Going Beyond A Positive Mental Attitude:

Going Beyond a Positive Mental Attitude Rich Wilkins,1993 You have been hearing the word Attitude all of your life However has anyone explained what it really is how it is developed and how to empower it Are you aware that your attitudes are developed very early in life If the answers to these questions are no then this book was written just for you GOING BEYOND A POSITIVE MENTAL ATTITUDE gives you a practical approach to better understanding who what how and when your attitudes were developed Your new awareness will better equip you to go beyond a POSitive mental attitude You will also learn that all attitudes are values based and building a POSitive attitude is not the hard part keeping it is In addition to the many attitude building principles MR POS gives you over 400 simple yet powerful motivational sayings to POSitively reinforce your attitude everyday Building a POSitive attitude is a process which needs to be reinforced everyday and below are additional products you can use to continue to build a better you BOOK COVER Go Beyond Stress - 12 Self- Hynotism Stress Busting Sessions Gary Haymes,2010-09-24 Synopsis Go Beyond Stress Twelve Self Hynotic Stess Busting SessionsBehavior and addiction modification through self hypnosis is the same as being hypnotized by a profession hypnotherapist Nearly 98 percent of all people can easily place the subconscious Inner brain into a self induced hypnotic trance Hypnosis is the state of brain everyone experiences shortly when awakening It works **Napoleon Hill: Adversity & Advantage** Napoleon Hill,Satish Verma,2021-11-02 An inspiring guide to facing difficult times with strength and courage the only true path to success from the greatest voice in personal success literature Napoleon Hill This newly annotated work from the Napoleon Hill Foundation collects a series of radio interviews Napoleon Hill gave as the world healed from the Second World War With the world still recovering from the wounds physical and mental that accumulated from the conflict Napoleon Hill felt that he could not enjoy retirement without coming forward one last time to deliver this series of talks Hill s message was that success cannot be achieved without failure Strength and innovation in the face of adversity is the only true success exactly the kind of message that many readers will want to hear after a global pandemic has caused upset and conflict around the world today Hill gives his advice for conditioning the mind for success identifying the three great markers of failure and more in this valuable and inspiring guide **Positive Thinking: How to Achieve Real Success & Happiness in Your Life with Positive Thinking (Self help: Simple steps to achieving success)** Darryl Hale, In primitive times a person s existence was dependent entirely on one s ability to survive in the face of indeterminate odds Ironically those laws of the jungle exist even today on modern human society and while we may not be dealing with life and death situations around every corner we are dealing with sufficiently life altering critical win or lose based constructs The only problem with this thought process however is that when you are living a life where you think in terms of win or lose what you are actually doing is turning your usually colorful life and turning it into a black and white Audrey Hepburn movie You miss out on all the nuances of living life and get sucked into a repetitive thought pattern where all you can think of is

what you missed out on In short you forget to see the positives in life because you are so fixated on the negatives This is not your run of the mill power of positive thinking book It not only tells you about the power of positive thinking and how to utilize this to change your life but it also explains HOW this works how your mind works and why negative thinking can and will bring about negative consequences The author draws upon real life circumstances and analogies to bring the information contained within this book to life explaining in detail not only how or thinking can keep us from succeeding but tells us why it works the way it works and how we can combat it to help us succeed in meeting our goals and being the person we were truly meant to be He does this in a no nonsense straight forward manner encouraging us to be the best we can be by silencing those thoughts that tend to put us in this negative cycle
