Thomas F. Torrance

God In Three Persons:

God in Three Persons Millard J. Erickson, 1995 The trinity is the least understood and most important concept in the church Yet many would just as soon jettison it in the interest of ecumenical unity God in Three Persons defends the significance of a trinitarian definition and explains it in understandable terms *God in Three Persons Blessed Trinity* Rinaldo Washington, 2011 **One God, Three Persons, Four Views** C. A. McIntosh, 2024-10-31 The doctrine of the Trinity has become synonymous with mystery in the minds of many How is it best understood Is it logically coherent or is it contradictory In this book four leading scholars take up these and other questions about the Trinity in a multidisciplinary approach spanning biblical studies historical theology and philosophy Each puts forth his own view then in turn defends it from critiques The result is a wide ranging in depth but accessible look at the doctrinal heart of the Christian faith *God in Three Persons* Nathan Clay Brummel, 2016-11-09 Christians believe just as much as Jews or Muslims that there is one God The New Testament teaches that God is one We know that an idol is nothing in the world and that there is none other God but one I Corinthians 8 4 The church came to understand that although God is one in being He nevertheless exists in three distinct persons The author shows how the Scriptures teach the doctrine of the Trinity and why this doctrine is important for Christian theology and practice Discover seven passages in the New Testament where Jesus is explicitly called God God Is Three Persons Craig, 2012-12-08 The ninth in a series of ten illustrated booklets on the attributes of God for children

God In Three Persons, Blessed Trinity Robert E. Marshall, "Understanding" the Trinity Will Daniels, 2009-02-26 Understanding the Trinity is a revolution in Christian thought and philosophy True Christianity is a Jewish religion established and organized by Jews Gentiles were invited by Jews with God s approval to participate in the Christian movement However Gentile Leaders in most Christian Churches of the world today do not preach the original Christian gospel message of salvation that was first delivered to the saints by the apostle Paul Galatians 1 8 9 Understanding the Trinity Three Persons vs Three Manifestations will bring us back to the original gospel message the oneness of God and the power of God s name in the face of Jesus Christ Deuteronomy 6 4 Luke 2 11 When Billy G Newton Bishop Diocesan of the 29th Episcopal District Pentecostal Assemblies of the World Inc Pastor of the Word of God Church read this book he said This book was so fascinating I couldn t put it down When Kevin Seraaj M Div J D Senior Pastor Cornerstone Baptist Church Publisher Central Florida Advocate News read this book he said Understanding the Trinity is a timely relevant and extremely provocative piece of work In a time when the church must be challenged to move out of old ways notions thoughts and traditions this book will without question provide a forum for much needed theological discussion For students of the Bible this book is a must read for it is always that process of reading analyzing and debating that enables us to move forward in both our personal and spiritual journeys Great job Author s Note You have in your possession the true gospel of Jesus Christ Don t let the birds steal your seeds Matthew 13 3 13 KJV *The Triune, Or, The Existence of One God in Three Persons,*

Father, Son, and Holy Ghost Timothy Alden Taylor, 1848 *God in Three Persons* Carl Brumback, 1959-01-01 **The Joy of the Trinity** Tara-Leigh Cobble, 2024-04-30 It's hard to know a God we don't understand and it's hard to love a God we don't know. But our God wants to be known and loved and He's told us a lot about Himself in the pages of His Word particularly that He is a three in one God. Although it is a crucial and classic Christian teaching, understanding the Trinity can be intimidating at first. But it doesn't have to be. Join bestselling author, Bible teacher, and podcaster Tara Leigh Cobble as she walks you through the triune nature of God: God the Father, God the Son, and God the Holy Spirit. As you turn each page, you'll discover a beautiful foundational view of the Trinity that will not only inform how you relate to God but give you deeper intimacy and greater joy in knowing Him.

God in Three Persons Allen Vander Pol, 2001 All who embrace historic orthodox Christianity affirm the doctrine of God's tri-unity. But how many Christians can articulate this central and fundamental article of faith, especially when cultists attack it as unbiblical? Allen Vander Pol has developed a concise and lucid introduction to the Trinity. After making clear the doctrine's essential nature, he demonstrates that while the term Trinity does not appear in Scripture, the concept does. He concludes with a chapter on objections to trinitarianism, especially those mounted by the cults.

The Role of the Three Persons: Trinity in the Economy of Salvation Yusuf Shammah, 2017-11-07 Seminar paper from the year 2017 in the subject Theology: Biblical Theology, grade 60, course Historical Theology, language English. Abstract: The doctrine of salvation to me is the most crucial doctrine in the history of the church and the most

important matter in the life of Christianity Hence the understanding of the role of the Trinity is very crucial in knowing how salvation really applied to the life of a believer and the Christian faith For I perceived that the reason why several Christians make little value of their Christian life is due to lack of clear and proper understanding of the works of the Trinity in their Salvation experiences and probably because the transaction was not properly done These may be the same reason why most Christians are living a life of hypocrisy and void of power because they understood stricken the role of the Trinity in the Economy of their salvation Hence they don t appropriate the efficacy of the power of Trinity in their salvation bargain No wonder so many Christians resolved to other sources of power in times of crisis and difficulties I perceived that the reason why several Christians take little value to their Christian life is the lack of proper understanding of the works of the Trinity in their salvation experiences and probably because the transaction was not properly done These may be the reason why most Christians are living a defeated and hypocritical life Because they understood stricken the role of the individual Persons of the Trinity in the economy of their salvation hence they don t appropriate the efficacy of the power of the Trinity in their salvation bargains No wonder they resolved to other sources of power in their times of crisis and difficulties The fact on the importance of the doctrine of salvation was elucidated by the Article Bible org as they said that Soteriology the doctrine of salvation must be the grandest theme in the Scriptures It embraces all of time as well as eternity past and future It relates in one way or another to all of mankind without exception It even has ramifications in the sphere of the angels It is the theme of both the Old and New Testaments It is personal national and cosmic But in all its beauty we don t seem to understand and appreciate the role the individual Persons of the Godhead play in our salvation economy
