**The Call to Holiness** Richard M. Gula, 2003 The Call to Holiness was inspired by the fundamental conviction that spirituality without morality is disembodied and morality without spirituality is rootless In other words our moral life arises out of our spirituality to become its public face Furthermore what we do to nurture our spirituality through spiritual practices can and ought to

have an effect on our moral practices In the end spirituality and morality converge when we consider life as a whole rather than simply focus on individual actions in the moral life or devotional practices in the spiritual life BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Let's Celebrate* Alice A.
