## God To Call Father:

*Seeing God as a Perfect Father* Louie Giglio, 2023-06-06 You are chosen loved prized wanted and believed in by a perfect Father In *Seeing God as a Perfect Father* Louie Giglio invites us to experience God in a life changing way as a perfect Father who wants you to live under the waterfall of His blessing How you view God informs everything about who you are and who you re becoming In this updated and retitled edition of the national bestseller *Not Forsaken* Louie Giglio challenges our common perceptions of who God is and points us to know Him as a heavenly Father who is not absent or ambivalent but is available and ready to embrace us with His approval and blessing *Seeing God as a Perfect Father* invites you to see that God is the perfection of your earthly father not a reflection of him discover how to walk in the freedom of your identity as a loved child uniquely created by God break the chains of generational patterns by forgiving your imperfect family When we take hold of the truth that God has spanned heaven and earth to reach us we will no longer be defined by our pasts but by the love of a perfect heavenly Father When we rightly see God s character we rightly see that we are loved pursued and secured by the Creator of the universe

*Knowing God the Father Through the Old Testament* Christopher J. H. Wright, 2025-11-04 It s almost second nature for Christians to call God Father Jesus taught his followers as much although for them it was apparently a surprising practice The worshiping community of the Old Testament used fatherly images for understanding God s character and actions but Father was not a common way for believers to address God In *Knowing God the Father Through the Old Testament* Christopher Wright explores in depth the images that pervade the biblical narratives psalms and prophetic texts of the Old Testament God is acknowledged as tender yet terrifying challenging to the nations and yet intimately personal offering loving care provision discipline and forgiveness This is the God whom Jesus knew and whom we can know as Father Such knowledge of God is far from merely devotional or doctrinal but governs our worldview personal and social ethics and expectations of the future

*Discovering the God We Call Father* Richard Cleveland, 2023-07-31 *A God to Call Father* Michael Phillips, 1994-01-01 The acclaimed Christian author shares a devotional and thought provoking exploration of God s Fatherhood We all experience a desire to run into the arms of the Father and feel safe and secure to be able to know him and know that he understands us completely If this kind of closeness to God has somehow eluded you perhaps it has something to do with how you think about him In this book Michael Phillips takes you on a spiritual journey that will lead you into the arms of God the Father *A God to Call Father* explores an often overlooked aspect of our spirituality It suggests that we are plagued by a

misunderstanding of the character of God the Father who he truly is and what he is really like Following in the tradition of George MacDonald and Hannah Hurnard Phillips weaves a beautiful allegory throughout the book paralleling the path toward the intimate presence of God in your life

**The Will of God** Michael Phillips, 2017-08-29 The author of *Make Me Like Jesus* shares a personal and thought provoking inquiry into the practical mechanics of knowing God's will in our lives One of the greatest mysteries of the Christian faith is how we can understand the Will of God The difficulty is underscored by Scripture's repeated use of the word unknowable in connection with the Almighty How can we possibly grasp that which is unknowable Yet God commands us to know him He also commands us to search diligently to find wisdom We are therefore called upon to make the attempt to understand something we will never be capable of knowing In *Will of God* Michael Phillips discusses how we can best approach this challenge with gusto as well as humility

**Speaking the Christian God** Alvin F. Kimel, 1992 A collection of essays written by a wide diversity of scholars including Thomas F Torrance Geoffrey Wainwright Elizabeth Achtemeier Colin Gunton and Robert W Jenson that discuss and critically analyze the crucial theological issues at stake in the feminist theological agenda The first volume of its kind to offer an orthodox critical response to the proposals of contemporary feminist theology

**Epistles of Peter & Jude Revisited** James E. Smith, Ph.D., 2018-07-17 Introductions to the New Testament epistles of 1 Peter 2 Peter and Jude are followed by verse by verse commentary on the text

*Romans: A Social Identity Commentary* William S. Campbell, 2023-01-26 William S Campbell provides a comprehensive commentary on Paul's most challenging letter In conversation with reception history and previous scholarship he emphasizes the contextuality of Romans as a letter to Rome using social identity theory combined with historical literary and theological perspectives to arrive at a coherent reading of the entire letter Because Paul has never visited Rome and is not the founder of the Christ movement there Campbell argues that his guidance and teaching are formulated more cautiously than in his other letters Yet the long list of people who had previous links with him and his mission to the gentiles demonstrates that Paul is well informed about the situation in Rome and addresses issues that have arisen With Christ the Messianic Time is beginning but there was some lack of clarity in Rome about the implications of this for Jews and gentiles Rather than ethne in Christ replacing Israel as some in Rome possibly concluded Campbell stresses that Paul affirms the irrevocable calling of Israel and that simultaneously the identity of ethne in Christ is also called alongside the people Israel thus the integrity of the identity of both is affirmed as indispensable for God's purpose now revealed in Christ Campbell fully demonstrates how Paul in Romans achieves this by the social and theological intertwining of the message of the gospel

*Gift and the Unity of*

*Being* Antonio Lopez, 2014-09-25 Starting from both our originary experience of being given to ourselves and Jesus Christ's archetypal self donation Gift and the Unity of Being elucidates the sense in which gift is the form of being's unity while unity itself constitutes the permanence of the gift of being In dialogue with ancient and modern philosophers and theologians Lopez offers a synthetic rather than systematic account of the unity proper to being the human person God and the relations among them The book shows how contemplation of the triune God of love through Jesus Christ in the Holy Spirit allows us to discover the eternal communion that being is and to which finite being is called It also illustrates the sense in which God's gratuitousness unexpectedly offers the human person the possibility to recognize and embrace his origin and destiny and thus he is given to see and taste in God's light the ever fruitful dramatic and mysterious positivity of being *Controversy*

Sujin Pak, 2010 By exploring how Martin Luther Martin Bucer and John Calvin interpreted a set of eight messianic psalms Psalms 2 8 16 22 45 72 110 188 Sujin Pak elucidates key debates about Christological exegesis during the era of the Protestant reformation More particularly Pak examines the exegeses of Luther Bucer and Calvin in order to reveal their particular theological emphases and reading strategies b identify their debates over the use of Jewish exegesis and the factors leading to charges of judaizing leveled against Calvin and c demonstrate how Psalms reading and the accusation of judaizing serve distinctive purposes of confessional identity formation In this way she portrays the beginnings of those distinctive trends that separated Lutheran and Reformed exegetical principles *The Catechism of*
