God In My Classroom:

God in My Classroom Ralph Beikmann, 1996 Whether you teach all day every day or once a week for an hour the 41 devotions in *God in My Classroom* will help you understand God's presence in the important work you do. Written by a teacher, these selections focus specifically on the life of the Christian educator.

God Is with Us: A Teacher Devotional Dru Cox Percy, 2021-10-24 *God Is with Us* was written with a heart to uplift and help other educators to remain faithful to God and recognize that He is with us in the classroom. This devotional is designed to encourage and challenge teachers with insightful devotions which use relatable classroom experiences, Bible passages, godly principles, and sincere prayers that will influence readers to recognize and consider God's presence in all aspects of their lives, including their classroom. A Bible reading is suggested to encourage readers to glean truth from the Word of God. Faith is built by reading His Word. *God Is with Us* is compiled of 90 devotions. They are divided into ten sections and organized by topics such as classroom practices, prayer, daily walk, and positivity. Each devotion is followed with a section for the reader to write thoughts, verses, and/or prayers. Circling back to specific devotions throughout the school year for encouragement and/or to reflect on previous notes or thoughts is a great idea. Rereading the 90 devotions and self-reflection pages may lead to further encouragement such as answered prayers, student growth, and scriptural reinforcement. As a bonus, a few prayers and poetry have been included. The prayers were developed and used at the beginning of a school year before state testing and with the use of Bible verses. The poetry was written for the holidays and are some of my favorites. Whether the scriptures used, devotions shared, sincere prayers offered, or self-reflection written, it is essential that we all remember *God Is with Us*. My name is Dru Cox Percy. I have been a Christian for over 50 years. I have been an educator for over 22 years as an upper elementary school teacher in three different buildings in the same corporation. I have been recognized by my colleagues in each building as their Teacher of the Year candidate. That honor was based on classroom teaching, teacher leadership, building cultural influence, and community interactions. I credit those honors to God's leading and blessing on my life. My father was my pastor and counselor. He taught me to listen intently, consider God's principles in every situation, and then draw from the Word of God and apply it to my life. He taught me to consider every detail and step in my life from the perspective of God and His Word. I have practiced those principles in my classroom and began ten years ago to write my own devotions to lead in my small Bible study groups. I'm approaching retirement and accepted a challenge by Dr. David Jeremiah to take a risk and do something meaningful for the Lord. This book came about because I accepted the challenge.

God's Love Through the Eyes of a Teacher Dr. Becky Rouse-Curry, 2023-09-21 This book is about the life and times of Dr. Becky Rouse-Curry as an educator in the Twiggs County school system. She is retired now but she appreciates each challenge because it made her stronger in the Lord.

God's Dog: Memories,

Confessions, Dreams & Revelations of a Modern Mystic William Schindler, 2016-02-13 This is the extraordinary true tale of a middle class gay American's path to encounters with the Great Mystery that is God's Self. The way to the Great Unknown was intricately intertwined with his humanity with all its foibles and with human relationships. Therefore this story has to include those relationships revealing ultimately how a one's personal identity and relationships become vehicles for enlightenment. This inspiring account of struggle, travel to exotic lands, suffering and transcendence holds out hope for anyone who has ever felt outcast, broken or unworthy, demonstrating for our modern times that enlightenment lies within reach of us all.

God's Diamond Among Rocks Sandra H. McKoy, 2009-05-27 *God's Diamond Among Rocks* is a captivating moving true story of the incredible struggles of a single parent and her adopted son. It is a story of love, hope, sacrifice, endurance and an unwavering trust in the promises of God for her son's life. This story will capture your heart and reveal the hand of God and His unconditional love. Twenty years ago the author was my special needs son's teacher. Her love for children is amazing. She lives her everyday life for the glory of God. I highly recommend this book.

The most striking aspect of Sandra's story is that amazing people and opportunities seemed to step forth right out of the ether when she needs them the most. As the story progresses, don't be surprised if you find yourself praying right along with Sandra as she becomes a mom, secures a more ideal job situation and buys her own home. God is simply amazing and this hilarious, mournful and soul stirring story is a testimony that will edify us all.

In our American society, one barely hears about adoption with the exception of a celebrity and a child from a foreign land. As great as those occurrences are, the fact is that there are many within our neighborhoods that undergo the arduous process without all the fame and finances. Americans rarely know what actually happens to children in foster care and how many are not adopted. You hold in your hand a compelling true story on the struggles that exist within our foster care and adoption programs. Sandy McKoy reveals the complications that accompanied her pursuit of simply touching another life and writes about the realities that will try to exhaust one from reaching the wonderful goal of adoption. As you read this book, you will experience the suspense as she not only faces bureaucratic resistance but spiritual resistance also. This book will show you what faith is, why it is needed, but most of all, how it is the only way to have victory. I believe that *God's Diamond Among Rocks* has all the power and intensity to become a great movie someday.

The Word of God tells us to tell the truth out of a loving place. So often as Christians and as people, we sugarcoat the truth because we know it might challenge us and make us uncomfortable. Yet life goes on with its daily lessons and unavoidable truths. I salute my dear friend and sister for sharing her powerful testimony and for reminding us that with GOD, all things are possible. Let this memoir encourage you to know you can choose to be content. The Joy of The Lord can be your strength. And those who dwell in the secret place of
