Godviews The Convictions That Drive Us And Divide Us

George F. LaMaster

Godviews The Convictions That Drive Us And Divide Us:

Godviews Jack Haberer, John Haberer, 2001-01-01 *GodViews* is a provocative and insightful look at the divisions within the church The author is a notable conservative Presbyterian whose thinking and writing style has many fans on the liberal end as well Here Jack Haberer discusses five different concerns of Christians preservation of truth promotion of intimacy with God unity in the church caring for victims and welcoming the marginalized **Swimming with the Sharks** Jack

Haberer, 2024-06-27 Building on a string of Haberer family harrowing encounters *Swimming with the Sharks* presents a framework for addressing the sharks among us those on the other side of the divide in American church life What is characterized as the separation between blue progressives and red conservatives is shown to be a sellout to a political model and a false witness about the facts and faith on the ground Believers do see things differently but not in simplistic binary parties rather in an overlapping set of five understandings of Jesus heart and passion for God s mission in the world Each is faithful each is true and yet when huddling in their enclaves of agreement likeminded folks become stupid duped by their shared blind spots All five living together become iron sharpening iron And while we still may diverge on hot button controversies we do converge and indeed take flight through the Holy Spirit s filling empowering gifting calling and commissioning of every believer in a culture a movement a full spectrum revolution of mutual giftedness in mission Practical implications get spelled out e g less pastor driven more member driven and then conclude with blunt explications Not all church consultants need to be ignored but many do And while we still may diverge on hot button controversies we do converge and indeed take flight through the Holy Spirit s filling empowering gifting calling and commissioning of every believer in a culture a movement a full spectrum revolution of mutual giftedness in mission *A Sustainable Presbyterian*

Future Louis B. Weeks, 2012-06-25 In this study of the Presbyterian Church U S A Louis Weeks examines the present state of the denomination and how congregations can grow in faith through the current time of transition in the church He considers markers of Presbyterian identity new ways of connecting and faith development and defining qualities of the church Recognizing that many congregations are changing in different ways Weeks includes case studies of congregations and interviews with leaders of local congregations and denominational leaders to explore aspects of Presbyterian faith and life that are viable and necessary for the future **Radical Discipleship** Robert P. Vande Kappelle, 2022-08-11 Discipleship is a

universal experience all human beings share In our lifetime each of us has had a mentor tutor teacher or role model someone we admired respected and followed As the central character in the Bible the world s best selling book Jesus is known and revered the world over What would it be like to be mentored by such an individual Of course we can follow the accounts of the historical Jesus and his disciples in the gospels but what would it mean to be discipled by a contemporary twenty first century Jesus While people across the world claim to follow Jesus what would it mean to live in the modern world guided by a modern Jesus on religious issues such as faith God and scripture and on social issues such as poverty healthcare social

justice political reform and caring for the environment A good place to begin is with compassion for Christianity and compassion are largely linked To be apprenticed to Jesus is to follow one whose profound love for the hungry sick and dying inspired more compassion than any single person movement or force in history Addressing discipleship as a priority in our lives Radical Discipleship illustrates its subject with stories and accounts of ordinary Christians living out their discipleship in authentic and inspiring ways Useful for individual or group study this volume serves as a resource for people seeking tools necessary to fulfill Jesus vision for a more vibrant and equitable world one in which every human being can thrive

