Cone, 1975 **A Black Theology of Liberation** James H. Cone, 2010 With the publication of his two early works *Black Theology Black Power* 1969 and *A Black Theology of Liberation* 1970 James Cone emerged as one of the most creative and provocative theological voices in North America These books which offered a searing indictment of white theology and society introduced a radical reappraisal of the Christian message for our time Combining the visions of Malcolm X and Martin Luther King Jr Cone radically reappraised Christianity from the perspective of the oppressed black community in North America Forty years later his work retains its original power enhanced now by reflections on the evolution of his own thinking and of black theology and on the needs of the present moment *The God of the Oppressed and the God who is Empty* Jay Byrd McDaniel, 1987 *Where is God?* Christian Duquoc, 1992 **Bible of the Oppressed** Elsa Tamez, 2006-02-02 Why haven't we North American biblical scholars done such a systematic study of the words for oppression in the Bible If the answer is that we who possess the critical skills are not ourselves oppressed or identified with communities of the oppressed then it becomes imperative that we listen all the more carefully to these voices from the South Walter Wink Professor Emeritus of Biblical Interpretation Auburn Theological Seminary New York This book is a welcome addition to a growing body of evidence that the Bible is a book about social justice for the oppressed of the land and that this indeed is the good news Marie Augusta Neal SND de Namur author of *A Socio Theology of Letting Go* Elsa Tamez's book attracts our attention not only for wrestling with a major biblical theme but also for keeping us in continuous contact with the text of the Bible Carroll Stuhlmueller CP general editor of *The Collegeville Pastoral Dictionary of Biblical Theology* A careful and creative interdisciplinary study in biblical theology Old Testament and social ethics Elsa Tamez's work has contributed to the church in Latin America and is now available as a readable important resource for the English speaking church Jane Cary Peck and Carole Fontaine Andover Newton Theological School Writing from a perspective of those oppressed by poverty and sexism Elsa Tamez has brought us a wealth of analysis of the biblical understanding of oppression Letty M Russell Professor Emeritus Yale Divinity School Elsa Tamez is the author of *Through Her Eyes* Wipf Stock reprint 2006 *Jesus and Courageous Women* 2001 and coeditor of *The Discourse of Human Dignity* 2003 *Methodologies of Black Theology* Frederick L. Trajectories Bryan C. Babcock,James Spencer,2018-03-02 Trajectories meets an urgent need in both undergraduate and graduate study of the Old Testament Too often Old Testament theology focuses on the end product and leaves the process obscured Each chapter of Trajectories provides a clear path connecting biblical research to theological conclusions The final chapter offers a step by step method for completing a thorough hermeneutical analysis framed within a discussion of the gospel message Trajectories also seeks to situate Old Testament theology in relation to global and generational trends influencing the church and evangelical theology The implications of globalization and the rise of millennials on Old Testament theology are critical and thought provoking topics for discussion Chapters in Trajectories are organized thematically so the textbook can serve as a companion study guide to courses in the Old Testament and New Testament In addition the exploration of topics allows each study to link to the New Testament Each chapter concludes with tangible applications for the contemporary Christian church and with questions for group discussion and reflection **Gospel Advocate** ,1824

Understanding African American Rhetoric Ronald L. Jackson II,Elaine B. Richardson,2014-05-22 This is an extraordinarily well balanced collection of essays focused on varied expressions of African American Rhetoric it also is a critical antidote to a preoccupation with Western Rhetoric as the arbiter of what counts for effective rhetoric Rather than impose Western terminology on African and African American rhetoric the essays in this volume seek to illumine rhetoric from within its own cultural expression thereby creating an understanding grounded in the culture s values The consequence is a richly detailed and well researched set of essays The contribution of African American rhetoric can no longer be rendered invisible through neglect of its tradition The essays in this volume neither seek to displace Western Rhetoric nor function as an uncritical paen to Afrocentricity and Africology This volume is both timely and essential timely in advancing a better understanding of the richly textured history that is expressed through African American discourse and essential as a counterpoint to the hegemonic influence of Greek and Roman rhetoric as the origin of rhetorical theory and practice Written in the spirit of a critical rhetoric this collection eschews traditional focus on public address and instead offers a rich array of texts in musical and other forms that address publics **The History of the Reformation of Religion Within the Realm of Scotland** John Knox,1761 **Biblical Illustrator, Volume 1** Exell, Joseph S., Would you like it if one of the greatest preachers could help you prepare your sermons How about 20 ministers to assist you with your sermon Joseph Exell included content from some of the most famous preachers such as Dwight L Moody Charles Spurgeon J C Ryle Charles Hodge Alexander MacLaren Adam Clark Matthew Henry and many more He compiled this 56 volume Biblical Illustrator Commentary and Delmarva Publications Inc is publishing it in a 6 volume digital set with a linked table of contents for ease of studying This set includes the analysis on entire Bible Old and New Testament Complete your resources with this Biblical Illustrator by Joseph Exell **Old Testament Introduction** Mark Mangano,2005 *Welcome as a Way of Life* Benjamin S.

Wall,2016-07-19 This book is about the theology of Jean Vanier Drawing from Vanier s writings it situates Vanier s theological thinking on community care and what it means to be and become human in the context of welcome This book draws attention to how welcome for Vanier is a visible expression of genuine hospitality friendship and human growth offering an alternative way of conceiving and naming the social forming dynamics within Christian community with special attention given to how welcome occurs within the communities of L Arche At a deeper level this book assesses Vanier s thinking on the place and role both the self and community play in welcoming the truth of reality as it is revealed and given within community in order to prepare the way for exploring how welcome is a sign of community life the visible expression of individual and communal trust in God s providence and a conduit of God s presence in the world **Knox: On Rebellion**

John Knox,1994-01-20 John Knox s First Blast of the Trumpet against the Monstrous Regiment of Women one of the most notorious political tracts of the sixteenth century has been more often referred to than read Its true significance as one of a series of pamphlets which Knox wrote in 1558 on the theme of rebellion is therefore easily overlooked This new edition of his writings includes not only The First Blast but the three other tracts of 1558 The Letter to the Regent of Scotland The Appellation to the Scottish Nobility and The Letter to the Commonalty of Scotland in which Knox confronted the problem of resistance to tyranny Related material mostly drawn from Knox s own History of the Reformation in Scotland illuminates the development of his views before 1558 and illustrates their application in the specific circumstances of the Scottish Reformation and the rule of Mary Queen of Scots This edition thus brings together for the first time all of Knox s most important writings on rebellion Mapping Metaphorical Discourse in the Fourth Gospel Beth M. Stovell,2012-06-07 In Mapping Metaphorical Discourse in the Fourth Gospel Beth M Stovell examines the metaphor of Jesus as king throughout the Fourth Gospel using an interdisciplinary metaphor theory incorporating cognitive and systemic functional linguistic approaches with literary approaches Stovell argues that the theme of Jesus as king provides one of the unifying themes of John s overall message Examining the place of the Old Testament metaphors of Messiah eternal life life of the age shepherd and exaltation in the conceptual metaphorical network of John s Gospel Stovell asserts that John s Gospel describes the just character of Jesus kingship the subversion of power implicit in his crucified form of kingship and the necessity of response to Jesus as king and his reign
