Faith and Action R. J. Rushdoony, 2019-08-26. Faith and Action is the complete collection of the essays of R. J. Rushdoony written for the Chalcedon Report between 1965 and 2001, along with several transcripts of his recorded talks. The large volume The Roots of Reconstruction only contained his Chalcedon Report essays up until 1985, so most of the essays included in Faith Action were unavailable to readers for many years until now. In order to make the author's knowledge more accessible, this three-volume collection features some of the most extensive indexing we've ever done, including a General Index, a History Index, a Scripture Index, a Works Cited Index, and a Chalcedon Report Directory. A total of 183 pages of indexing. This handsome set of books is a must-have for any serious library. The central theme of this collection of essays is Christian Reconstruction, which to Rushdoony meant the responsibility of

Christian citizenship in the Kingdom of God For him his central drive behind his research and writing was to move men to faith and action Rushdoony was primarily an essayist who vigorously and prolifically wrote on a multiplicity of subjects issues and disciplines Despite his being critical of both the contemporary church for its compromise and the humanistic state for its will to be as God these essays are replete with Rushdoony's undying faith in the victory of God in history Rushdoony's big idea was Christian Reconstruction which centered not on a pursuit of political power but rather an equipping of Christians to take back government by means of self government in terms of God's law This three volume collection will no doubt serve the larger church for many generations as they seek first the Kingdom of God in their spheres and in their times The Unusual Hero: Faith in Action Matthew Douglas, Ayimah Douglas, 2024-09-18 In a world filled with extraordinary powers the most remarkable hero of all has no superhuman abilities just unwavering faith and a heart full of compassion The Unusual Hero follows Jacob an ordinary man who embarks on an extraordinary journey of faith While the world around him is in search of quick fixes physical strength and fame Jacob learns that the true source of power comes from something far greater than anything the world offers trusting in God's plan Throughout his journey Jacob encounters people facing life's most difficult challenges temptation fear regret loneliness and doubt Each person he meets is searching for hope in their own way and Jacob shows them the one true path to peace and strength living a life rooted in faith compassion and selfless love This powerful faith driven story reminds us that true heroism is not found in capes or physical feats but in the quiet courage to stand firm in God's word help others and trust Him with the unknown If you've ever felt uncertain about your future struggled with your past or doubted your worth The Unusual Hero will encourage you to find strength in your faith and to see yourself as God does as someone capable of making a lasting impact through love and trust in Him Perfect for readers of all ages The Unusual Hero is an uplifting and inspiring tale of faith courage and the power of a heart committed to following Christ Baptist Faith in Action Kathryn Carlisle Schwartz, 2003 Supplying a wealth of material from locales and a time for which few primary sources exist Baptist Faith in Action brings to print the writings of Maria Baker Taylor 1813 1895 a strong minded plantation mistress who spent her life in South Carolina and Florida The granddaughter of Richard Furman South Carolina's foremost nineteenth century Baptist minister Taylor was a well educated and sophisticated member of South Carolina's second tier planter class She was also a most fervent Baptist Notable for its geographical and temporal breadth this collection of letters diary entries essays and poems affords an unmatched view into the life of a woman living on the South's interior frontier during the nineteenth century Born in Sumter County South Carolina Maria Baker married John Morgandollar Taylor in 1834 Throughout their marriage the couple lived on the geographical frontier first in Beaufort District South Carolina and then in Marion County Florida The mother of thirteen children Taylor taught her children and grandchildren at home devoted large amounts of time to church work and read voraciously She also wrote voluminously keeping diaries exchanging letter Faith in Action, Volume 3 Stan Chu Ilo, Nora K.
