Please Don't Go, Girl Naima Simone, I m no one s knight in shining armor My weapons of choice are my drumsticks and my di Yeah you get what I m saying Yet here I am riding to the rescue to save Lena Graves from an ugly confrontation with her a hole ex It s not like I ve given the little secretary who happens to be the friend of my best friend s girl much thought But I m not going to stand by and let her be disrespected either And when she thanks me by sinking to her knees in the club bathroom Well I don t stop her I did mention I m no one s hero right Now my mother is demanding I return home for my parents anniversary party and I might be the drummer of the world s hottest rock band but I can t say no to her But damn if I m showing up alone especially when my brother will be there with the woman I was supposed to marry once upon a time It s Lena s turn to do me a solid and when she grudgingly agrees to come with me problem is solved Though we shared a nuclear hot encounter that is permanently branded on my mind she s the perfect woman to be my fake girlfriend Lena knows this is pretend and won t expect anything more at the end of this But being in such close proximity to her sharing her space breathing in her sweet scent touching her thick curvy body This ruse requires me to act as if I m gone over this woman But this pretense is stirring something all too real inside me And at the end we re going our separate ways Or maybe it ll be me begging her to please don t go

Go Girl!. Trina Robbins,2006

The Rimers of Eldritch Lanford Wilson,1967 Mr Wilson handles the collage technique so beautifully that we leave convinced no other method would have served half so well This reviewer liked Rimers for its fluidity for its language for its almost musical sense of pattern The New York Times The mystery is who he is who murdered him and what were the circumstances And to solve it Wilson looks at the outsides and insides of his tiny Middle Western town He looks at a middle aging woman who falls in love with the

young man who comes to work in her caf He looks at a coarse nasty woman mistreating her senile mother who is obsessed with visions of Eldritch being evil and headed for blood spilling He looks at a tender relationship between a young man a dreamy crippled girl But Wilson sees far more than this He is grasping the very fabric of Bible Belt America with its catchword morality virgin God fearing and its capability for the vicious He senses the rhythm of its life and the cruelty it can impose He understands the speech patterns of its loveless gossips its sex hungry boys its compassionless preachers its car conscious blondes In the end his portrait of Eldritch is full length and the truth of its revelations will be pondered long after the stage lights have dimmed and the play has ended
