McKnight,2018-04-03 World renowned New Testament scholar offers a straightforward examination of what the Bible says about the Holy Spirit Who exactly is the Holy Spirit What does he do in our lives How can we know him more deeply and is it possible to tap into his power Should we pray to the Holy Spirit Is it possible to be aware of his promptings and speaking into our lives Dr Scot McKnight answers these questions and more in this comprehensive examination of what the Bible says about this divinely important but often confusing member of the Trinity This is the third work in a three part series examining some of the more mysterious components of the Christian faith Scot s The Heaven Promise examines the afterlife The Hum of Angels elucidates the Bible s teaching on God s supernatural messengers and protectors Now Open to the Spirit examines the most mysterious member of the Trinity Scot blogs at Patheos a large multi perspective blog format It serves many influential voices from many faith and non faith traditions Scot s blog draws primarily a Christian readership one that is looking for intellectual engagement and thoughtful analysis of Scripture Theology and Culture *God's Indwelling Presence* James M. Hamilton, Jr.,James M. Hamilton,2006 This first volume in the NEW AMERICAN COMMENTARY STUDIES IN BIBLE AND THEOLOGY series addresses the Holy Spirit and related differences and similarities between Old Testament and New Testament believers **The Breath of God** Etienne Veto,2019-11-27 The Holy Spirit is in a way the most mysterious of the three names of God For many it is the unknown God Acts 17 23 How can a Spirit be love How can it be a person What role can a Spirit have in the trinitarian relations In The Breath of God Veto argues that a more exact comprehension of the third divine person can be reached by considering the way it acts in the economy of salvation and how it reveals itself in its scriptural names Ruah and Pneuma breath or wind Just as in the eternal life of God the Father and the Son are precisely what their names designate likewise the Holy Spirit is the Breath of God The procession of the Spirit is the breathing out of the Father into the Son the communication of one intimacy into another and the breathing back of the Son into the Father This leads to reshaping many aspects of trinitarian theology in particular divine personhood It is also fruitful for the believer s life of prayer because it offers a better understanding of the distinct relationship one can have to Father Son and Spirit

H.

Wright,2025-07-29 We tend to think of the Holy Spirit as the straggler of the Trinity a latecomer in God's interaction with the world But our first introduction to the Holy Spirit is not the drama of Pentecost in the second chapter of Acts We first meet the Holy Spirit in the second verse of the Bible hovering there speaking the world into existence Christopher Wright begins here and traces the Holy Spirit through the pages of the Old Testament We see the Third Person of the Trinity in the decrees of prophets and psalmists in the actions of judges and craftspeople in the anointing of kings and the promise of a new creation Knowable and discernable in the Old Testament the Holy Spirit is thus eminently knowable to us The witness of the whole of Scripture from its first pages to its last directs us to a Holy Spirit empowering the people of God and sustaining and renewing the face of the earth **The Holy Spirit** Sinclair B Ferguson,2020-05-21 The Holy Spirit once forgotten has been

rediscovered in the twentieth century or has he Sinclair Ferguson believes we should rephrase this common assertion While his work has been recognised the Spirit himself remains to many Christians an anonymous faceless aspect of the divine being In order to redress this balance Ferguson seeks to recover the who of the Spirit fully as much as the what and how Ferguson's study is rooted and driven by the scriptural story of the Spirit in creation and redemption Throughout he shows himself fully at home in the church's historical theology of the Spirit and conversant with the wide variety of contemporary Christians who have explored the doctrine of the Holy Spirit Foundational issues are surveyed and clarified Hard questions are explored and answered Clarity and insight radiate from every page Here is the mature reflection of a Reformed theologian who will summon respect and charity from those who disagree *The Message of the Holy Spirit* Keith Warrington,2020-05-21

Despite the teaching of the Bible and church tradition it seems that many Christians can still lack an appreciation of God the Holy Spirit He has sometimes been valued more for the gifts he bestows than for who he is or he has been viewed simply as the third person of the Godhead However Keith Warrington's conviction is that the Holy Spirit is more important more central more immanently involved in his creation the church and individual believers more often and more strategically than many Christians realise When Jesus left his disciples and went to heaven he gave the best gift he could the Holy Spirit knowing that he will be our dynamic guide and partner as we seek to live as God's people In this practical biblically based exploration of the Spirit Warrington encourages believers to recognize that the same Spirit seeks to encounter us and desires that we encounter him **The Holy Spirit** George T. Montague,2006-10-23 This book is a commentary on all the major biblical texts dealing with the Spirit from Genesis to Revelation It is an invaluable reference book for students teachers ministers Bible study groups or anyone interested in the Person and work of the Holy Spirit Using the findings of reliable

scholarship but never burdening the reader with academic trivialities Montague places a wealth of theological knowledge within the grasp of persons seeking to learn more about the Holy Spirit and striving to enrich their own spirituality *Flame of Love* Clark H. Pinnock,2022-04-05 In what may be regarded as his magnum opus Clark Pinnock explores the vital Christian doctrine of the Holy Spirit restoring the Spirit to centrality in the life and witness of the church For this second edition theologian Daniel Castelo draws from his experience using this book in the classroom to add helpful commentary and brief reflections on each chapter *Who on earth is the Holy Spirit?* Tim Chester,Christopher de la Haye,2013-05-01 A concise practical book on the person and work of the Holy Spirit Many people find it easy to understand about God and Jesus but struggle to understand quite how and where the Holy Spirit fits into the picture Who exactly is he And how does he work in our lives This book cuts through the confusion and looks at what the Bible says about the Holy Spirit Suitable for all Christians and especially those who are struggling with questions about who the Holy Spirit is Part of the Questions Christians Ask series a range of short simple books designed to help Christians understand what God has said about these questions and many more in the Bible
