later served as a tribal councilman in the 1930s and as a judge in the 1940s and 1950s His observations on these experiences are relevant to our understanding of contemporary Navajo life Lawrence C Kelly Western Historical Quarterly This book stands easily among the best of the native autobiographies Narrated by a thoughtful and articulate Navajo leader over a span of eighteen years this life history is brought into English with none of the selective romanticizing that has spoiled some books It is a superb job of bringing one culture ever closer to another Barre Tolken Western Folklore *School Life* ,1945
