*God Says, "It's Okay"* Miss E, 2006-01-24 Ever since she was a child there was something special about her Something she just could not put her finger on Having lived in the city of brotherly love Philadelphia and then having to move to a small rural town wasn't what MISS E was looking forward to From having to deal with being the oldest child to being a single parent wasn't what MISS E expected her life to be Being led by the Holy Spirit is something many of us are afraid of or don't know how to do or just don't want to do Journeying with MISS E is an interesting yet fruitful and prosperous adventure Even though she has faced many trials MISS E has learned to lean and depend totally on Jesus Join her and see why God Says Its Okay

It's Ok to Say "God" Tad Armstrong, 2011-11-18 Our Founders would not recognize today's America Christianity is under attack as never before My career as a Baptist minister and as chaplain of the Texas House of Representatives has in a sense taken me to both sides of Jefferson's metaphorical wall of separation Mr Armstrong puts it a bit differently There should be at least a short fence of separation between Caesar and God If the divider falls government will strong arm religion Instead of relying on sound bites headlines and e mails he takes you straight to the Supreme Court opinions that have shaped the religion clauses of the First Amendment You will likely be very surprised at what you find Its OK to Say God brings the Constitution back to Main Street where it belongs His commentary is both eye opening and refreshing His suggestions of how Christians should respond to the culture war focus more on fulfilling the mission of Jesus Christ than on whether a nativity scene or a Menorah should win the favor of the courts at Christmas Whether you decide to implement his suggestions in your life or not Mr Armstrong is most concerned that all Americans stop living in ignorance of these most important laws of our land Learn as a family discuss these truths with your children and grandchildren and start living your faith out loud for contrary to false rumor it really is OK to bring God back into our culture and back into our government Tad will show you the way Pastor R B Hall former chaplain of the Texas House of Representatives

**It'S Ok to Say the Name of Jesus** Gloria Ector, 2017-10-20 On the pages in this book my hope is that you experience the enduring love and encouragement of God and the ultimate gift of himself through his Son Jesus Christ Through each inspirational story accompanied by supportive scriptures I hope that you'll be inspired and encouraged by the daily devotional journal Through the writing of this book I've come to see with clarity the awesomeness of the God we serve and his ability and willingness to nurture protect and deliver us through and out of any situation we may experience in our life The Lord is a call away and his ears are not too heavy that he cannot hear you The calls he answered in the days of old he still answers today The Lord so beautifully said in Isaiah 41:17 When the poor and needy seek water and there is none and their tongue faileth for thirst I the Lord will hear them I the God of Israel will not forsake them In writing this book my faith has been renewed my strength has been strengthened and my relationship with him has been restored We have an inheritance from God and Jesus has gladly paid the cost for our inheritance As you travel through each page of this book and revisit the living portrait of his splendor

glory and the inheritance that he left to us we now know that it is OK to say the name of Jesus And therefore will the LORD wait that He may be gracious unto you and therefore will He be exalted that He may have mercy upon you for the LORD is a GOD of judgement blessed are all they that wait for Him Isaiah 30 18 KJV *Does It Really Say That in the Bible?* Katie Hoyt McNabb,2014-07-30 What if there was a book that dealt with humanity's most pressing questions What is the meaning of life Is there a God and what does the Deity think about us The good news is that there is such a book the bad news is that it's the Bible How is that bad news The Bible is just not that easy to read Yet what if you had help Does It Really Say That in the Bible will teach you how to explore the Bible and find out for yourself what it says **It's Ok, I'm All Right** Jean Brown,2020-03-03 How can anyone who woke from an open heart procedure revealing a malignant tumor instead of a benign tumor pen these words It's ok I'm all right At age fifty four I could confidently pen those words My faith had already been through multiple challenges Going through chemotherapy was not going to be easy But some of the other challenges I had faced earlier in my life weren't easy either Was I disappointed Greatly No one looks forward to chemotherapy The tumor had grown eight times its size It had eaten into my heart my vocal chord nerves and the nerves for my shoulder Some said we just knew you would be healed You were anointed at church Had God let me down No My family and I could have gotten worse news My faith still held Eight years later I faced an even greater battle This is my story *It's Okay to Feel Sad (Growing God's Kids)* Carolyn Larsen,2017-01-17 Habits and attitudes developed in the preschool and kindergarten years affect a child for the rest of his or her life These years are also a challenging time for parents as children test boundaries and patience How parents and children respond makes all the difference in the world The Growing God's Kids series is designed to help young children understand their feelings develop godly ways to deal with temptations and form positive attitudes and behaviors that will serve them well in the future In *It's Okay to Feel Sad* parents and children are encouraged to express sadness and to comfort each other in healthy ways *It's OK to Be Not OK* Federico G. Villanueva,2017-09-30 How often have you seen a friend and been greeted with How are you Almost always our automatic response is Fine thank you regardless of whether it's true We proclaim in church services that God is good all the time All the time God is good but there are often times when we feel that life is just unfair and ask God Why The uplifting songs and victorious testimonies of our church gatherings are frequently difficult to identify within the midst of the suffering and hardship of people's daily lives yet there is all too often no room for our not OK experiences in our Christian communities This is especially true for pastors and leaders who are required to always be strong and OK all the time But the songs of lament in the Psalms paint a very different picture of understanding life and how human beings express themselves to God Dr Rico Villanueva uses these Scriptures to teach us that in the presence of God there is room to be not OK and that our negative experiences don't have to be ignored This book challenges us to confront our struggles and questions instead of denying them Most importantly the author invites us to bring all of ourselves into the presence of God and the community of faith For it is through our experiences and sharing

them with God and his church that we grow in intimacy with God and our relationships with one another *He Promised* Andréa deCento,2021-08-30 Andr a deCento is a tried and true warrior who has pushed through the lines of resistance to taste the sweet victories of accomplishment Now she offers that part of her soul to each of us on the written page This book serves as much more than just inspirational words written at a writer s desk it is distilled wisdom coming to you from the table of a champion **The Theory of 'It's OK!'** O.K. *Total Surrender* Matthew Terrill, 2014-04-28 Why is it such a struggle for us to surrender everything to God What does surrendering to God even look like and how are we supposed to do it Why is it so hard for us to live the life that Jesus died to give us Is life really supposed to be one constant struggle after another One of the hardest things to do in life is to let go giving God everything and never looking back Laying it all down never picking it up is the only way we can walk through this dark unfair world shining and burning brightly for Jesus Wanting control over our lives is the struggle that many Christians face and the turmoil of that fight is constantly lurking deep in our hearts For many know what to do but few actually do it surrender When a person holds onto frustration bitterness and the injustices of life their pain slowly evolves into chains that hold him down disabling him to walk through life with peace love joy and compassion The only way to truly live is to die to our selfish nature every day and cast all of our burdens at the feet of Jesus
