The Mystery of the Mahabharata: Vol. II: The Systems of Hindu Philosophy & Religion , Brahman Michael Myers,2013-09-13 This book is a critique of western systematic theology It borrows insights from India and other traditions it is not a synthesis of religious traditions The book includes two parts method and systematics It examines the traditional topics of systematic theology topics such as the existence and nature of God revelation and reason religious ethics and human practice the relation of God to the world Christology and eschatology and allows these topics to grow in conversation with India and to change according to dialogical insights The book is prompted by a perceived need to cross the boundaries between western and Indian worldviews in a systematic and comprehensive way The purpose of the book is to enable scholars worldwide to extend their theological resources and to look anew at the problems and prospects of a comparative systematic theology *Presuppositions of India's Philosophies* Karl H. Potter,1991 First published in 1963 Presuppositions of India s Philosophies in intended as an introductory text for courses in the philosophical systems of classical Indian thought A brief account of karma and transmigration is followed by an introduction to Indian ways of assessing arguments The body of the work canvasses the systems of Nyaya Vaishesika Buddhism Jainism Samkhya and Advaita Vedanta **Morality and Religion in Advaita and Visistadvaita** Purnananda Shaw,1989 Bede Griffiths Judson B. Trapnell,2001-02-22 Bede Griffiths O S B Cam 1906 1993 was a pioneer in the meeting of faiths and of cultures in the second half of the twentieth century This captivating study of his pioneering work in intercultural and interreligious dialogue draws from meticulous research of Griffiths s writings and his sources as well as numerous personal interviews with the man himself Born in England Griffiths immersed himself in Western culture through an Oxford education and twenty five years in Benedictine monasteries Yet early mystical experiences in nature and the study of Asian scriptures sparked a life long search for what he called the other half of my soul a search that would in 1958 take him to India After participating in two Christian monastic experiments he accepted leadership of Saccidananda Ashram a community dedicated to pursuing the recently renewed Christian contemplative ideal in an India context Here he boldly explored interreligious dialogue and inculturation two projects of the Second Vatican Council Envisioning the marriage of East and West in his writings and incarnating that marriage in spirituality Griffiths became a prophet of our age publishing more than a dozen books and scores of articles In latter years Griffiths attracted large audiences and received recognition from fellow pioneers in the dialogue of faiths including the Dalai Lama *Harmony of Religions* Thomas Manninezhath,1993 The present work is an in depth study of

Tayumanavar a seventeenth century poet philosopher mystic and saint of Tamil Nadu His profoundly philosophical humns were the poet s creative response to the contesting creeds of his time reflecting his own intimate religious and mystical experience of God Siva Sivanubhava The present study of Vedanta Siddhanta Samarasam as God experienced by Dr Thomas Manninezhath will no doubt awaken a new interest in the hymns of Tayumanavar and the legacy of religious experience they bequeath to us Religious experience anubhava supported by reason and enriched by reflection has to be the meeting ground for the followers of World Religions today It is fascinating to see how Tayumanavar sought to bring about the harmony of two opposed traditions through a re reading of his own tradition and a re interpretation of the scholastic Advaita in favour of a more religiously inspiring popular Advaita The work illustrates how many of our contemporary concerns enshrined in such concepts as Comparative Religion Ecumenism Religious Dialogue etc were also a concern within the household of Hinduism even as early as seventeenth century A D The author s interpretation of Vedanta Siddhanta Samarasam of Tayumanavar offers a unique basis for religious tolerance and co existence even in our present day context of plurality of religions and creeds That indeed speaks volumes for the actuality and relevance of the work
