God Lives:

The House Where God Lives Vernell Everett, 2018-09-22 The Smith family was a family of law abiding individuals who tried their best to follow the normal social rules A few members found it difficult to believe wholeheartedly in the logic of their ways of doing what was required to be compatible with the norm This was especially true for Buck Buck went in search of higher answers to unasked questions relating to what was the meaning of all existences He asked questions which man had no logical answer to Buck s questioning everything that man took for granted polluted his comrades zones Buck continued searching for himself and what part of the whole was he Read the story of Buck s journey and share his experiences

God Lives in Miracles Judith Hester, 2011-05 GOD LIVES In MIRACLES Even in controversial times it is essential that believers clearly understand the kingdom principles pertaining to God s miracles Miracles are one of God s method of advertising From the history of creation of life Genesis 1 1 to the creation of a New Jerusalem Revelation 21 God is always producing miracles This is the time for the believer to tap into the supernatural realm In this insightful book author Judith Hester gives the reader a greater knowledge as to how to become a vessel that God can use to bless others with God s miraculous power Learn how to see your life experiences as more of the sovereign hand of God in your life Dr Judith Hester is a woman chosen by God for such a time as this Esther 4 14 She has a passion to see believers grow more mature in their walk with God while learning how to be used in the gifts of the Holy Spirit She has been preaching and teaching with a prophetic mandate on her life for over 20 years Dr Judith is a graduate of Seton Hall University BSN Beacon University MA in organizational leadership and doctorate of ministry from Luther Rice University She and her husband Ezra have 4 children

The Blue Is Where God Lives Sharon Sochil Washington, 2023-04-18 Sharon Sochil Washington s *The Blue Is Where God Lives* is a mesmerizing powerful work of Afro magic realism that reclaims the promise of a family s destiny through the bending of time Blue s daughter Tsitra is dying a violent and horrific death while thousands of miles away Blue feels time slowing and hears voices followed by a stillness that befalls her for 18 months More than a century before Blue s grandparents Amanda and Palmer attend a salon party in New Orleans It s a veritable who s who within pre Civil War social circles Conversations get heated quickly as Ismay the hostess who hails from French royalty and who is the daughter of one of the most ruthless and wealthy slaveholders antagonizes Palmer a landowner and slaveholder himself whose parents had been sold into American slavery and who s there to seek revenge and Amanda a shape shifter and puzzle maker who had been enslaved until this very gathering At this party Amanda learns of a cosmic plot that will doom a line of her and Palmer s family to poverty so she devises her own counterplot to undo the damage Back in the present Blue comes out of her stillness broke and devoid of inspiration In profound grief and consumed by guilt Blue travels to The Ranch where the voices grow louder and she has visions of two women from the distant past There Blue feels the spark of a power and creative energy she has only glimpsed but can it change her future A

time bending novel of invention grounded in the real *The Blue Is Where God Lives* obliterates the space between past and present and asks whether belief magic and intention can forge new realities With lush captivating prose intricate plotting and unforgettable characters *The Blue Is Where God Lives* is a transcendent electrifying debut of undeniable beauty and possibility that heralds the arrival of a major new voice in fiction *God Lives In a Tree and other poems* Robert Costa,

The House Where God Lives Gary D. Badcock,2009-09-15 In a culture dominated by the individualistic values of political and social liberalism Gary Badcock says that we seldom hear of the church as the creature of the Word of God The church has been entrusted to us by God and belongs to the structure of the Christian faith itself Ecclesiology is first of all theology because it is primarily about the presence of God Badcock maintains and is thus biblical and creedal one holy catholic and apostolic something that we believe which is what undergirds its empirical sociological and even pastoral function Rather than a hollow shell where humans dream moral dreams and do good deeds the church is the house where God lives **LOVE - God's Word for our Daily Lives!** Dennis Smock,2023-08-30 I have been on a journey that has

