate the matter we may respond in sin and continue in error by pointing the blame on others After our faith falters through a trial we may abandon it and suffer the stigma of what the Apostle Paul called a shipwrecked faith Not understanding why this happens to loyal believers who once felt so close to God we turn away from our faith Like spiritual nomads we leave the congregation fleeing for refuge in a desert of our own making What we may not comprehend or appreciate is that Gods grace sustains us during our season of separation This book helps the reader to regain stability during a stretch in the desert and see it as an opportunity for refining and redefining our faith Alternatively faith failure occurs when a believer naively misplaces faith to truth in a system of religious works or persons and suffers when they do not uphold the teachings of Jesus When we walk from false religious teachings associates label us as failures and reject us Broken hearted and disillusioned by our situation we give up our religion and turn our back on everything we once believed in We may spend years hiding in the desert making little progress in our faith until we realize that we are spiritually thirsty We long for Gods love and wish someone would help us find the way to restore our faith Our cry is like the title of this book Help Me Im a Religious Wreck and You Can Find Me in the Desert and here it is with care placed into your hands from one who understands the cry      *It's a God Thing* Luis Palau,2002-02-07 Often called the next Billy Graham Luis Palau is among the best known American evangelists in the world today His sermons on spirituality and the Christian life as well as his calls for international and racial harmony have been heard by hundreds of millions of people at public gatherings and on radio and television in more than ninety five countries It s a God Thing brings together stories Palau has gathered on his travels These stories often beginning with the words You won t believe what happened to me unfold to reveal an unusual and frequently miraculous series of events that transformed the life of the storyteller Recent polls indicate that the vast majority of Americans around 90 percent say they believe in God Yet even the most consistent churchgoers sometimes wonder why miracles the recovery of a terminally ill child the unexpected much needed check in the mail happen to other people Through its simple true life stories It s a God Thing illustrates the small often mysterious ways in which God orchestrates events to create something positive amid the confusion and pain of daily life and shows that even when his intentions are not immediately clear God gives each individual what he or she needs most      *God Never Quits!* ,      **Wounded in the Church** Chris Hayward,Ray Beeson,2017-03-14 Church should be a safe place right Then why do so many get hurt there Ray Beeson and Chris Hayward combine their years of ministry

experience to address head on the elephant in the room church members and church leaders hurt Christians All the time And the long lasting effects rejection shame despair loneliness fear can be devastating The authors have witnessed the rise of the dones those who are just done with God thanks to scars from church With first person stories of hurt and loss this book is a wake up call for any who deny woundedness in the church but is also a redemptive message for any who hurt from church wounds Leaders and laypeople alike will learn how to grieve over abuse to leave unhealthy attitudes and patterns that cause pain and to trust in God s real delivering work through churches that build up not tear down Thanks to the grace of God there is always hope beyond the pain **Delivering the Captives** Alice Smith,2006-11 From Scripture and her own

experience powerful teaching on finding freedom in Christ from demonic oppression by overcoming strongholds The Goodness of God Azariah Springs,2019-05-25 God is showing in this book many new revelations the journey using God s weapons of warfare and the result of a man reaching out for God to give instructions in trials to get his attention off himself for God to reveal his glory You ll find the answers you seek if you trust your Father in heaven **With God's Grace...**

Barbara Arbuckle,2016-06-30 With Gods Grace takes you into the lives of five women seeking the meaning of grace Do you know what grace feels like Is it real How do you get it Do you have to earn it Starting as strangers their stories became entwined weaving themes of childlike trust healing and forgiveness They bring you along in their soul searching experiences to discover grace is real and how much God loves you His gift is not one size fits all but is specifically designed for the person receiving it Through their trials God reaches out with different paths of grace In their cries for help they dont always get what they ask for But with overwhelming challenges God showers overwhelming grace Along the way they offer reflections to explore grace in your own life Once you start understanding how to look and ask for it you will be astounded by Gods gift

God Is My Adventure - A Book on Modern Mystics, Masters, and Teachers Rom Landau,2011-03-23 Since I was a boy I have always been attracted by those regions of truth that the official religions and sciences are shy of exploring The men who claim to have penetrated them have always had for me the same fascination that famous artists explorers or statesmen have for others and such men are the subject of this book Some of them come from the East some from Europe and America some give us a glimpse of truth by the mere flicker of an eyelid while others speak of heaven and hell with the precision of mathematicians I have met them all and some I have watched in their daily lives For years now I have sought their company questioned them and watched them closely at work I have tried to dissociate the personality from the teaching and then to reconcile the two I have included some of those whom now I cannot view without mistrust Since thousands of other people believe in them they are at any rate most interesting figures in contemporary spiritual life however little of ultimate value their teaching may possess There are people who know the heroes of this book more intimately than I but my aim has never been to identify myself with any one teacher On the contrary I have always been anxious to discover for myself through what powers they have influenced so many people This attitude will warn the reader not to expect an impersonal survey of

contemporary spiritual doctrines I have limited myself to writing of those men with whom I have been in personal contact I approach them not as the scholar but as the ordinary man who tries to find God in daily life      **The Living Church** ,1953

Border Lays Robert Allan,1891      **Living Water** Brother Yun,2008-09-23 In *The Heavenly Man* you learned the story of how God took a young half starved boy from Henan Province and enabled him to stand strong on the frontlines for Jesus Christ braving horrific opposition and impossible odds *Living Water* is a collection of Brother Yun s dynamic teachings that evolved from his life experiences of persecution and revival in China Brother Yun shares how the grace of God sustained him during his darkest hours and how that darkness transformed into the infectious joy and zeal for the Lord that are the hallmark of his ministry today This unique book teaches us that radical faith is not for a chosen few but for every believer who dares to call Jesus Christ Lord      **Breaking the Bonds of Evil** Rebecca Greenwood,2006-10-01 Deliverance is an

immense need that even today is largely sidelined in the church The body of Christ needs more people trained in deliverance to carry out this vital life changing ministry Rebecca Greenwood offers a fresh look into deliverance but she doesn t stop at explaining what it is she examines the deliverance ministry of Jesus emphasizes the importance of team ministry and trains believers to confidently walk out their freedom Full of inspiring stories of breakthrough *Breaking the Bonds of Evil* will impart faith in the anointing that believers carry in deliverance ministry Pastors lay leaders and deliverance ministers alike will find this powerful book invaluable in their ministries and in small group studies      *Everyday Gospel* Paul David
