Gods Word To Israel:

God's Word to Israel Joseph Jensen, OSB, 2021-03-15 While many Christians recognize the abiding value of the Old Testament as God's Word they stay away from studying it because they see it as a difficult and forbidding subject In this completely revised and expanded edition of *God's Word to Israel* Joseph Jensen incorporates the latest scholarship using a combination of the historical literary and thematic approaches to present a unified treatment one that with even a modest degree of effort will produce rich rewards By selecting the most important matters rather than attempting to cover every aspect of the Old Testament message Jensen has given them the space and emphasis they deserve *God's Word to Israel*

Joseph Jensen, 1972 *God's Word on Israel* Melanie Moriah Moscovich, 2016 This book gives the reader a clear understanding of what God says about Israel in the Bible It covers topics Christians need to know about Israel **God's**

Word Alone---The Authority of Scripture Matthew Barrett, 2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God's people *God's Word Alone* is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it's so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches *Israel, Are They Still God's People?*

Steven DeNoon, 2011-03 Steve DeNoon in his book *Israel Are They Still God's People* shares essential information about groups that believe in replacement theology concerning the God of Israel In a fact filled and easy to read format he refutes groups such as the Jehovah's Witnesses and Seventh Day Adventists DeNoon exposes errors taught by Watchtower organization's It is a vital tool to help us in our approach to these deluded people This book provides many Biblical truths about the importance of natural Israel in Bible prophecy It identifies who the 144 000 of Revelation are and who might be the

Antichrist in a not so distant future This book should be a part of every church library It touches not only error of false prophets and their organizations but it also introduces an interesting discovery on the Sea of Reeds that has never been considered by Biblical scholars All concerned Christians will find this book a helpful addition to their library Paul's Viewpoint on God, Israel, and the Gentiles in Romans 9-11 Xiaxia E. Xue, 2015-05-14 Over the years Romans 9 11 has been investigated from a variety of approaches with one of the most prominent being an intertextual reading However most discussions of intertextual studies on this section of Romans fail to adequately address Paul s discourse patterns and that of his Jewish contemporaries with regard to God Israel and the Gentiles Adapting Lemke s linguistic intertextual thematic theory this study uses a methodological control to analyze the discourse patterns in Romans 9 11 Through this analysis the author demonstrates the divergence of Paul s viewpoints on several typical Jewish issues which suggests that his discontinuities from his Jewish contemporaries are obvious and sometimes radical It is apparent that Romans 9 11 not only provides a self presentation of Paul as a Mosaic prophet figure but overall it appears as a prophetic discourse reinforcing the notion that Paul s message comes from divine authority **Hearing God's Words** Peter Adam, 2004-02-11 Many discussions of Christian spirituality draw on a range of traditions and disciplines but little attention is given to the Bible itself Drawing on the Old and New Testaments John Calvin and the Puritans Peter Adam expounds a biblical model of spirituality in this New Studies in Biblical Theology volume The Prayer Bible: Pray God's Word Cover to Cover (NIV) Thomas Nelson, 2025-07-29 Even when you can t find the words you can pray with God s Word The Prayer Bible guides you in praying the life giving Word of God giving you the words to pray even when you don t know what to pray With the help of 1200 prompts you can pray through every chapter of Scripture for a deep personal engagement with the Bible Features include Introduction on how to use The Prayer Bible Bible book introductions provide a concise overview of the background and historical context of the book about to be read 1 200 prayer prompts at least one for each chapter of the Bible to strengthen your prayer life Words of Christ in red quickly identify Jesus teachings and statements Prayers of the Bible include nearly 100 prayers in the Bible who prayed them and what they prayed about Bible reading plan guiding you through the entire Bible in a year Articles with tips and insight to help you engage with Scripture **The Bodies of God and the World of Ancient Israel** Benjamin D. Sommer, 2009-06-29 Sommer utilizes a lost ancient Near Eastern perception of divinity according to which a god has more than one body and fluid unbounded selves Though the dominant strains of biblical religion rejected it a monotheistic version of this theological intuition is found in some biblical texts Later Jewish and Christian thinkers inherited this ancient way of thinking ideas such as the sefirot in Kabbalah and the trinity in Christianity represent a late version of this theology This book forces us to rethink the distinction between monotheism and polytheism as this notion of divine fluidity is found in both polytheistic cultures Babylonia Assyria Canaan and monotheistic ones biblical religion Jewish mysticism Christianity whereas it is absent in some polytheistic cultures classical Greece The Bodies of God and the World of Ancient Israel has important

