Finding God's Will for Your Life Joyce Meyer, 2024-05-07 1 New York Times bestselling author and renowned Bible

teacher Joyce Meyer instructs readers on an integral part of the Christian faith knowing God's will and acting on it in this practical and encouraging book. Did you ever dream about what you would be when you grew up? We think naturally about our purpose because God tells us that He created us to do great things. But how do we know when we have truly found God's calling for our lives? Many people live most of their lives striving to find and follow God's will but still wondering whether they've gotten it right. The many pressures, expectations, and distractions we experience can create confusion and anxiety and cause us to doubt whether we are following God's will or if He even has a plan for us at all. Beloved Bible teacher Joyce Meyer invites us on a journey to confidence, freedom, and peace through exploring the wisdom of what the Bible tells us about God's character and about His love and purpose for us. She also offers practical steps to discovering how to build your trust in God, seek His guidance, and overcome the fear of missing out on His best for you. If you're struggling to have confidence that you can hear God's voice and know what He's created you to be and do, *Finding God's Will for Your Life* will leave you with more peace and more confidence to live joyfully in God's love and walk the path He has for you. **Failing Forward into God's Purpose**

Ebony Hollis Brooks, 2020-10-16. Failing forward may not feel like your striving for purpose, but God has a way of turning failures into opportunities. What has God told you to do that you stopped dreaming of? We face many road blocks in this life time of ours, but we must learn to conquer them like David conquered Goliath. Whether you dream big and succeed or allow life's detours to deter you, it will cost you something. **Behind Those Smiles** Nkwachi Ebere, 2021-07-11. Behind Those Smiles: Suffering But Smiling is a book that chronicles the author's battle with pain and suffering, a life of pain perhaps foretold by her childhood. She lost her father early, followed years later by her mother's death, which thrust her into responsibility as a mother figure for her younger brothers early in her life. When she thought that her pains were all in the past, she was involved in a motor accident so ghastly that the doctors gave her no chance of survival. She survived after a succession of miracles. The book leads us through these miracles in an enthralling tale of the triumph of hope over hopelessness, victory of mind over matter, and crucially, divinity's supremacy in the affairs of man. Though the author's smile may have faltered at some point, it never really disappeared. Indeed, she was suffering but smiling, and God gave her victory.
