Betsworth examines the narratives parables and teachings of and about children in the gospels and the literature of Early Christianity Betsworth begins with a discussion of the social historical context of children and childhood in the first century before discussing the role of children in all four gospels She shows that for Mark and Matthew children are integral to understanding each evangelist s perspective on the reign of God and on Jesus identity in each Gospel In the Gospel of Luke the childhood of Jesus is shown to be crucial to the broader themes of the Gospel In the Gospel of John Betsworth examines the metaphorical use of the word children looking at children of light and of darkness She then explores stories of Jesus childhood in the non canonical Infancy Gospels of James and Thomas as well as the childhood of his mother Mary in the latter shedding light upon views of children discipleship and the person of Jesus in early christianity and in the ancient world more generally **Creative Ideas for Children's Worship - Year A** Sarah Lenton,2012-05 One of the biggest challenges for

worship leaders and educators is coming up with ideas for including children in worship These books provide a whole year s worth of activities and ideas complete with artwork and visual aids The activities have been developed and used in an Anglican parish Church of England over the last eight years by a professional educator artist and experienced children s minister The worship outlines include simple children s liturgies and a complete lesson or story plan that harmonizes with the lectionary Through fun ideas children encounter a real aspect of the Christian faith focused on a theme from each Sunday s Gospel Each outline includes a variety of options which make them appropriate for small and large groups of children as well as mixed age groups Illustrated throughout the text and full color artwork are included on a CD ROM for downloading printing and copying **Reset for Parents** Todd Friel,2017-02-01 Raising a prodigal is every Christian parent s worst

nightmare Horrifyingly George Barna contends that over 60 percent of Christian kids will run off to university and lose their faith Some pollsters believe the number is as high as 80 percent But there is great news Your child doesn t have to become a statistic Your child can become an adult who loves the Lord the same way you do but this will likely require a radical parenting reset on your part Todd Friel has witnessed to hundreds of university students most of whom are Bible belt backsliders Reset for Parents gets to the heart of the issue and presents a solid biblical roadmap for parents to avoid the pain and heartache of raising a prodigal **Partnering with God in Parenting Our Children** Olan Stubbs,2025-07-29

Parenting is hard If you are considering this book it is likely because you too think it is hard and are looking for some help In this book Olan Stubbs lets you know that you are not alone and God has not left you to parent on your own Drawing deep

from God's Word and tempered by years of experience Stubbs shares godly counsel for weak and weary parents This is not just a how to manual for raising children Rather it is realistic counsel that recognizes the pains of parenthood Yet it also presents us with the hope we need to patiently partner with God in parenting our children **Forming Faith** Matt Markins, Mike Handler, Sam Luce, 2024-08-06 Resiliently rooted in Christ living into this formational moment What would it look like to form kids with lasting faith in Jesus no matter the culture or context Does this seem possible It's getting harder to imagine in our highly secularized culture Current approaches to faith formation aren't working Matt Markins Sam Luce and Mike Handler combine leadership experience from Awana global pioneer in children's discipleship with pastoral wisdom to provide a much needed timely resource for the church and home Forming Faith helps us understand what isn't working why it doesn't work and what we can do to build the church Markins Luce and Handler fathers and leaders look at the blueprint often employed in children's ministries that seems innovative but is greatly misguided Forming Faith brings not only analysis it provides biblically based backed by research solutions to form lasting faith in our children We have real concerns and fears for the kids we love More than anything we want to see younger generations follow Jesus with conviction and compassion What must we be doing at church and at home to strengthen our influence This resource provides the focus resiliency and hope we all need The Complete Children's Liturgy Book Katie Thompson, 1996 Liturgies of the Word for years A B and C
