Guiding Spirits (Veritas) Michele L. Sayre, 2023-06-17 GUIDING SPIRITS VERITAS The beauty of poetry is that we try to express with the fewest words possible the entirety of life and our natures and what it is like for us to live upon this planet Words become a song that we sing out into the universe trying to reach out to like minded souls It is our nature to express ourselves and share who we are with the cosmos There s a certain fearlessness attached to a poem when it s presented to the world There s always that one iota of fear where the poet feels that they are alone in their views and someone else will not get them at their most basic level of humanity Poetry is saying Here I am universe Take me as I am I hope you love me but if that cannot happen I will be satisfied if you just don t ignore me To be heard is to matter and that is all any of us want to fulfill the wish that our lives matter That what we think and feel and hope matters to someone other than ourselves This book is an exploration and experiencing of the world around us through the poet s eyes when she was much younger than she is now Through any age we all experience the same emotions desires wants dreams and just a heart felt wish that we matter to someone in this universe even if it s ourselves