involved very in depth study of God s Word for many many years I have heard many different preachers and speakers I have watched numerous videos and I have read countless articles With all of this I have found that nothing compares to actually spending time in God s Word on a daily basis You cannot rely on anyone else to tell you what is in His Word You must spend time in it daily Preachers can bring clarity to what you read but they cannot read it for you You must take the time to read You must take the time to contemplate You must take the time to pray for insight and wisdom God is speaking to each of us Are we listening The devotionals that are in this book are compiled from a history of over twenty three years of devotionals written to make the reader dive deeper into His Word and into their personal lives They ask poignant questions with respect to the scripture verses and how they impact love as God defines it Hopefully they make the reader want to dive into the scripture in such a way that they reflect on how their life is living up to our calling as followers of Jesus *God's Will For Our Precious Lives Your Choice* Lisa White,2014-07-10 This is a book that will not only change your life but will also put you in the presence of the Most High God He will take your precious life and place you in His wonderful and marvelous potter s hands and mold you into greatness like only God can do Not only for you to see but also for heaven and the earth to see that you belong to the King of Kings and the Lord of Lords and that you are indeed the sons and daughters of God Please have an ear to hear and a heart to receive the teachings of the Holy Spirit as God begins to transform you your family and their sons and daughters into everything that He has spoken over your lives before the foundation of this world Thank You Lord

God's DNA Donald A. Broadwater,2007-10-22 There have been all kinds of explanations suggested for what happened at Pentecost When God first poured out his Spirit s Life upon the church it became obvious that God was at work Many explanations of what happened at Pentecost have reduced this spiritual phenomenon to a list of things we ought to be doing What this approach to ministry forgets is that Pentecost was not about what we need to be doing It is about what God was

doing and what God continues to do by bringing Christ to dwell within God's people Pentecost show us that you can't reduce the mystery of life in the Spirit to a ministry model that can be duplicated whenever we want If it could wouldn't that have happened by now in America May I ask you to consider whether any ministry program has brought lasting revival to this nation What I believe we have seen is the hope for revival being shared and we are very passionate about that But our passion or our programs will not produce life in us or in others Only God can do that What we need is a fundamental transformation of our lives and ministries Only the Spirit of God can cause a person to be born again John 3:5-7 Only the Spirit of God can enable a walk with Jesus Galatians 3:1-3 And only the Spirit of God can bring about the awakening and revival that this nation needs Acts 4:31 Pentecost teaches us that it is not about having the right model for ministry If anyone had a model for ministry that could not be improved upon it was Israel God told Moses to make their ministry after the pattern he had seen on the Mountain as he met with God Exodus 25:9-40 And while this ministry was to be preformed it had no power to transform the lives of those believers who faithfully sought to maintain its ritual because their hearts could not be changed by the outward observance of any law Hebrews 7:19 The author of the Epistle to the Hebrews puts it this way This is why Moses was warned when he was about to build the tabernacle See to it that you make everything according to the pattern shown you on the mountain Hebrews 8:5 But God found fault with the people and said The time is coming declares the Lord when I will make a new covenant with the house of Israel and with the house of Judah It will not be like the covenant I made with their fathers when I took them by the hand to lead them out of Egypt because they did not remain faithful to my covenant and I turned away from them This is the covenant I will make with the house of Israel after that time declares the Lord I will put my laws in their minds and write them upon their hearts I will be their God and they will be my people No longer will a man teach his neighbor or a man his brother saying Know the Lord because they will all know me from the least of them to the greatest For I will forgive their wickedness and will remember their sins no more By calling this covenant new he has made the first one obsolete and what is obsolete and aging will soon disappear Hebrews 8:8-13 So it is not about getting our model for ministry right or about having the right program or is it about knowing Christ and walking as he did but only the Spirit's presence in our lives can do that The book of Acts shows this over and over again Luke had already written the gospel named after him and he refers to this as my former book when he starts his preface in Acts Acts 1:1 He says that the gospel of Luke recorded all that Jesus began to do and to teach until the day he was taken up to heaven He then wrote Acts which recorded what Jesus continued to do and teach except now it is through the agency of the church as empowered by his Holy Spirit Luke's record is a diary of what happened as God's presence returned to earth with the outpouring of the Holy Spirit upon the church Jesus was on the throne in glory but he Our World...
