

A person is standing on a dark, silhouetted mountain peak, looking out over a vast, hazy landscape under a sunset sky. The text "God's Power" is overlaid in a large, white, serif font. The sky transitions from a deep blue at the top to a warm orange and yellow near the horizon. A few wispy clouds are visible in the upper left. The foreground on the left shows the dark silhouette of evergreen trees.

God Has Power:

Satan Has No Authority Over God's Soldier R. C. Jette, 2019-07-29 This book is meant to illuminate Godlike faith through defining it giving clarification where it comes from revealing how to walk in it and divulging what it is capable of doing God's soldiers must remember that we are in the army of the Lord We are fighting a supernatural enemy bent on our destruction Only Godlike faith knows that Satan has no authority or power over us That knowledge equips us with the ability to overcome the satanic designs that are aimed at our destruction However many Christians are not walking in Godlike faith or living a victorious life in Christ Many are overwhelmed by defeat and discouragement and are allowing Satan to take authority or power that he does not have It's time to walk in the truth that Christ took his authority and gave it to God's soldiers As we learn to walk in the mind of Christ we have Godlike faith that gives no place to Satan his demons or his diabolical plans to destroy us By the time this book is read to the end God's soldiers will take authority over all satanic designs change the entailment and live a victorious life through Godlike faith **God Has Come, He Is King** The Church of Almighty God, Almighty God Christ of the last days has expressed a variety of truths uncovered every truth and mystery in the Bible and revealed to mankind the inside story of the three stages of God's work the mystery of God becoming flesh and God's work of judgment in the last days etc This testifies that Almighty God is the return of the Lord Jesus and that He is the appearance of God in the last days **God, Evidences, and Creation: Who God Is and Reasons for Believing** David Pratte, 2019-12-25 A study of Bible teaching about the nature of God evidences for God Jesus and the Bible including a careful study of creation vs evolution Topics studied are God's power wisdom love and holiness The providence of God The number of individuals in the Godhead The Deity of Jesus The Holy Spirit and spiritual gifts Fulfilled prophecy miracles and the resurrection The significance of the Bible doctrine of creation The consequences of evolution Humanism compared to the Bible The length of the days of creation **God's Action in the World** Marek Slomka, 2021-04-22 The problem of God's action in the world is at the heart of debates today on the relationship between science and religion By analysing the issue through the lens of analytic philosophy Marek Slomka reveals how philosophy can successfully bridge science and theology to bring greater clarity to divine action This book identifies essential aspects from various branches of theism starting with traditional Thomistic approaches through to their modified forms such as Molinism and contemporary varieties such as free will theism and probabilistic theism Analysing crucial elements of God's nature including omnipotence omniscience his relation to time and the tension between immanence and transcendence Slomka reveals the difficulties in proposing a single conception of God through one theistic tradition Instead of simplistically juxtaposing particular theistic trends he highlights the value of pluralistic insights that also draw on important scientific theories including Darwin's evolution quantum mechanics and cosmology By taking a renewed stance on theism that takes into account modern scientific knowledge Slomka argues for a new presentation of the problem of God's action in the world *The Living under God's Governmental Administration in His*

Salvation and the Provisions of the Divine Life Witness Lee, In his Epistles Peter emphasizes God's government Whereas Paul's ministry speaks mainly of the Body of Christ and John's ministry speaks mainly of the house of God Peter's ministry speaks mainly of the kingdom of God that is of all matters related to God's governmental administration His Epistles substantially and comprehensively speak of how God's hand in His governmental administration accomplishes His desire in us and they speak deeply and with much application to our actual condition If we want to know God in our practical living and walk and know God's hand and His work upon us we must know the content of the Epistles of Peter **Getting Your Knees Right!**

Shirley Graves, 2011-05-24 Getting your Knees Right Can cause the world to change by having a better relationship with God and also in helping to spread the good news It aids in getting your attention to intercede and to have better communication with the Father God is calling prayer to all the nations and to get our lives right with Him Getting Your Knees Right will make a difference in your life so God can answer your prayers and He can grant requests when we pray Prayer is vital for everyone's life God wants us to be able to impact the kingdom through his word and praying not only for ourselves and families but for everyone When we are getting our knees right we can bombard heaven to get a real answer from God While reading this book I pray it will give you much insight and will make an impartation on your life I pray it will fill your empty void blessing your soul and making a positive impact on your life Getting Your Knees Right Will bring unity to the body of Christ and many more lives will be saved and restored back to God I know without a shadow of doubt God's word will not return back to Him void and He is not a God that He should lie for He said it and he will bring it to pass I promise you when you have read this book it will change your life your mind set and it will bring you more closely to God staying focused on Him in Getting Your Knees Right There is power in prayer when we are seeking an answer from God and when we are praying God will arise and the enemy will be scattered God wants all his Sons and Daughters to be on one accord to defeat the enemy and to pull down every strong hold I learned before going out to battle you pray first and then you put on the whole armor of God In writing this book God gave me the wisdom knowledge and understanding in what to say to the world how to be an over comer in life and how to come out of any situations Last but not least God has used me to present to you this information on Getting Your Knees Right And I pray that you will be truly blessed by what was given and presented unto you May God continue to bless you **A Samaritan philosophy** Alexander Broadie, 1981 **Vital Missions Issues**

