God'S Mystical Realism Wilma Sheltman,2016-10-11

Writing about her indescribable Christ driven unusual experience Wilma returns to tell of a divine place over yonder a place we describe as limbo to some the place between heaven and hell It is somewhere for people who are not Christians those who are not walking the walk of Christianity now Maybe a stopping off place many go to when they die A place described as the place that is believed to be home to the souls of children who died before baptism or believers The souls of the righteous who died stop there Although they are barred from entry to heaven they are not condemned to the eternal suffering of hell Realizing the portal was the entrance to heaven Wilma remembers she was in the presence of the Holy Spirit turning to see Jesus Christ standing on the pathway Yet Wilma returns from a divine place with a burning personal desire inside to tell this story Wilma presses daily to complete this manuscript and reveal to unbelievers that there is a place called skekinah visiting God in prayer a living God revealing his mighty power besides telling of a mystical place where the soul descends to after death In reality we do meet Christ for his divine judgment Daily Wilma finds herself wanting to drift outside and sit in the yard swing that extends from a large hickory tree limb In finding peace there she sings and praises the Lord At times she feels his presence with her during prayer time there The wind starts to blow softly and she closes her eyes At this point he comes to her as a feeling in her heart that he is there with her She feels his presence as the wind stops and there is a silence that only she and Christ can feel

Mystical Moments and Unitive Thinking Dan Merkur, 1999-02-11 Merkur proposes an alternative to the traditional psychoanalytic explanation of mystical experiences as regression to the solipsism of earliest infancy He does this by viewing unitive thinking as a line of cognitive development and mystical moments as creative inspirations on unitive topics Utilizing classical self reports by Christian Jewish and Muslim mystics Patanjali s Yoga Sutras and modern Western peak experiences Merkur argues that experiences of mystical union are manifestations of a broader category of psychological processes that manifest in scientific and moral thought as well as in mysticism Unconscious as well as conscious unitive thinking is sometimes realistic and sometimes fantastic in patterns that are consistent with cognitive development in general Mystical moments of unitive thinking may be considered moments of creative inspiration that happen to make use of unitive ideas Building on the psychoanalytic object relations theory that the self is always in relationship with an object Merkur argues that the solipsism of some varieties of mystical union always implies unconscious ideas of a love object who is transcendent

Revives My Soul Again Lewis V. Baldwin, Victor Anderson, 2018-11-01 MLK and the Practice of Spirituality The scholarship on Martin Luther King Jr is seriously lacking in terms of richly nuanced and revelatory treatments of his spirituality and spiritual life This book addresses this neglect by focusing on King s life as a paradigm of a deep vital engaging balanced and contagious spirituality It shows that the essence of the person King was lies in the quality of his own spiritual journey and how that translated into not only a personal devotional life of prayer meditation and fasting but also a public ministry that involved the uplift and empowerment of humanity Much attention is devoted to King s spiritual leadership to his sense of the civil rights movement as a spiritual movement and to his efforts to rescue humanity from what he termed a perpetual death of the spirit Readers encounter a figure who took seriously the personal interpersonal and sociopolitical aspects of the Christian faith thereby figuring prominently in recasting the very definition of spirituality in his time King s holistic spirituality is presented here with a clarity and power fresh for our own generation The Mystical Philosophy of Ibn Masarra and His Followers Asín Palacios, 2023-09-25 Messianic Mystics Moshe Idel, 2000-05-01 One of the world s leading scholars of Jewish thought examines the long tradition of Jewish messianism and mystical experience