repercussions not only for biblical scholarship and comparative religion but for Jewish Christian dialogue The Banner of Israel ,1915 **Who is True Israel?** Donald Werner,2017-08-22 God created all people Within the total of humanity God has a group of people that He considers His own His chosen people These chosen few were given a name that defines who they are and what makes them separate from all other people That name of course is Israel Israel means one who struggles with God It s one who wrestles with God s Divine authority i e His commands laws and promises And after the internal struggle is over they surrender their own wills to submit to YHVH s Divine will The problem is we are all born with a selfish nature that is we are by nature self centered self absorbed and we elevate self to top priority in our lives and we desire to be self ruled and put self first we don t want anyone telling us what to do We by nature don t want to submit to anyone else s authority However YHVH God calls on us to humble ourselves and submit to His Divine authority And our internal struggle must happen in order to do that we must crucify self i e self love selfishness self centeredness etc And that is what Jesus called us to do in order to be one of God s chosen people Matthew 16 24 Then Jesus said to his disciples Whoever wants to be my disciple must deny themselves and take up their cross and follow me And Luke adds the word Daily And when we are able to do that we are true children of Abraham and partake in a covenant relationship with YHVH God by fulfilling the stipulations of the Covenant becoming Israel and receiving the promise of eternal life In this book I will examine the Scriptures to see what it alone says about who is the true Israel I will draw on many of scriptures from the New and Old Testaments which tell us how we can be true Israel By the time you are done with this book the answer you are seeking will be obvious God's Mystery That Is Christ Seok Lyun Chang Soppe,2014-04 At some point during our religious maturation we have to ask ourselves how much do we really know God What phase is our faith in And are we spiritually dead or alive This book was written for those on a quest to make a connection with God The purpose of this book is to support the readers relationship with Christ It is meant to be read along with The Holy Bible and not in place The objective is to stir our preconceptions about biblical truths so that we may be able to discern God s intent with the Spirit of Truth When people ready the Bible receptively they will find that it gives a feeling of transcendence This book is a great guide for the spiritually thirty It is a must read for all those seeking the Truth The deep intentions within God s Word are revealed to those who eagerly search for it Rev B So Jin Church of True Life *Mercer Commentary on the New Testament* Watson E. Mills,Richard F. Wilson,2004 This one volume commentary on the Old Testament including the Deuterocanonical literature is taken from the Mercer Commentary on the Bible Every book of the Old Testament receives full commentary treatment complete with an introduction and outline to each book followed by a commentary on each book This volume is the perfect tool for students and teachers in that it provides the essential information in understanding the text and its meaning As such it is deal for introductory courses on the Old Testament Hebrew Bible or for individual or group study **Trusting and Toiling on Israel's Behalf** ,1904 **Israel and the Covenants in New Testament Times** Peter Williams, A Bible student

reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that

The Memoirs of God Mark S. Smith, This insightful work examines the variety of ways that collective memory oral tradition history and history writing intersect Integral to all this are the ways in which ancient Israel was shaped by the monarchy the Babylonian exile and the dispersions of Judeans and the ways in which Israel conceptualized and interacted with the divine Yahweh as well as other deities Israelology - The Birthright, House of Israel, Kingdom, and Sons of God Paul H. Andree, III, 2008-03-29 The Houses of Israel and Judah dominate the scriptures from the time of King David until they both were sent into captivity Each House had a destiny to fulfill These destinies are being worked out today What drives the destiny of these Houses The Birthright is a term that many in the Church are aware of but without an understanding of its presence throughout the scriptures It is manifested as the Dominion Mandate and the Fruitfulness Mandate through the Houses of Israel and Judah What are the implications for the coming Kingdom of God and the Sons of God We cannot know or comprehend this answer unless we understand the many foundational scriptures and concepts that establish God's Heart and Plan for the last days This study will challenge each person to be teachable and open to another perspective of God's Plan for Redemption God will reveal His Plan for you and your place in His Coming Kingdom God is maturing His Believers to rule and reign with Him

The Holy One of Israel

Lenn E. Goodman,2019-10-03 Holy holy holy The Lord of hosts The fill of all the earth is His glory In these few ecstatic words the prophet Isaiah captured the core of Jewish thinking about humanity nature and God If the idea of holiness generally points toward God s transcendence Isaiah brings it back down to earth recognizing God s presence throughout the world The Holy One of Israel is a philosophical exploration of that remarkable and distinctively Jewish idea that God is everywhere yet not in space Lenn Goodman explores what can be meant by God s uniqueness presence and perfection In a text richly resonant with the classic Jewish sources and in dialogue with the great philosophers Goodman probes the ideas of revelation natural law the problem of evil the challenges and limits of the idea of God s transcendence and God s actions in and through nature including human nature This book is a must read for anyone seriously interested in how our ideas about God can inform our lives and our thinking about individual and social responsibility and intellectual and artistic creativity and spiritual growth The Future Restoration of Israel Stanley E. Porter,Alan E. Kurschner,2023-06-02 This volume is the most

extensive of its kind as a major set of collected essays from a wide range of scholars on the question of the promises of God to Israel These essays put forward the position that unconditional promises were given to Israel which have not been fulfilled in the church or any other entity At the consummation there will be a continuing role for the Jews realized through their national and territorial hope of a restored redeemed Israel This volume contains an eclectic group of contributors who have reached this position from various approaches to interpretation The essays exhibit both positive argumentation and engagement with supersessionist literature **Paul and the Vocation of Israel** Lionel J. Windsor,2014-04-01 The Apostle Paul was the greatest early missionary of the Christian gospel He was also by his own admission an Israelite How can both these realities coexist in one individual This book argues that Paul viewed his mission to the Gentiles in and of itself as the primary expression of his Jewish identity The concept of Israel s divine vocation is used to shed fresh light on a number of much debated passages in Paul s letter to the Romans