Technology, Management and the Evangelical Church John Weaver, 2020-04-02 This book explores the technological innovations and management practices of evangelical Christian religions Beginning from the late 19th century the author examines the evangelical church's increasing appropriation of business practices from the secular world as solutions to organizational problems He notes especially the importance of the church growth movement and the formation of church networks Particular attention is paid to the history of evangelical uses of computer technology including connections the Christian Right has made within Silicon Valley Most significantly this book offers one of the first academic explorations of the use of cybernetics systems theory and complexity theory by evangelical leaders and management theorists [Open Source Church](#) Landon Whitsitt, 2011-04-08 Open source software makes the basic program instructions available for anyone to see and edit An open source church likewise is one in which the basic functions of mission and ministry are open to anyone Members feel free to pursue their callings from God that are consistent with what God has called the congregation to be and do But what does open source church look like In Open Source Church Making Room for the Wisdom of All Landon Whitsitt argues that Wikipedia the encyclopedia that anyone can see and edit might be the most instructive model available to help congregations develop leaders and structures that can meet the challenges presented by our changing world Its success depends he demonstrates not on the views of select experts but on the collective wisdom of crowds Then turning to the work of James Surowiecki in The Wisdom of Crowds he explores the idea that the body of Christ itself when it is intentionally diverse encourages independence of thought values decentralization and effectively captures and aggregates the group's collective wisdom is an open source church Together these phenomena show us what an open source church looks like It is the body of Christ at its best [Awake](#) Joel Sheldon Clark, 2012-04-03 Joel Clark's heart pounding tear jerking laugh out loud stories didn't happen by accident His life of adventure ignited when he embraced the journey God had planned for him the story God wants to tell through each one of us With interactive film clips and personal interviews embedded in this Zondervan ebook Joel invites you into the story Jesus is telling in the middle of the orphan crisis in Africa the heart rending tragedy that followed the Haiti earthquake as well as his own quirky and very real love story As you meet the characters who have shaped Joel's journey you'll see Jesus through the tears of a young slave in Africa and witness intimate conversations with child soldiers in Haiti and youth group kids in South Africa And you'll be challenged to enter a God adventure of your

own Because according to Clark another person s experiences are never enough Your unique passions gifts and circumstances are calling you to live big and say yes What part of the unfolding story is Jesus longing to tell through you It s time to do it for the story Leading from the Center William J. Weston,2003-01-01 InLeading from the Center sociologist William Weston provides an enlightening look at the Presbyterian Church U S A and the tensions that exist between key groups in the denomination Weston defines the key groups as conservatives liberals and loyalists and structures his view of the denomination around the third group Defining loyalists as the largest and those who have no wish to see the denomination split apart Weston argues that while conservatives may consider splitting the church over doctrinal issues and liberals may consider splitting the church over social issues the loyalists want to work for peace and unity in an effort to hold the church together His in depth analysis examines the left and right sides of the church and their competition to win the loyalist center to their respective sides Meticulously researched but engaging and insightful Leading from the Center is a concise sketch of the denomination that is often surprising and always revealing *The Scandal of Divine Love* Robert P. Vande Kappelle,2017-10-20 There is no more important topic for inquiry today than the meaning and message of Jesus for in this quest lies the solution to human discontent and despair Examining an array of titles for Jesus found in the New Testament expressions ranging from rabbi and messiah to Wisdom of God Word of God and Lord this study explores why Christology is not simply the study of Jesus Christ but also of the highest and best in us all Who is Jesus Christ and what is his significance for today Was he fully human the perfect human God in disguise or somehow all of these simultaneously The key is to begin where the first Christians began with their experience of Jesus and then to press forward with the development of that understanding in our experience of Christ While *The Scandal of Divine Love* is designed for Christian believers survivors it embraces skeptics and seekers alike mindful that within each of us are multiple voices sometimes affirming sometimes questioning occasionally even denying Whether you consider yourself primarily as skeptic seeker or believer this study encourages you to listen appreciate and cultivate each voice This volume ideal for individual and group study will help you discover anew the magnificence of the life and person known to us as Jesus of Nazareth as guide exemplar and Lord

Living the Presence of the Spirit Jack Haberer,John Haberer,2001-01-01 This popular theology on the Holy Spirit is at once profound and remarkably accessible Jack Haberer tracks the doctrine of the Spirit through the Bible contemporary experiences and church life and examines the way it applies to social issues in the world today Haberer s clear presentation brings stories from the Bible to life and makes this book a standout among those on the Spirit and spirituality Beyond the Ordinary Cynthia Woolever,Deborah Bruce,2004-01-01 Taking an intricate look at vitality and health in congregations based on information gathered from the 2001 U S Congregational Life Survey the authors conclude that congregations have ten strengths and that by building upon these strengths congregations can transform their futures **Pulpit and Politics** Corwin E. Smidt,2004 *Pulpit and Politics* presents the most current and comprehensive examination of the religious beliefs

and political behavior of American clergy at the advent of the new millennium Based on data gathered during the 2000 Presidential election this study examines the relationship between belief and behavior theology and politics religious commitments and social activism from African American Baptist Jewish Mainline Protestant Roman Catholic and other religious groups Pulpit and Politics is a treasure trove of historical comparative and statistical information about the political behavior of America s clergy