D. Ellison,2024-04-18 Jesus made many startling claims Among the most startling however must be his assertion that the Law the Prophets and the Psalms contain things written about him Ask any Christian to point to Old Testament verses that contain things written about Jesus and you ll see just how startling a claim this is The first Christians however faced no such problem As the book of Acts demonstrates the early church preached Jesus from the Old Testament In fact in 1 Corinthians 15 Paul tells us that Jesus not only died according to the Scriptures but that he was raised according to the Scriptures Paul asserts here that the Old Testament foretells Jesus s resurrection Contemporary scholars will warn us to be wary about reading Jesus back into the Old Testament They ll suggest that resurrection and the afterlife is an alien concept in the Old Testament Paul however clearly invites us to search the Scriptures for precursors promises and prophecies about the resurrection So let s follow the lead of Paul and find Easter in the Old Testament [Summa Theologica \(All Complete & Unabridged 3 Parts + Supplement & Appendix + interactive links and annotations\)](#) Thomas Aquinas,2013-08-20 This carefully crafted ebook Summa Theologica All Complete Unabridged 3 Parts Supplement Appendix interactive links and annotations is formatted for your eReader with a functional and detailed table of contents This ebook is the best known work of Thomas Aquinas c 1225 1274 Although unfinished the Summa is one of the classics of the history of philosophy and one of the most influential works of Western literature It is intended as an instructional guide for moderate theologians and a compendium of all of the main theological teachings of the Catholic Church It presents the reasoning for almost all points of Christian theology in the West The Summa Theologica is divided into three parts and each of these three parts contains numerous subdivisions Part 1 deals primarily with God and comprises discussions of 119 questions concerning the existence and nature of God the Creation angels the work of the six days of Creation the essence and nature of man and divine government Part 2 deals with man and includes discussions of 303 questions concerning the purpose of man habits types of law vices and virtues prudence and justice fortitude and temperance graces and the religious versus the secular life Part 3 deals with Christ and comprises discussions of 90 questions concerning the Incarnation the Sacraments and the Resurrection Some editions of the Summa Theologica include a Supplement comprising discussions of an additional 99 questions concerning a wide variety of loosely related issues such as excommunication indulgences confession marriage purgatory and the relations of the saints toward the damned Scholars believe that Rainaldo da Piperno a friend of Aquinas probably gathered the material in this supplement from a work that Aquinas had completed before he began working on the Summa Theologica It seeks to describe the relationship between God and man and to explain how man s reconciliation with the Divine is made possible at all through Christ To this end Aquinas cites proofs for the existence of God and outlines the activities and nature of God Approximately one half of the

Summa Theologica then examines the nature and purpose of man Finally Aquinas devotes his attention to the nature of Christ and the role of the Sacraments in effecting a bridge between God and man Within these broad topical boundaries though Aquinas examines the nature of God and man in exquisite detail His examination includes questions of how angels act on bodies the union of body and soul the cause and remedies of anger cursing and the comparison of one sin with another Aquinas is attempting to offer a truly universal and rational view of all existence Thomas Aquinas O P 1225 1274 also Thomas of Aquin or Aquino was an Italian Dominican priest and an immensely influential philosopher and theologian in the tradition of scholasticism within which he is also known as the Doctor Angelicus Doctor Communis and Doctor Universalis He was the foremost classical proponent of natural theology and the father of Thomism His influence on Western thought is considerable and much of modern philosophy was conceived in development or refutation of his ideas particularly in the areas of ethics natural law metaphysics and political theory

Divine Impassibility Richard E. Creel, 2005-06-21 In this volume Richard Creel sets forth a thesis that offers a third way to approach divine impassibility Defining impassibility as imperviousness to causal influence from external factors Creel sketches a path between Aquinas and Hartshorne by asserting that once this definition is accepted one must still distinguish the various respects in which God is or is not impassible Virtually no one would dispute that the divine nature is impassible God will never cease to be God no matter what happens in creation With respect to the divine knowledge and will however there are conflicting views Creel claims that God's will is impassible because God knows everything that can be accomplished by divine power Yet unlike Aquinas Creel believes that God has this knowledge in virtue of a plenum of possibilities eternally coexistent with the divine being The absolute is not simply God but rather God plus the plenum Creel suggests that God's knowledge is passible with respect to the contingent future actions of creatures God knows these actions therefore not in their presentiality from all eternity as Aquinas would hold but only as they happen and become actual God's will however remains immediately impassible because the divine will is ordered to possibilities not actualities God never has to wait until after we do something in order to decide his response to it He has eternally decided his response to all that we might do Ultimately God's feelings remain impassible no matter what concrete decisions human beings make because the basic intent of the divine plan for us is always achieved we exercise our freedom to choose for or against God God is impassible with respect to the divine nature divine will and divine feelings but God is passible with respect to the divine knowledge of future contingent events

Psalms for Trials: Meditations on Praying the Psalms Lindsey Tollefson, 2018 I hope that as you start praying the Psalms you will feel His presence in all the things that you do and you will feel His guidance through both storms and long periods of waiting I hope that you will see God as your life and breath instead of as your religion The Psalms are among the most beautiful poems ever written but sometimes they feel very far from us and our daily struggles and goals In *Psalms for Trials Meditations on Praying the Psalms* by Lindsey Tollefson we see that the Psalms are not just pious words for

the religious but they are meant to be our prayers for every trial we face just as they have been a comfort for generations of Christians before us including King David and the Lord Jesus The Psalms allow us to pour ourselves out in prayer to God and to receive the comfort that comes from the promises found in His Word This book includes forty four bite sized reflections on the Psalms each ending with concrete recommendations on how to use the Psalms in your prayers and more importantly how to live them out After you have read this book your prayers will never be the same again **Timothy-Philemon** Knofel Staton,2001-06-20 Not a verse by verse treatment Knofel Staton has focused more on the main ideas of the Scripture being studied producing a work that is surprisingly comprehensive and uncomplicated as it answers the questions you want answered
