Winters,2024-11-07 How many different views of the end time Bible passages have you heard Are the gospel accounts about the end times only talking about Jesus s second coming or do they include information on the rapture What exactly happens when the rapture takes place What happens to Fido my cat in the rapture event What kind of body does my dad in heaven have right now if he doesn t get one until the rapture Just how many resurrections are there How can I know I ll be going up in the rapture to be with Jesus And then there s the Ezekiel 38 and 39 war the Gog Magog war How many different views have you sat through for that one How many times has someone said there has to be a gap between the rapture and start of the tribulation for God to account for the Psalms 83 and the Gog Magog wars And what about Psalms 83 is it a war or a prayer Are you tired of the unanswered questions or being told we can never know for sure Then stop and read this book Allow the words to with prayer through the power of the Holy Spirit walk you through the Scriptures to provide real answers to all the different prophetic teachings You don t have to be confounded about these end time questions anymore I hope you re as blessed by God reading this book as much as I was by writing it See you in the clouds soon     *Is God a Vegetarian?* Richard Alan Young,2012-03-30 Is God a Vegetarian is one of the most complete explorations of vegetarianism in the Judeo Christian tradition Young a linguistics and New Testament scholar attempts to answer the question being asked with greater and greater frequency Are Christians morally obligated to be vegetarians Many people are confused about the apparent mixed messages within the Bible On the one hand God prescribes a vegetarian diet in the Garden of Eden and the apocalyptic visions of Isaiah and John imply the restoration of a vegetarian diet However it is also clear that God permits Jesus partakes in and Paul sanctions the eating of flesh Does the Bible give any clear guidance Close readings of key biblical texts pertaining to dietary customs vegetarianism and animal rights make up the substance of the book Rather than ignoring or offering a literal twentieth century interpretation of the passages the author analyzes the voices of these conflicting dietary motifs within their own social contexts Interwoven throughout these readings are discussions of contemporary issues such as animal testing and experimentation the fur industry raising animals in factories and the effects of meat eating on human health Thirteen chapters cover such topics as the vegetarian diet in the Garden of Eden the clothing of the first humans in animal skins God s permitting humans to eat meat animal sacrifice the

dietary habits of Jesus and the early apostles Paul's condemnation of vegetarianism as heresy the dietary views of the early church fathers the peaceable kingdom The author provides two vegetarian recipes at the end of each chapter An epilogue includes guidelines for becoming a vegetarian and a recommended reading list Insightful and challenging Is God a Vegetarian poses provocative questions for vegetarians Christians and anyone reflecting upon her personal choices and ethical role in our world today The Daily Message ,2014-02-27 The Daily Message is the perfect one year reading Bible allowing for both flexibility and time to let the readings soak into your heart and mind Arranged into six readings per week this simple easy to do plan will revolutionize your daily quiet time with God Features include Discipleship Journal's Book at a Time reading plan Inspirational words from Psalms or Proverbs and thoughtful questions for deeper reflection Alternative reading plans that allow you to start any day of the year and read at your own pace **The One Year Chronological Bible the Message, Large Print Thinline Edition (Softcover)** Eugene H.