The Remnant Spirit Douglas E. Cowan, 2003-11-30 Over the past few decades mainline Protestant denominations in North America have been experiencing a significant decline in membership active participation and financial contributions In the midst of this decline these denominations have been caught up in a variety of controversial religious ecclesiastical and social issues a shift from neo orthodox to liberal theology the advent of inclusive liturgical and biblical language denominational support for often controversial social issues and heated debates around human sexuality particularly the place of homosexuals in the church To address these issues and concerns and to recapture the traditionalism many feel their churches have abandoned the remnant faithful those who choose to stay in their churches have formed a number of reform and renewal movements Cowan examines these emergent social movements providing anecdotal and lively examples of their activities their arguments their identities and their approaches to strengthening their churches Rather than leave denominations which they regard as increasingly hostile to theological and ecclesiastical traditionalism many mainline Protestants have chosen to stay and fight for their churches forming reform and renewal movements intended to address hot button issues in the way their churches function and practice These conservative reform movements however are often vilified by their more liberal co religionists and not infrequently regarded as theologically immature doctrinally stagnant and ecclesiastically belligerent The Remnant Spirit demonstrates that these are simplistic and reductivist analyses that only serve to avoid the very issues around which reform movements emerge and evolve The author provides an in depth examination of four major North American denominations and the various conservative reform and renewal movements taking place in each while acknowledging that every mainline Protestant Church in the U S and Canada is contending with similar issues and addressing them in similar fashions Here the voices of the remnant faithful those that contribute to denominational discussions as they are experienced by ordinary church members and leaders alike are presented and discussed in a thoughtful and lively manner

Waiting for a Glacier to Move Jennifer R. Ayres, 2011-10-26 When asked about his work for social change one Presbyterian elder and activist sighed You always have the feeling that you re attacking an iceberg with an ice pick But still some people do listen and it does some good As they say even glaciers move every now and then The work for social change is long arduous and yields only the smallest of results What sustains religious social activists while they chip away at social change This book examines the practice of social activism from the inside out exploring how activists are affected by their participation in the public sphere Drawing on the fields of practice theory social movement theory and theologies of sin and hope this book presents an interdisciplinary look at a complex phenomenon and concludes with

proposals for the nourishment of social activism within the church Presbyterians Being Reformed Robert H. Bullock, Jr., 2006-01-01 Beginning with the motto The Church Reformed and Always Being Reformed thirteen Presbyterian leaders and representatives of a number of different groups across the theological spectrum offer their reflections on the current state of the Presbyterian Church U S A and what the denomination needs today This book presents various viewpoints values and commitments found throughout the denomination Discussion and reflection questions at the end of each chapter make this book ideal for individual and group study **Prophets in Dialogue** George F. LaMaster, 2003 **American Book Publishing Record** , 2004 *Jesus and Psychology* Fraser N. Watts, 2007 For Christians there is nothing more important than understanding the significance of the life and teaching of Jesus It is when people gain an insight in to the mind of Jesus and understand how his teaching is relevant to them personally that a life changing relationship develops Here the insights of psychology are applied to the figure of Jesus as we encounter him in the gospels his personality and how it is portrayed the psychological significance of his teaching and the psychological processes involved in our reading of the gospels The contributions range from considerations of the psychology of Jesus himself and how he is portrayed through chapters covering the message sayings and encounters of Jesus in the gospels A final section explores what we bring to our own reading and interpretation of the gospels Accessible and approachable *Jesus Psychology* is a must for anyone interested in the psychology of religion who is looking to deepen their understanding of the gospels and the figure of Jesus Contributors Fraser Watts Justin J Megitt Liz Gulliford Sara Savage Beaumont Stevenson Jesse W Abell James M Day Leslie J Francis Everett J Worthington Jr Forthcoming Books Rose Arny, 2001-06 **Book Review Digest** , 2002
