Created in God's Image Anthony A. Hoekema, 1994-09-06 According to Scripture humankind was created in the image of God. Hoekema discusses the implications of this theme, devoting several chapters to the biblical teaching on God's image, the teaching of philosophers and theologians through the ages, and his own theological analysis. Suitable for seminary level anthropology courses yet accessible to educated laypeople. Extensive bibliography fully indexed. **Research in the Social Scientific Study of Religion, Volume 16** Ralph L. Piedmont, 2005-12-01 Research in the Social Scientific Study of Religion (RSSR) publishes reports of innovative studies that pertain empirically or theoretically to the scientific study of religion, including spirituality, regardless of their academic discipline or professional orientation. The articles included in this volume report studies on the role of religion and spirituality in relationship to many topics of current popular interest among them: well-being, self-esteem, emotional intelligence, substance abuse, social mobility, positive psychology, coping with medical decision making, and images of God. **Humanity in God's Image** Claudia Welz, 2016 A study which suggests human beings are created in the image of an invisible God, an idea that can only be conceptualized in the imagination. *Created in God's Image* Richard Gene Arno, Richard Gene Dr Arno, Phyllis Jean Dr Arno, 2009-04 This course teaches accountability for each individual's actions and helps the student understand who God created him or her to be. Our primary goal for providing this course is to help you understand the mysteries of God's wonderful creation of the human race. [A Heart for God's Glory](#) Lee Botzet, 2007 A Heart for God's Glory: The Revival of a God-centered Faith in a Self-centered World is a personal journey and a biblical theological/historical study regarding the urgent need to recover our divinely created purpose to glorify God by passionately loving Him and finding our greatest satisfaction in Him. [In His Image](#) Matthew Lee Smith, 2007-02-22 In His Image is the next step for those who have read The Purpose-Driven Life. Following the Life Purpose of Mission, this book explores God's great love for humanity from every book of the Bible. From the creation of Genesis to the culmination in Revelation, God's love shines through every page. Never is this ever clearer than in the times of Israel's great betrayal of their God. His passionate pursuit of His children can be heard dripping from His voice as He calls them and us by proxy back to His shelter and protection. This book was written to convince the reader of God's intense and immense love for them. To encourage the reader to reach out to the God who is passionately in love with them. To strengthen the reader's faith in God's compassion and to motivate the reader to share the love of God with every person they meet. It is very clear God loves people of all races and ethnicities. Therefore, whenever appropriate to the passage of the day, emphasis is made on the issue of racial reconciliation around God's love. His love becomes the motivation for evangelism and for community. In each daily devotion, there is a Biblical Scripture they are encouraged to read. There is a passage of Scripture to read in the

devotional itself There is the devotional to read which focuses the reader on a single thought broken into two three or four practical ideas they can utilize that day in their lives and There is a thought to take with the reader each day which summarizes the theme concerning God's great love for them *Metaphor in the Hebrew Bible* Pierre Van Hecke, Pierre Hecke, 2005 The Hebrew Bible abounds in metaphors and other figurative speech The present volume collects fifteen essays on this fascinating aspect of biblical language written by specialists in the field Attention is paid both to the recent methodological developments in the study of metaphor and to the importance of metaphor studies for the interpretation of biblical texts **Reflecting God's Image** Mikl Tapia, *The Sacred Cauldron* Lionel Corbett, 2011 At a time when psychotherapy seems to be a purely secular pursuit with no connection to the sacred The Sacred Cauldron makes the startling claim that for both participants psychotherapeutic work is actually a spiritual discipline in its own right The psyche manifests the sacred and provides the transpersonal field within which the work of therapy is carried out This book demonstrates some of the ways in which a spiritual sensibility can inform the technical aspects of psychotherapy The Sacred Cauldron is truly a book to be read by both therapists and non therapists for it offers a thoughtful intelligent sensitive passage through the spiritual quarrels and complexities of our time and addresses our common summons which is to treat the life of the spirit with the respect the gravity and the centrality it deserves This book is instructive to all for Corbett not only marshals a wealth of scholarship and clinical experience but also expresses challenging insights through a calm reasonable and commonsense appeal After this book the reader will be more thoughtful more considered more sophisticated more appreciative of the importance of therapy as a vehicle for healing and for engaging the numinous James Hollis Ph D Jungian analyst and author of What Matters Most Living a More Considered Life Dr Lionel Corbett trained in medicine and psychiatry in England and as a Jungian analyst at the C G Jung Institute of Chicago He is currently on the core faculty of Pacifica Graduate Institute in Santa Barbara California and the author of The Religious Function of the Psyche and Psyche and the Sacred as well as various professional articles His main interest is in the religious function of the psyche and the ways in which this function expresses itself through the structures of personality **In God's Image** Tomer Persico, 2025-07-22 This book examines the central role that the biblical idea the image of God has played in the development of Western civilization Focusing on five themes selfhood freedom conscience equality and meaning it presents a cultural history of the Judeo Christian tradition from biblical times through modernity suggesting also an answer for the troublesome question Why the West *Christian Counseling 3rd Edition* Gary R. Male and Female Made in God's Image Frances O'Dair, 2019-04-04 In this era of distorted ideas about our inherent roles identities and purposes as men and women it has never been as important that we seek reconciliation in marriage and families so there can be a more rational approach to the real problems the whole world suffers We must disseminate God s truth and extinguish the lies and myths that Satan has embedded into the hearts and minds of many people Building on these ideas in Male and Female Made in God s Image author Frances O Dair offers her perspective on dating marriage and family which she believes reflects the experiences of most married couples before the sexual revolution of the 1960s She encourages men and women to reflect on the wise or self serving natures of their past dating and mating choices If we can stop the reckless self gratifying use of

human sexuality with our children our loving direction and understanding of God's truth can set them free from the temptations that have been passed down to recent generations We must be ready to admit that sexual freedom is a myth and isn't intended for the well being of men women children and the unborn This faith inspired treatise explores the true source of happiness meaning and fulfilment that God has planned for everyone within the sacrament of marriage and the family circle Enneagram II Richard Rohr, 1995
