Pursued by Darkness Janet Sharp,2023-05-26 This book is the word of my testimony of how I am an overcomer through the blood of Christ who while I was at enmity with him through the works of my flesh gave his life so that I can walk in the newness of life At six years old I became of victim of incest until the age of thirteen My siblings and I grew up with an abusive earthly father who sexually physically and verbally abused us This trauma led me deep into darkness where I was pursued by the enemy of my soul Without receiving the proper mental and emotional support as a child for many years I thought I was functioning as a normal person until my addictions led me even deeper into the darkness In 2004 I was arrested for manufacturing methamphetamine and arson While in Union County Jail for arson I tried to commit suicide to end my misery but God had another plan In that cell I surrendered my life to Christ and began my journey of redemption Reaping what I sowed resulted in a ten year sentence I was required to serve 70 percent or seven years in prison for manufacturing While in prison I was blessed by God to be one of fifty women accepted into a faith based program the Interchange Freedom Initiative where I experienced the truth and love of God through the teachers and volunteers that came into the prison to teach us about God After graduating from the program in 2007 I went back into the general population to serve the rest of my sentence In 2008 I was sent to the heart doctor for a checkup and he discovered I needed four pints of blood which led him to insist that the prison get me the proper medical care to find out why I was losing so much blood In 2010 with much much resistance I was diagnosed with stage three colon cancer because it had gone untreated for so long My diagnosis for survival for not good but God had another plan In March 2011 I was released two years early to receive treatment for the cancer Through treatment God has healed me and I have been in remission for eleven years Surviving all this I have been called by God to share my testimony and give others hope Church missionary society, extracts from the annual letters of the missionaries Church missionary society,1903 Word-Filled Women's Ministry Gloria Furman,Kathleen

Nielson,2015-07-15 The Bible is clear that women as well as men are created in God s image and intended to serve him with their lives But what does this look like for women in the church Helping church leaders think through what a Bible centered women s ministry looks like this collection of essays by respected Bible teachers and authors such as Gloria Furman Nancy Guthrie and Susan Hunt addresses a variety of topics relevant to women Whether exploring the importance of intergenerational relationships the Bible s teaching on sexuality or women s roles in the church and the home this book of wise teaching and practical instruction will become a must have resource for anyone interested in bolstering the health and

vitality of Christian women in the context of the local church **Raising the Race** Riché J. Daniel Barnes, 2015-12-01
Winner of the 2017 Race Gender and Class Section Book Award from the American Sociological Association Popular discussions of professional women often dwell on the conflicts faced by the woman who attempts to have it all raising children while climbing up the corporate ladder Yet for all the articles and books written on this subject there has been little work that focuses on the experience of African American professional women or asks how their perspectives on work family balance might be unique Raising the Race is the first scholarly book to examine how black married career women juggle their relationships with their extended and nuclear families the expectations of the black community and their desires to raise healthy independent children Drawing from extensive interviews with twenty three Atlanta based professional women who left or modified careers as attorneys physicians executives and administrators anthropologist Rich J Daniel Barnes found that their decisions were deeply rooted in an awareness of black women s historical struggles Departing from the possessive individualistic discourse of having it all the women profiled here think beyond their own situation considering ways their decisions might help the entire black community Giving a voice to women whose perspectives have been underrepresented in debates about work family balance Barnes s profiles enable us to perceive these women as fully fledged individuals each with her own concerns and priorities Yet Barnes is also able to locate many common themes from these black women s experiences and uses them to propose policy initiatives that would improve the work and family lives of all Americans

China's Millions ,1880 **Glimpses of Biblical Women and Other Poems** Dorothy J. Mosher, 2004 Glimpses of Biblical Women and Other Poems is a collection of insights and poems about women found in the scriptures Each study takes the form of an introduction a poem and summarizing thoughts to consider **At Daytrap** Reginald Wells, Previously only circulated in ragged samizdat manuscript this bizarre collection of short stories at once hilarious profane bawdy tawdry and unlikely is now available in an authoritative version Destined to become an Australian classic Not everyone is happy at the rural Australian way of life depicted in these stories of course The eminent Sir Pelham Corrie has written One final word It is not inconceivable that one day some ignorant jumped up crypto intellectual johnny come lately academic bounder will come along and try to claim that the central character in these stories the so called Uncle Vern was some kind of modern Sisyphus pushing rocks downhill a modern Prometheus giving matches to children some kind of symbol of our times Well he certainly is not that He is nothing but a mountebank and a living slur on the good name of decent rural folk who are and always have been and always will be the backbone of this great nation of ours So don t say you weren t warned Not recommended for anyone under the age of eighteen Not recommended for those of delicate or sophisticated taste
