*God's Playbook* Reggie White, Steve A. Hubbard, 1998 Though he is the NFL's all time sack leader a Super Bowl champion and a future Hall of Famer Reggie White believes his true mission in life is spreading the Word of God In *God's Playbook* White makes the Bible's timeless message come alive clearly illustrating how its ancient principles remain relevant today White shares his own experiences on and off the football field drawing valuable lessons from sports legends Michael Jordan Jackie Robinson Hank Aaron and Dr J biblical heroes Jesus David Moses and Lazarus as well as the unsung coaches ministers and mentors who have influenced him personally For sports fans and non sports fans alike *God's Playbook* is an instructional and inspirational guide to living a rich and rewarding life **It'S Tough to Be a Man in God'S Economy** Dennis

Wechter, 2014-12-23 I understand that it is indeed tough to be a man in God's economy but we are called to be leaders and to walk in Christ's footprints Our society has a difficult time placing man in a satisfactory role that would complement the Madison Avenue advertising group or the image makers of Hollywood They have decided the roles of leader head of household faithful husband and father and moral compass don't seem to fit anymore This thinking is totally unacceptable and should raise flags of discontent in every Christian household As a group in today's world men need to take back the responsibilities that they have either given away or have had stolen from them and collectively become the men that Jesus spoke about in his word There is no excuse for behavior that is not pleasing to God and therefore not profitable to any man Do not let your earthly condition dictate your spiritual position **The Comeback God** Michael Cooper-White, The thesis helps the reader understand that the Yahweh of Israel and the God who raised Jesus often appearing throughout history to be down for the count has an amazing come back ability In the current postmodern context where many despair of faith and seem to circle back to the 1960's conclusion that God is dead the book will hold forth a reason to believe and a pathway to probe more deeply in contemporary images and language the age old truth and traditions of faith **God's Amazing**

**Atonement** Pastor Rod Thompson, 2022-10-16 Like so many other topics from the Bible the subject of atonement is exceedingly broad However you must study earthly sanctuary services priestly ministry Tabernacle furniture sacrifices and all of the shadows types and symbols that they represent if you want to understand God's reconciliation plan for mankind In this book Pastor Rod Thompson draws on his decades of studying Bible prophecy to explore how God plans on restoring harmony with the universe and Himself Part of the answer is Christ's death on the cross But God's amazing atonement plan includes so much more than that From the beginning of sin until the consummation of all things God is working His plan of redemption atonement and reconciliation and Jesus's death on the cross is only one part of it Find out what atonement really means and embrace the full picture of salvation with the insights and lessons in *God's Amazing Atonement* *Foundation SAMPLER* James L. Nicodem, 2012-12-13 Enjoy these SAMPLE pages from *Foundation* Can the Bible be trusted Do we even know where it came from and how it got to us What makes this book so special Questions like these have nagged at the

minds of many people over the years including Christians In Foundation Pastor Jim Nicodem gives clear answers to these and other pressing questions about the trustworthiness of the Bible The reader is taken through important doctrines such as inspiration and revelation There is a clear explanation of the history of our modern Bible and where it came from And Nicodem concludes by giving clear guidance on the means by which we can better know the Bible and understand it Perfect for believers at any stage as well as questioners or skeptics Foundation provides an accessible resource explaining why the Bible can be trusted and how we can more fully understand it     Get in the Game Tony Evans,Jonathan Evans,2006-07-01 A competitive athlete trains for one thing the game Having the skills and knowing how to play aren t enough you need to perform when it matters Yet so many of those same athletes live in a spiritual offseason They have faith They know the Word But they sit back and watch others take the lead Get in the Game encourages athletes to transfer their drive and determination to the spiritual realm and shows that there is far more than a game on the line     *Playing on God's Team* T.C.
