## **God Can Handle It Marriage:**

*God Can Handle It . . . Marriage* S. M. Henriques, 1998-07 This book is a combination of relevant scripture verses and thought provoking quotations about the sacred union between a husband and wife These pages convey time tested principles that work and the responsibility of both husband and wife to make them work Through his use of scriptures and quotations Dr Henriques highlights such topics as love forgiveness communication and conflict *HOW TO USE GOD'S LIFETIME WARRANTY IN YOUR MARRIAGE* Dr. Amos Adeniyi, 2014-08-28 The idea to write fictional letters to marital couples on how to use God's lifetime warranty on their marriages came into being in the process of a sermon preparation as a guest pastor for a local church in November 2011 I prayed about which message to deliver for many days About two days before Sunday I had a dream that a young lady participated during my sermon After the sermon her family greeted me well and said I made her speak in public for the first time and I gave her the encouragement that she needs for the rest of her life Then I woke up On the actual Sunday service during the sermon I asked the congregation how many of them had a dog or a cat A young lady a 17 year old said she had a cat I asked if she ever took her cat for a walk she said no I asked why not She replied Nobody does Then I said people take their dogs for walks but this does not mean that dogs are more important or better than cats Cats have their own usefulness God who created us knows that we are not the same and that we cannot function in the same way One should not be boasting that s/he is better than the other After the service the grandfather of the cat owner who spoke during my sermon and her aunt came to me and thanked me for the opportunity given to the young lady to talk for the first time in public which would enable her to express herself publicly When I was praying at home after the sermon I had the feeling that God wanted me to tell people to try out what seems to be unusual for them It has been my concern for many years that many couples don't take their wedding vows seriously It is affecting children a great deal many children have two or three stepparents Those children without stepparents seem to be the odd ones among their peers In Canada about 50% of first marriages may likely end up in divorce One may presume that the rate of divorce in second marriages would be lower but instead it is higher at 72% while third marriages have the highest divorce rate of 85% Comparative Annual Divorce Rate in Canada Similarly in America the first marriage divorce rate ranges from 41-50% second marriage divorce rate is between 60-67% and third marriage is between 73-74% Information on Divorce Rate and Statistics This book is fictional The stories are not real stories They are about my past experiences with heterosexual couples in my counseling or pastoral care I do not have a particular person or couple in mind No names in the book are real names If anybody's name or any couples have the same names as used in the book I would like them to know that I am not telling their particular story or using them as an example The Holy Spirit inspired the writers of the bible stories instructions messages and the same Holy Spirit is still talking to us today I believe I was inspired to write the book I will encourage anyone or couple whose story or stories are similar to what's in the book not to be too critical but to take it the book as a means through which God is speaking to them

to change No marriage is too bad that God cannot change for better Don't fold your arms and accept your troubled marriage as a done deal I will advise the readers to call upon the author of marriage God through Jesus Christ to fix their marriages He is able Since the idea of letter writing is becoming obsolete one may be wondering why letters to marital couples and not email text or any other modern means of communication Letter writing is an old form of communication which is to inform correct and educate In the New Testament there are many letters written by Paul the apostle and others to individuals and churches to deal with issues circumstances and problems faced by the recipients We never read about their responses or their initial letters to the Apostles Similarly only letters written to the couples are featured in this book Most of the Letters in this book are long term correspondence with the imaginary couples The objectives of the letters are to 1 Encourage couples not to give up on their dream of having a successful marriage and to continue fighting until the victory is won 2 Enable the counsellors pastors to keep their counselees hope alive as long as they are still interested in counselling 3 Help families and friends to keep on supporting the couples in crises Note that some of the letters end with prayer while some didn't The idea is we don't have to impose prayer on people Praying with people is as important as praying for people in absentia We need permission to pray with people but we don't need permission to pray for people while they are not there In both my pastoral and counselling ministries the most prevalent issues are marriage and family matters This book thus serves as a handbook to help couples in crises or prevent couples from getting into a marital mess It can be used in marriage enrichment groups or as a counsellor Pastor's handbook The group Leaders Counsellors or Pastors should not use the book as a weapon of judgment against anyone but as a means of correction and education The book is calling people who just want a family and not a marriage Many couples lose love in their marriages Love is the greatest gift God gives to people but many people do not accept it They choose anger instead of peace or love from God The book is calling the readers who are making wrong decisions for wrong reasons We should not let bitterness anger frustration alcohol drugs etc ruin our marital relationships The principles of marital solutions in the book focus on God May God bless you as you read the it Shalom

**Couples in the Bible** Jim Schnorrenberg, 2014-10-29 Read and apply this book and build a strong marriage Real stories Real couples We see it all success heartbreak evil flaws love There is no shortage of good marriage books Most are topical studies of marital issues and how to resolve them They are great resources This book goes right to the core of a biblical marriage It is less of man's opinions and more on what God said about marriage The Bible gives us short accounts of couples but not a complete account of any one couple It supplies us with rich stories and insights of how they lived and loved We know these people In many ways their lives are our lives They are real people who fell in love raised a family argued and grew old together well some of them did God pulls back the curtain and we see these couples warts and all There is no sugar coating no spin job We see people and couples in their best behavior and worst behavior However this is helpful to us as we can learn from both the good and the bad and even the downright evil Enjoy this book Apply the biblical truths I pray that this book may be the

catalyst to save or strengthen your marriage May you enjoy a lifetime of love Veronica R. Russell,2012 **The Covenant Divorce Recovery Leader's Handbook** Wade Powers,2008-03 This handbook's viable tools treat divorce like a death without a funeral that forces a person to come to grips with the denial anger and guilt that modern divorce dishes out The work is an epiphany for many and a valuable tool in righting one's relationships with God and others Christian

Pawnee Leggins,2018-05-11 In *Going 12 Rounds with the Devil* Mrs Pawnee Leggins has revealed the truth of spiritual warfare We do not always battle a tangible enemy The Bible tells us that we battle powers and principalities the things we cannot see We battle the devil and his demonic minions who are on a rampage to steal as many souls as possible before the coming of our Lord Jesus She has explained the significance of spiritual warfare in relation to the things we face in today's time and the things yet to occur She will walk you through the beginning of a Christian warrior's training and will share some of her real life horror stories of battling the devil She will help the reader understand the things that must be in place before a person can participate in spiritual warfare Mrs Pawnee Leggins will show the pieces of preparation including salvation the fruits of the spirit the gifts of the Holy Spirit the armor of God fasting prayer and other facets required in order to battle She will not let you forget the covering of a Holy Ghost-filled pastor and the prayers of the congregation to cover a warrior in battle but most of all she will not let you forget who is truly in the driver's seat Jesus Hallelujah *The Secret Success of Marriage* BRANFORD B YEBOAH,2015-05-18 Prayer has always been a vital part of Christian life By studying the prayers of men of God in the Scriptures you will begin to understand the concept of prayer The men whose prayers moved God to act were ordinary men like us Nevertheless they knew the power of prayer and its benefits The prayer these men prayed was not ordinary prayer but intense prayer People who pray with God have a relationship with Him If you carefully study Scripture you will notice that the way the prophets prayed reveals how married couples should pray to move God to intervene in their failing marriages Their prayer demonstrates the principles that can be gleaned and clearly identified and which if applied to marital life can work wonders When studied the prayers of these great men who

walked with God provide a wealth of insight The New Testament offers us prayer to which we even better relate The Gospels centre on key events in the life of Christ including examples of prayer These examples do not only give us insight into the heart of Christ but also give us key instructions on how to pray
