A central illustration of a hand holding a globe of the Earth. The hand is rendered in a light, ethereal blue-green color, with fingers gently cupping the globe. The globe itself is a realistic blue and white representation of Earth. The entire scene is set against a dark green background with faint, concentric circles radiating from the center, creating a sense of depth and perspective.

*God's Eye View* Tommy Tenney, 2008-07-13 In *God's Eye View* Tommy Tenney explores how worship lifts us up to see the trouble we face from God's perspective instead of being trapped in an earthly time bound viewpoint The higher we go the smaller our problems seem Tenney also teaches the Principle of Magnification The closer you get to something the bigger it appears In other words worship not only shrinks our problems it also magnifies God in our lives and to others Worship doesn't really change our problems it just minimizes their influence over us as we focus on God He doesn't promise to remove all of our circumstances but God does assure us that in His presence and from His perspective we can see things as they really are and not how they appear to be In the book of Revelation John was instructed to behold the Lion but from an earthly perspective John saw only the Lamb The heavenly perspective reveals that the Lamb is the Lion the babe of Bethlehem is the ancient of days and the dragon is really a weakened lizard God's eye view is higher than man's Higher than a bird's eye view higher than a man's eye view is God's eye view

*Rules for Radical Christians* Nelson R Foster, 2019-10-04 This book is a brutal expose of religion's failure to keep and preserve our Godly American culture and the unconventional answer to restore the cultural soul that is rightfully ours to maintain It exposes the history and spiritual influences behind the decline and the process Christians can follow to reverse that decline Liberals may claim that they are godless Atheists but the truth is they are following the doctrines of Lucifer and following a game plan taught by followers of Lucifer We are losing a spiritual battle by fighting with the tools of the flesh logic reason emotion science and the law We are bound to lose We need to learn the rules and methods that have been proven to work spiritually against a ruthless spiritual opponent Liberals know full well that they are fighting for the soul of our nation We need to realize that the soul they are fighting for is the complete corruption and loss of the Godly soul our founding fathers tried to establish for our nation It not only presents the problem but also provides the solution to our problem and the promise that the problem of ungodliness in our culture can be reversed Godliness can be restored We are also fighting for the soul of our nation It is NOT the same soul that the Liberals are trying to preserve They have corrupted our nation by deception We can restore the national soul they corrupted with the truth

**Trust & Tragedy** Tommy Tenney, 2001 With articulate words Tommy Tenney helps lead us past tragedy to that place of trust After reading this book you will know what to do and know what to say Most people including Christians avoid brokenness and personal failure at all costs They will deny the truth to avoid pain Yet tragedy visits every generation hardship touches every life The only question then is how will we respond God promises to be near the brokenhearted As Tenney puts it God is waiting to meet us on our way home from the funeral The One who said Blessed are those who mourn for they shall be comforted fully intends to comfort us personally if we make the effort to detour from our road of grief to search for Him Many believers first turned to God in the moment of crisis Trust and Tragedy shows them how to find Him there again For whenever there is earthly brokenness there is always heavenly openness

*Emptiness* John Corrigan, 2015-05-27 For many Christians in America becoming filled with Christ first requires being empty of themselves a quality often overlooked in religious histories In Emptiness John Corrigan highlights for the first time the various ways that American Christianity has systematically promoted the cultivation of this feeling Corrigan

examines different kinds of emptiness essential to American Christianity such as the emptiness of deep longing the emptying of the body through fasting or weeping the emptiness of the wilderness and the emptiness of historical time itself He argues furthermore that emptiness is closely connected to the ways Christian groups differentiate themselves many groups foster a sense of belonging not through affirmation but rather avowal of what they and their doctrines are not Through emptiness American Christians are able to assert their identities as members of a religious community Drawing much needed attention to a crucial aspect of American Christianity Emptiness expands our understanding of historical and contemporary Christian practices **Charisma and Christian Life** ,2002 **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004

Walk On Water Deborah B. McDermet,2022-02-03 Most of us settle We live average safe mediocre lives But does that kind of living reflect what God has called us to The abundant life that Jesus promised his followers is nothing less than amazing when we realize that God is working in us so that we may be conformed to the image of his Son Romans 8 29 Jesus did not live an ordinary life and nor should we Walk on Water invites believers to rise above the norm This daily devotional takes a fresh look at the Word of God Be inspired by the lives of Esther Daniel Jonah and others Be challenged with Jesus no nonsense conversations with the Pharisees and the disciples Be emboldened through the honest emotions that pour from the hearts of the writers of the Psalms In addition to daily devotionals twelve true stories experienced by Deb herself are added at the end of each month to encourage and humor the soul **Louisiana Libraries** ,2002 Books Out Loud ,2004
