Going Bananas:

Going Bananas Elane Feldman, 1978 *No More Bananas* Jeroen Kraaijenbrink, 2019-06-21 Feel better get done more and become a nicer person In this age of social media fake news individualism and information overload the certainties we relied on in the past are gone In our quest for assurance and support the only seemingly dependable pillar left is other people So we look to them But they are unsettled too And by looking to them we create and perpetuate our own vicious stress cycle As a result we lose our sensible selves And we go bananas But there is good news If we look around us there are people who withstand the collective lunacy and stay grounded They do something that most of us have a hard time doing they stay themselves And the best news is that what they can do you can do too It doesn't require any special talents or supernatural powers It only requires doing In this amiable open and accessible book Jeroen Kraaijenbrink takes you on his personal journey out of Bananaland Drawing from cognitive psychology martial arts Saint Benedict personal experience and a wide range of other sources the book offers a nine step approach with some remarkably practical advice for keeping a cool head in the collective lunacy Free yourself from the collective lunacy and reclaim your calm and sensible self **The Cat Who Went Bananas** Lilian Jackson Braun, 2004-12-29 Siamese cat Koko finds a bunch of clues when an out of town actor dies mysteriously in this mystery in the New York Times bestselling Cat Who series With the opening night of Oscar Wilde's *The Importance of Being Earnest* fast approaching along with the dedication of the new bookstore in town good times are ahead for the citizens of Pickax But the merry atmosphere is dampened by the suspicious death of an out of town actor and the theft of a rare book Qwill finds himself distracted from the recent events by his finicky pal Koko who's been acting more fishy than feline Has Koko gone bananas or is he trying to let the cat out of the bag to help Qwill solve the dual mysteries Mr. Cucumber Goes Bananas Thomas Gerner Larsen, 2003-03-13 In the present book we follow the billionaire John Greeley alias Mr Cucumber around the world where he farts and burps his way through luxurious hotels restaurants airplanes Playboy Clubs and brothels John was born with hair and beard like an adult Well such things can happen we all know that But he also had a few extras as already indicated From an early age people occasionally ran to save their lives because of his explosive stomach Eventually whole buildings would vanish around him Mr Cucumber is 63 years old at the time that he tells his story But he looks like a man at 25 and behaves like a kid At some point in life he develops clairvoyant abilities **The Magic of Bananas For Cooking and Healing** John Davidson, Dueep J.
