Going Baboony:

Going Baboony! Martin Kratt, 1997-01-01 Looks at the daily habits of baboons through the notebooks of Chris and Martin Kratt including facts about different kinds of baboons and their relatives **The Blond Baboon** Janwillem van de Wetering, 2003-07-01 While in the neighborhood investigating a pet poisoner Grijpstra and de Gier of the Amsterdam police are called to the home of a wealthy middle aged woman the former lover of a man known only as The Baboon when her body turns up in her garden **Yesu's Baboon** Gerhard Venter, 2022-01-01 The judgment of Koyati a poor herdboyc from a remote village in Tanzania is often clouded as if he were a crocodile lurking under muddy waters He would rather be quick and clear eyed like Rabbit He goes to the city and soon lands in prison A parole officer calls him a baboon Insulted to the core Koyati starts incorporating a baboon in his woodcarving On death row he discovers that he has world class talent Can his strange art save him Binnie the Baboon Anxiety and Stress Activity Book Karen Treisman, 2019-11-21 Binnie is an energetic baboon who bounces around the lush green mountains of Rwanda in East Africa But like many of us Binnie often feels worried and stressed and these worries can get in her way What if she gets lost in the jungle or her family gets sick What if no one likes her Sometimes she even worries about the fact she s worried and if she isn t worried well why not This activity book has been developed by expert child psychologist Dr Karen Treisman The first part of the book is a colourful illustrated therapeutic story about Binnie the Baboon with a focus on worry and anxiety This is followed by a wealth of creative activities and photocopiable worksheets for children to explore issues relating to anxiety worry fears and stress and how to find ways to understand and overcome them The final section of the book is full of advice and practical strategies for parents carers and professionals on how to help children aged 5 10 to start to understand why they experience feelings of anxiety and what they can do to help reduce and navigate it This resource is complemented by a host of bestselling publications and card sets all created by Dr Treisman search on Therapeutic Treasures Collection to discover them all This activity book is complemented by a standalone picture book of Binnie s story also available from Jessica Kingsley Publishers Binnie the Baboon ISBN 9781839970252 *My Life as a Belching Baboon with Bad Breath* Bill Myers, 2006-10-29 All of Wally s friends have cooler stuff than he does and even his prayers have turned into Dear God gimme gimme gimme until Dad drags him along on an aid project to Africa He meets a boy his age who shows him what really counts in life and the key to real happiness *In Quest of the Sacred Baboon* Hans Kummer, 2017-03-14 In a tale that begins at a zoo in Zurich and takes us across the deserts of Ethiopia to the Asir Mountains in Saudi Arabia Hans Kummer recreates the adventure and intellectual thrill of the early days of field research on primates Just as Jane Goodall and Dian Fossey introduced readers to the fascinating lives of chimpanzees and gorillas Kummer brings us face to face with the Hamadryas baboon With their furry white mantles and gleaming red hindquarters the Hamadryas appear frequently in the art of the ancient Egyptians who may have interpreted the baboons early morning grooming rituals as sun worshiping rites Back then Hamadryas were thought to

be incarnates of Thoth the god of wisdom today they are considered to have one of the most highly structured social systems among primates very close in some respects to that of humans In the 1960s Kummer after conflicts with nomadic warriors managed to track down these elusive baboons near the Danakil Desert and then followed them from dawn to dusk on their treks from one feeding place to another His scientific account of this period reads like a travel memoir as he describes his encounters with the Hamadryas and the people with whom they share the desert Winding his way through cliffs and stubble Kummer records the baboons social life from the development of pair relationships to the way an entire group decides where to march each day Much like the human nomads who cope with the harsh demands of the desert environment the Hamadryas maintain a society that is strict and patriarchal in its details but multilayered and flexible in its largest units We learn for example of the Hamadryas respect for possession that protects family structure and of the cohesion among family leaders that lessens the threat of battle At the same time clear cut personalities emerge from Kummer s account drawing us into the life stories and power struggles of individual baboons Whereas this rich detail holds many implications for natural scientists the colorful way it comes to life makes for a compelling book bound to entertain and educate all readers Originally published in 1995 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
