Following the Oil J. Faraja Kafela, 2017-02 Following the Oil is about doing things God's way God is bringing the church to a place where we see the importance of following the oil according to the Word God's way is always for us to act on what we can do in the natural and He will accomplish in the supernatural what we cannot By following the guidance of the Holy Spirit and the oil of God's Word we too can encounter the miraculous promises God has bestowed to us as blessings for us to acquire and achieve

the "_____ " disciple Johnny Titus Cerilli, 2020-11-05 There are many books and teachings about what a disciple is and how to become a disciple etc There are many outlines guides steps classes courses and programs in churches to help in that process JC have been through many of them and all of them felt like work or performance Of course if you throw in the Holy Spirit roles it seems like all will be well But honestly are all these things really working Are our churches now filled with mighty men of GOD filled with the Spirit of God disciple making sons of GOD On August 12 2012

after sharing at a men's breakfast at his church about being Jesus's disciple he felt confused and disappointed. Since his main study and passion was living as a doulos (slave) of God, how does this all tie in together? Then by the Holy Spirit he saw it to be the Lord's disciple: you first must become His willing obedient slave. And that's how he came up with the title of this book. By filling in the blank with the missing ingredient: Slave, bondservant, one who was in a permanent relation of servitude to Him, GOD whose will was consumed in the Will and Glory of GOD, the Spirit had shown him the difference between the power of the early true disciples of Jesus Christ and the performance-based lives of the 21st century so-called self-proclaimed disciples of Jesus Christ. May the holy Words of GOD feed your hungry souls with truth and power as you daily surrender to the leading and guidance of the Holy Spirit.
